LIQUIDMETAL TECHNOLOGIES, INC.

FORM 8-K

Item 1.01. Material Contracts.

On July 24, 2007, Liquidmetal Technologies, Inc. (the "Company") completed an \$11.1 million financing transaction (the "Transaction") that provided the Company with funding to repay convertible notes previously issued by the Company that were scheduled to become due in July and August 2007. In the Transaction, the Company transferred substantially all of the assets (the "Transferred Assets") of the Company's Liquidmetal Coatings division (the "Division") to a newly formed, newly capitalized subsidiary named Liquidmetal Coatings, LLC, a Delaware limited liability company ("LMC"), and LMC assumed substantially all of the liabilities of the Division (the "Assumed Liabilities"). LMC was capitalized through a \$6.5 million subordinated debt and equity investment by C₃ Capital Partners and a \$5.0 million senior credit facility with Bank Midwest, N.A., both out of Kansas City, Missouri. The Company will retain a 69.5% in LMC, and the remaining 30.75% of the equity of LMC will be held by C₃ Capital Partners, Larry Buffington (who will also serve as the President and CEO of LMC), and CRESO Capital Partners (the financial advisor in the Transaction).

Asset Purchase and Contribution Agreement

In connection with the Transaction, the Company and LMC entered into an Asset Purchase and Contribution Agreement, dated July 24, 2007 (the "Asset Purchase Agreement"), under which the Company sold and contributed the Transferred Assets to LMC in exchange for the 69.25% membership interest in LMC, a cash purchase price of \$11,095,000, and the assumption by LMC of the Assumed Liabilities. Under the Asset Purchase Agreement, the Company agreed that it would not compete or assist other competitors in the metal coatings industry, and LMC agreed that it would not compete or assist other competitors in the non-coatings amorphous or semi-amorphous metallic materials industry. Pursuant to the Asset Purchase Agreement, the Company and LMC also entered into a Services Agreement, under which the Company will continue to provide certain transition services for LMC following the closing of the Transaction, and a License and Technical Support Agreement, under which the Company and LMC entered into certain cross-licenses and covenants relating to the post-closing operation of their respective businesses. Also under the Asset Purchase Agreement, LMC entered into an Employment Agreement with Larry Buffington, who will also serve as President and Chief Executive Officer of LMC. The Employment Agreement has a 5-year term, provides for an annual base salary of \$250,000, and provides for potential performance bonuses of up to 50% of Mr. Buffington's base salary. The Employment Agreement provides that, in the event that Mr. Buffington's employment is terminated by LMC in a "Termination Without Cause" (as defined in the agreement), then Mr. Buffington will be entitled to severance in the amount of 12-months salary continuation (or salary until the end of the 5-year term if less than 12 months is left in the term).

In the Transaction, LMC also entered into a Securities Purchase Agreement, dated July 24, 2006 (the "Securities Purchase Agreement"), with C₃ Capital Partners, L.P. ("C₃"), C₃ Capital Partners II, L.P. ("C₃ II", and with C₃, the "C₃ entities"), and Liquidmetal Coatings Solutions, LLC, a wholly owned subsidiary of LMC that will operate the thermal spray coatings business ("LMCS"). Pursuant to the Securities Purchase Agreement, LMC sold and issued to the C₃ entities subordinated promissory notes in the aggregate principal amount of \$5.53 million (the "Notes") and a 19% membership interest in LMC. Under the Securities Purchase Agreement, the C₃ entities have the right, beginning on the 5th anniversary of the closing of the Transactions (or, if earlier, upon a default by LMC under the Notes or Securities Purchase Agreement) to require LMC to purchase the C₃ entities' membership interests in LMC for a purchase price equal to their pro rata portion of the greater of (i) the appraised fair market value of LMC or (ii) six times LMC's trailing 12-month earnings before interest taxes, depreciation, and amortization, less funded debt.

The Notes have a maturity date of July 20, 2012 with no required principal payments before maturity other than upon specified triggering events, such as a change in control of LMC. Interest accrues under the Notes at a rate of 14% per annum, with 12% interest being payable monthly beginning September 2007 and the remaining 2% interest being payable at maturity of the Notes. In connection with the Securities Purchase Agreement and the Notes, the Company and LMC entered into pledge agreements with the C₃ entities in which the Company pledged its membership interest in LMC to secure the obligations under the notes and LMC pledged its membership interests in LMCS to secure its obligations under the Notes. LMC and LMCS also granted to C₃ a blanket security interest in all of their assets to secure their obligations under the Notes.

