**LIQUIDMETAL TECHNOLOGIES, INC.**

**AMENDMENT NO. 1 TO  
FORM 8-K  
ORIGINALLY FILED ON AUGUST 11, 2010**

**Note:** On August 11, 2010, Liquidmetal Technologies, Inc. (the "Company") filed a Form 8-K with the Securities and Exchange Commission regarding, among other things, certain issuances of equity securities (the "Original Filing"). This Amendment No. 1 to Form 8-K is being filed to amend and restate Item 3.02 to correct certain statements made in the Original Filing regarding the equity issuances described in such Item 3.02. Other than Item 3.02, this amendment does not modify or change any of the disclosures in the Original Filing.

**Item 1.01. Entry Into a Material Definitive Agreement.**

On August 10, 2010, Liquidmetal Technologies, Inc. (the "Company") and Norden LLC (the "Investor") entered into a Subscription Agreement (the "Subscription Agreement") pursuant to which the Investor purchased 7,870,307 shares of the Company's common stock for an aggregate price of \$2,046,280. The transaction was approved and directed by the Company's board of directors on August 2, 2010 contingent on the full payment of the Company's 8% Senior Secured Convertible Notes (which occurred on August 5, 2010). The shares issued to Norden are "restricted securities" within the meaning of Rule 144 under the Securities Act of 1933, as amended, and are therefore subject to the resale restrictions set forth in Rule 144. The offer and sale of the shares to Investor was made pursuant to the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended, including pursuant to Rule 506 thereunder. The Investor is an "accredited investor" under Rule 506 and the offer and sale was made without any form of general solicitation and with full access to any information requested by Investor regarding the Company or the Company's common stock.

The foregoing does not purport to be a complete description of the Subscription Agreement and is qualified by reference to the full text of such agreement, which will be filed with the Company's Quarterly Report on Form 10-Q for the three-month period ended September 30, 2010.

**Item 3.02. Unregistered Sales of Equity Securities.**

The information included in Item 5.02 of this Form 8-K is hereby incorporated by reference into this Item 3.02. In addition, as approved by the Company's board of directors on July 12, 2010 and effective August 5, 2010, the members of the Company's board of directors agreed to accept shares of Company common stock in exchange for fees owing to them by the Company. Specifically, each of the Company's four directors will receive 71,428 shares of Company common stock in lieu of a \$10,000 director fee owing to each of them. Bobb Biehl received an additional 621,429 restricted shares for approximately \$87,000 in audit committee and compensation committee chairman fees and consulting fees owing to him as of January 2, 2010. The Company's board of directors approved on July 26, 2010 to establish a new annual compensation for the Chairman of the Board of \$25,000 and a one-time additional director fee of \$250,000 to be paid to Abdi Mahamedi, the Company's Chairman of the Board, for the unforeseeable significant time and services expended by Mr. Mahamedi during the past six

months on Company business. Mr. Mahamedi will have the opportunity to elect to take the total fees of \$275,000 in cash or in shares of Company common stock. If he elects to take the fee in shares of Company common stock, the number of shares to be issued to Mr. Mahamedi will be equal to the amount of the fee divided by the last sale price of the Company's common stock on the third (3<sup>rd</sup>) trading day after the Company becomes current in the filing of its period reports with the SEC (the "Pricing Date"), and his election to take cash or stock must be made within three trading days after the Pricing Date.

On July 12, 2010, the Company's board of directors granted options to purchase an aggregate of 3,080,000 shares of Company common stock to specified employees at an exercise price per share equal to \$0.13 per share, which was the fair market value of the Company's common stock on the grant date. The options vest in one-fifth increments over a period of 5 years beginning with the first anniversary of the date of grant. Under these grants, the Company's Chief Financial Officer (Tony Chung) received options to purchase 250,000 shares, the Company's Executive Vice President (Ricardo Salas) received options to purchase 1,500,000 shares, and the Company's then-CEO (Larry Buffington) received options to purchase 250,000 shares.

The offers, sales, and/or grants of the above-described shares to the Company's directors and employees were made pursuant to the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended, as the offers, sales, and/or grants were made without any form of general solicitation and with full access to any information requested by the directors and employees regarding the Company or the Company's common stock.

#### **Item 5.02. Compensatory Arrangements of Certain Officers.**

The information included in Item 3.02 of this Form 8-K is hereby incorporated by reference into this Item 5.02.

#### **Item 8.01. Other Events.**

On August 5, 2010, the Company repaid in full all of its outstanding 8% Senior Secured Convertible Notes (the "Secured Notes") in the amount of \$8.2 million, all secured debt to HANA Financial in the amount of \$0.3 million, and its unsecured debt to Ricardo Salas and Norden LLC in the aggregate amount of \$2.4 million. The foregoing obligations were paid with proceeds from the previously announced strategic licensing transaction with Apple Inc. Upon the payment of the Secured Notes and the HANA Financial indebtedness, all security interests in Company assets securing such obligations were released and terminated.

On August 10, 2010, the Company offered to each of the holders of the Company's Series A Preferred Stock (the "Preferred Stock") the right to convert the holder's Preferred stock into a number of shares of common stock equal to (i) the issue price of the Preferred Stock plus all accrued but unpaid dividends thereon plus the amount of dividends that would accrue thereon through June 1, 2011 in the absence of such conversion, divided by (ii) the conversion price of the Preferred Stock. Under this offer, the Company would also agree that the expiration date of all warrants previously issued on the Preferred Stock in 2009 would be extended to July 15, 2015. Any holder of Preferred Stock that accepts this offer will be required to agree that (i) the shares of common stock received on conversion will be subject to a six-month lock-up beginning on the effective date of the conversion, and (ii) the anti-dilution price protection provision in the extended warrants will be deleted. The conversions of Preferred Stock pursuant to this offer will be made on a date determined by the Company, and the Company may elect to

terminate the offer at any time. There is no assurance that all or any of the holders of Preferred Stock will accept this offer. The Company will file a Current Report on Form 8-K if and when the closing of the conversion offer occurs, and it is anticipated that any such closing will occur no later than September 15, 2010..