Loan Agreement with Bank Midwest, N.A.

As part of the Transaction, the Company entered into a Loan Agreement, dated July 24, 2007 (the "Loan Agreement"), with Bank Midwest, N.A. ("Midwest"). The Loan Agreement provides for total loan availability of \$5.5 million, consisting of a \$4 million term loan and a revolving loan of up to \$1.5 million. The term loan portion of the Loan Agreement is evidenced by a Term Note (the "Term Note") issued by LMC to Midwest in the principal amount of \$4 million and having a maturity date of July 20, 2011. The revolving loan portion of the Loan Agreement is evidenced by a Revolving Note (the "Revolving Note") issued by LMC to Midwest of up to \$1.5 million and having a maturity date of July 20, 2008. Borrowing availability under the Revolving Note is based in a percentage of LMC's eligible receivables and eligible inventory, and the initial advance under the Revolving Note was \$1.0 million. LMC's obligations under the Loan Agreement are secured by a blanket security interest in all of LMC's and LMCS's assets, and pursuant to an intercreditor agreement between the C₃ entities and Midwest, Midwest's security interest in the assets is senior to C₃'s security interest in the same assets.

Interest on the Term Note accrues on the outstanding principal amount at the rate of 8.48% per annum. LMC is required to make monthly payments of principal and interest under the Term Note, with monthly payments of (i) \$62,500 during months 1 through 12, (ii) \$83,333.33 during months 13 through 36, and (iii) \$104,166.67 during months 37 through 48. All remaining principal and interest shall be due and payable upon the maturity date. If the Term Note is prepaid within the first twenty-four (24) months after July 24, 2007, LMC will pay a prepayment penalty of 1% of the outstanding principal balance, together with accrued interest. After the twenty-four month period has lapsed, LMC will have the right to prepay the Term Note without penalty. Interest accrues on the Revolving Note at the prime rate of interest. LMC will make monthly interest payments on the Revolving Note until July 20, 2008, at which point LMC will pay all remaining principal and interest.

3

LMC Operating Agreement

As a part of the Transaction and immediately prior to the transfer of the Transferred Assets and Assumed Liabilities pursuant to the Asset Purchase Agreement, the Company, the C₃ entities, Larry Buffington, CRESO Capital Partners, and LMC entered into an Operating Agreement, dated July 24, 2007, relating to LMC (the "Operating Agreement"). Under the Operating Agreement, LMT was issued its 69.25% membership interest in LMC, the C₃ funds were issued their collective 19% membership interest, Mr. Buffington was issued his 10% membership interest (subject to repurchase at various prices depending upon his length of employment with LMC), and CRESO Capital Partners was issued a 1.75% membership interest. The Operating Agreement provides that LMC will be managed by a Board of Managers comprised of one manager designated by the Company, one manager designated by C₃, and Larry Buffington (but Mr. Buffington will only serve as a manager while he serves as President and CEO of LMC and does not at such time serve as President and CEO of the Company). The Operating Agreement designates Larry Buffington as LMC's initial President and CEO.

Except as and to the extent specifically set forth in Section 2.1, LMC is not assuming any Liabilities of LMT and all such Liabilities shall be and remain the responsibility of LMT.

3. **ISSUANCE OF LMC LLC MEMBERSHIP INTERESTS AND PAYMENT OF CASH PURCHASE PRICE**

3.1. Consideration for Contributed Assets.

In consideration of the Transferred Assets contributed to LMC, subject to the terms and conditions of this Agreement, at Closing LMC shall issue to LMT limited liability company membership interests of LMC ("Membership Interests") equal to 69.25% of the total outstanding Membership Interests of LMC outstanding immediately after giving effect to such issuance. The Membership Interests shall be issued pursuant to the form of Limited Liability Company Agreement attached as Exhibit "A".

3.2. Purchase Price for Purchased Assets.

In consideration of the Transferred Assets purchased by LMC, subject to the terms and conditions of this Agreement, LMC shall assume the Assumed Liabilities and authorize its lenders to pay to the Escrow Agent pursuant to the Escrow Agreement cash equal to the sum of Eleven Million Ninety Five Thousand and No/100 Dollars (\$11,095,000) as adjusted upward or downward by the Upward Purchase Price Adjustment or Downward Purchase Price Adjustment, if any (the "Purchase Price"). For purposes of this Agreement, the term "Thermal Spray Assets" refers to the assets acquired by LMT on June 1, 2007 from Foster Wheeler Energy Services, Inc., and "Thermal Spray Liabilities" means the liabilities assumed by LMT on June 1, 2007 from Foster Wheeler Energy Services, Inc.

(b) On the Closing Date, LMT shall prepare and deliver to LMC a good faith estimate of the balance sheet of the Division as of the close of business on the Closing Date (the "Closing Balance Sheet Estimate").

(c) If based on the Closing Balance Sheet Estimate the calculation in Section 3.4(a) (the "Estimated Calculation") would result in a Downward Purchase Price Adjustment, then the cash consideration to be delivered by LMC pursuant to Section 3.3(b) shall be reduced by the amount of such Downward Purchase Price Adjustment. If the Estimated Calculation would result in an Upward Purchase Price Adjustment, then in addition to the consideration set forth in Section 3.3, LMC shall deliver an Adjustment Note in favor of LMT in the amount of

5

such Upward Purchase Price Adjustment which shall be due and payable in full forty-five (45) days after the Closing Date.

(d) As promptly as practical, and in any event not more than 90 days after the Closing Date, LMC shall prepare and deliver to LMT (i) its statement setting forth its good faith determination of the balance sheet of the Division as of the close of business on the Closing Date (the "Closing Balance Sheet Statement"), and (ii) a calculation of the amount of the Upward Purchase Price Adjustment or Downward Purchase Price Adjustment derived from the Closing Balance Sheet Statement ("LMC's Calculation"). In connection with the preparation of the Closing Balance Sheet Statement, LMT shall cooperate, and cause its agents and representatives to cooperate, with LMC and its agents and representatives. The parties agree that Tarsus CFO Services, LLC shall assist in the preparation of the Closing Balance Sheet Statement on behalf of LMC.

(e) The Closing Balance Sheet Statement and LMC's Calculation shall be conclusive and binding on the parties and the Closing Balance Sheet Statement shall be deemed the Final Closing Balance Sheet, unless LMT delivers to LMC a notice specifying in reasonable detail the respects in which it objects to the Closing Balance Sheet Statement (the "Objection Notice") within 30 days following LMT's receipt thereof. In connection with the LMT's review of the Closing Balance Sheet Statement, LMC shall cooperate, and cause its agents and representatives, to cooperate with LMT and its agents and representatives and shall provide such agents and representatives access to such books, records and information relating to the Closing Balance Sheet Statement, as may be reasonably requested from time to time. If LMT delivers a timely Objection Notice, LMC, LMT and their respective accountants shall negotiate among themselves for a period of 45 days thereafter in an attempt to resolve the objections stated therein. If no resolution is reached within such 45-day period, then LMC and LMT shall select an independent accounting firm mutually agreeable to both parties (the "Accounting Firm") to review LMT's books and related information to determine (the "Independent Determination") the balance sheet of the Division as of the close of business on the Closing Date (the "Final Closing Balance Sheet") and to calculate the amount of the Upward Purchase Price Adjustment or Downward Purchase Price Adjustment (the "Definitive Calculation"), if any. The Accounting Firm shall be supplied such information, books and records and access to such individuals as it may reasonably require from any party. The Accounting Firm shall only review disputed items and must resolve each disputed item within the range between LMC's position and LMT's position regarding the disputed item. The parties shall use commercially reasonable efforts to cause the Accounting Firm to deliver the Final Closing Balance Sheet and the Definitive Calculation within 30 days of its selection. The Final Closing Balance Sheet and the Definitive Calculation shall be final and binding on the parties hereto absent manifest error. The parties shall each pay one-half of the costs of the Accounting Firm in connection with the Independent Determination.

(f) If the amount of LMC's Calculation or the Definitive Calculation, as the case may be, is greater (the "Upward Differential") than the amount of the Estimated Purchase Price Adjustment, then LMC shall pay to LMT an amount equal to the Upward Differential. If the amount of LMC's Calculation or the Definitive Calculation, as the case may be, is less (the "Downward Differential") than the amount of the Estimated Purchase Price Adjustment, then LMT shall pay to LMC an amount equal to the Downward Differential.

The states in which the Division is licensed or qualified to do business are listed in Schedule 4.1(c).

(b) If a Loss is suffered or incurred for or on account of or arises from or in connection with any demand, claim, suit, action, cause of action, investigation or inquiry by a Person not party to this Agreement (a "Third Party Claim"), the Indemnifying Party shall assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all expenses. The Indemnified Party shall have the right to employ separate counsel in such Third Party Claim and participate in such defense thereof at its own expense. The Indemnifying Party shall not, without the Indemnified Party's prior written consent, which shall not be unreasonably withheld, settle or compromise any Third Party Claim or consent to the entry of any judgment with respect to any Third Party Claim. If the Indemnifying Party fails to assume the defense of any Third Party Claim within 20 business days after notice thereof, the Indemnified Party shall have the right to undertake the defense, compromise or settlement of such Third Party Claim for the account of the Indemnifying Party.

(c) With respect to any Loss (other than any Loss suffered or incurred for or on account of or arising from or in connection with any Third Party Claim), the Indemnifying Party shall have 30 business days from receipt of notice from the Indemnified Party of such Loss within which to respond thereto. If the Indemnifying Party does not respond within such 30 business day period, the Indemnifying Party shall be deemed to have accepted responsibility to make payment and shall have no further right to contest the validity of such Loss.

(d) The Indemnifying Party shall promptly pay the Indemnified Party any amount due under this Section 10.

10.4. Limitations on Indemnification

Except for fraud, as to which claims may be brought without limitation as to time, amount or the other provisions of this Section 10:

(a) Time Limitation. No claim or action shall be brought under this Article 10 for breach of a representation or warranty after the lapse of eighteen (18) months following the Closing Date. Regardless of the foregoing, however, or any other provision of this Agreement:

(iii) If any act, omission, disclosure or failure to disclose shall form the basis for a claim for breach of more than one representation or warranty, and such claims have different periods of survival hereunder, the termination of the survival period of one claim shall not affect a party's right to make a claim based on the breach of representation or warranty still surviving.

(b) Amount Limitation. Except with respect to claims for breaches of representations or warranties contained in Sections 4.1 (Corporate), 4.2 (Authority), 4.3(a) (Marketable Title to Properties), 5.1 (LMC's Corporate) and 5.2 (LMC's Authority), the maximum, aggregate liability for all indemnification claims under this Section 10 (other than (i) LMT's failure to pay and perform LMT's Liabilities (including, without limitation the Liabilities not being assumed as described in Section 2.2) other than Assumed Liabilities, and (ii) claims for fraud) against LMT, on the one hand, or against LMC, on the other, shall not exceed the Purchase Price, as adjusted pursuant to Section 3.4.

(c) Exclusive Remedy. The right to indemnification provided by this Section 10 shall be the exclusive remedy available to the parties with respect to claims described in this Section 10, and no other rights or remedies at law or in equity will accrue with respect to such claims.

10.5. Characterization of Indemnification Payments.

Any payments made pursuant to Section 10 of this Agreement shall be treated for all Tax purposes as adjustments to the consideration to be paid hereunder and no party or any of its Affiliates shall take any position on a Tax Return or in any proceeding with any taxing authority contrary to such treatment, unless otherwise required by law.

11. CLOSING

The closing of this transaction ("the Closing") shall take place at the offices of Foley & Lardner LLP, 100 North Tampa Street, Suite 2700, Tampa, Florida at 10:00 a.m. (local time) on the date hereof or at such other time and place as the parties hereto shall agree upon. Article III.
**CAPITAL STRUCTURE, CONTRIBUTIONS TO CAPITAL
AND CAPITAL ACCOUNTS**

Section 3.1. INITIAL CONTRIBUTIONS. The Members have previously contributed, or shall contribute simultaneously with the execution hereof, capital to the Company in accordance with the schedule attached hereto as Exhibit "A" (the "Initial Capital Contributions") in exchange for their respective Membership Units.

Section 3.2. ADDITIONAL CAPITAL CONTRIBUTIONS. Section 3.3. RETURN OF CONTRIBUTIONS. Until the dissolution and liquidation of the Company, no Member shall have the right to demand or receive any part of the Member's capital contribution and there is no right given to any Member to demand and receive property other than cash in return for the Member's capital contribution.

2

contributions made by the Member, (ii) any amount credited to the Capital Account of a Member pursuant to Section 4.9 hereof as a result of any Company income, profits or gains allocated to the Member (and as adjusted pursuant to Section 1.704-1(b)(2)(iv) of the Treasury Regulations), and (iii) the amount of any Company liabilities assumed by the Member or that are secured by any Company property distributed to that Member, and decreased by: (i) the amount of money and the fair market value of any property (other than money) comprising any distributions to the Member pursuant to Article V hereof, (ii) any amount debited to the Capital Account of a Member pursuant to Section 4.9 hereof as a result of any Company expenses, deductions, losses and credits allocated to the Member (and as adjusted pursuant to Section 1.704-1(b)(2)(iv) of the Treasury Regulations), and (iii) the amount of any liabilities of such Member that are assumed by the Company or that are secured by any property contributed by that Member to the Company.

(b) **Built-In Gain or Loss.** The Capital Account of a Member shall not be increased or decreased, as the case may be, with regard to any built-in gain or loss allocated to the Member pursuant to Section 4.5 hereof.

(d) **Interest.** No interest shall be paid on any present or future Capital Account balance.

(e) **Conformance with Regulations.** The provisions of this Section 3.4 are intended to comply with Treasury Regulation Section 1.704-1(b) regarding the maintenance of the Capital Accounts of the Members and this Section 3.4 shall be interpreted and applied in a manner consistent with such Treasury Regulations. In the event that the Board of Managers shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto, are computed in order to comply with such Treasury Regulations, the Board of Managers may make such modifications, provided that it is not likely to have a material effect on any amounts distributable to any Member upon the dissolution of the Company. The Board of Managers shall also make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Treasury Regulation Section 1.704-1(b).

Section 3.5. CAPITAL STRUCTURES AND PERCENTAGE INTERESTS

(a) **Capital Structure.** Ownership rights in the Company are divided into and represented by membership units ("Membership Units"). The Membership Units are further divided into three classes: (i) Class A Units; (ii) Class B Units; and (iii) Class C Units.

(b) **Initial Percentage Interest.** Upon their admission to the Company, the Members shall own the number and class of Membership Units and the corresponding Percentage Interests in the Company as set forth on Exhibit "A" attached hereto.

(c) **Adjustments to Percentage Interests.** In the event of the issuance of any additional Membership Units to an existing Member(s), including the admission of an additional member(s), each Member's Percentage Interest in the Company shall be deemed to be equal to a fraction, the numerator of which is the number of Membership Units issued and

3

outstanding to the Member, and the denominator of which is the number of Membership Units then issued and outstanding to all Members. All adjustments to a Member's Percentage Interest in the Company shall be permanent and shall not otherwise be altered except as provided in this Agreement.

(d) **Effect of Percentage Interests.** The Percentage Interests of the Members, as determined and adjusted pursuant to this Section 3.5, are maintained solely for the purposes of determining the amount of certain allocations of taxable profits and losses and cash distributions allocable to the Members pursuant to Articles IV and V hereof, and for other purposes set forth in this Agreement. The Percentage Interest of a Member shall not reflect that Member's proportionate interest in the capital of the Company at any time.

Section 3.6. LOANS BY MEMBERS. A Member may at any time lend funds to the Company as may be agreed upon by the Board of Managers. Such funds shall represent a debt, payable on demand, unless otherwise specifically provided, from the Company to the Member making the loan, and interest, at a rate agreed upon by the Board of Managers, shall be paid thereon and charged as an expense to the Company.

Section 3.7. PROFITS INTEREST OF CLASS C HOLDERS. The Class C Holders shall own a percentage of the profits of the Company equal to the right to receive their respective percentage interest as shown on Exhibit "A", attached hereto, of the available cash distributed among the Members pursuant to Section 5.2 and Section 5.3. In addition, taxable income shall be allocated to the Class C Holders equal to their respective percentage interest as shown on Exhibit "A", attached hereto, of the Net Profits allocated among the Members pursuant to Section 4.3(a)(ii).

It is the agreement of the Members that the rights of the Class C Holders under this Section 3.7 shall be limited to receiving allocations of taxable income and distributions of cash as described herein, but that the Class C Holders shall not receive any other rights in and shall not participate in any other allocations of taxable income, loss, credit, deduction, gain, or other tax items or distributions of cash from the Company except as specifically provided in this Section 3.7.

**Article IV.
ALLOCATIONS OF TAXABLE PROFITS AND LOSSES**

Section 4.1. DETERMINATION OF PROFIT OR LOSS. The items of income, gains, expenses, deductions, losses and credits generated by the Company for federal income tax purposes shall be determined in accordance with a generally accepted method of accounting as soon as practicable after the close of the fiscal year of the Company.

Section 4.2. COSTS AND EXPENSES. The Company shall pay all expenses (which expenses shall be billed directly to the Company) of the Company which may include but are not limited to: (i) legal, audit, accounting, and other fees; (ii) expenses and taxes incurred in connection with the issuance, distribution and transfer of documents evidencing ownership of Membership Units in the Company or in connection with the business of the Company; (iii) expenses of organizing, revising, amending, converting, modifying or terminating the Company; (iv) expenses in connection with distributions made by the Company to, and communications and bookkeeping work necessary in maintaining relations with, the Members; and (v) costs of any accounting, statistical or bookkeeping equipment necessary for the maintenance of the books and records of the Company.

4

Section 4.3. ALLOCATION. The net profits, net gains and net losses generated by the Company for federal income tax purposes for a year shall be allocated among the Members as follows:

(a) **Profits.** Any net taxable income and gain (collectively, "Net Profits") of the Company for the year shall be allocated among the Members as follows:

(i) First, 100% of the Net Profits shall be allocated pro rata (relative to the entire amount to be allocated to all Members in that year pursuant to this Section 4.3(a)(i)) among the Members in an amount equal to the excess, if any, of (a) the cumulative Losses allocated pursuant to Section 4.3(b) hereinafter for all prior years, over (b) the cumulative Profits allocated pursuant to this Section 4.3(a)(i) for all prior years, until such time as each Member has been allocated an aggregate amount of the Net Profits in all years pursuant to this Section 4.3(a)(i) equal to the aggregate amount of Losses allocated to the Member pursuant to Section 4.3(b) hereof in all prior years; and

(ii) Any remaining Net Profits shall be allocated among the Members according to their respective Percentage Interests in the Company at that time, as set forth in Section 3.5 hereof.

(b) **Losses.** Any net taxable losses and deductions (collectively, "Losses") of the Company for the year shall be allocated among the Members in the following order of priority:

(i) First, all Losses shall be allocated among the Members in proportion to the positive balances in their respective Capital Accounts at that time, after a reduction for any cash distributed from the Company to the Members pursuant to Article V in that year, until the balance of all Members' Capital Accounts have been reduced to zero (0); and

(ii) Any remaining Losses shall be allocated among the Members according to their respective Percentage Interests in the Company at that time, as set forth in Section 3.5 hereof.

Section 4.4. SPECIAL ALLOCATIONS. Notwithstanding any other provision of this Agreement to the contrary, the following special allocations shall be made in the following order:

(a) **Minimum Gain Chargeback.** Notwithstanding any other provision of this Section 4.4, if there is a net decrease in the Partnership Minimum Gain (as described in Article XVI hereof) during any Company fiscal year, each Member will be specially allocated, before any other allocation is made, items of income and gain for such year (and, if necessary, subsequent years) in an amount equal to that Member's share of the net decrease in Partnership Minimum Gain, determined as provided in Section 1.704-2(g)(2) of the Regulations.

Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be allocated shall be determined in accordance with Regulations Section 1.704-2(f), and this Section 4.4(a) is

5

intended to comply with the minimum gain chargeback requirement in that Section of the Regulations and shall be interpreted consistently therewith.

(b) **Partner Minimum Gain Chargeback.** Notwithstanding any other provision of this Article IV except Section 4.4(a), above, if there is a net decrease in Partner Minimum Gain (as described in Article XVI hereof) attributable to a Partner Nonrecourse Debt (as described in Article XVI hereof) during any Company fiscal year, each Member who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt (determined as provided in Section 1.704-2(i)(5) of the Regulations) as of the beginning of the year shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to that Member's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, as provided in Section 1.704-2(i)(4) of the Regulations.

Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Section 1.704-2(i)(4) of the Regulations. This Section 4.4(b) is intended to comply with the minimum gain chargeback requirement in that Section of the Regulations and shall be interpreted consistently therewith.

(c) **Qualified Income Offset.** In the event any Member unexpectedly receives an adjustment, allocation or distribution of a nature described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), then each such Member will be specially allocated items of Company taxable income and gain in an amount and manner sufficient to eliminate, to the extent required by the Regulations, that Member's Deficit Capital Account Balance as quickly as possible; provided that an allocation pursuant to this Section 4.4(c) shall be made if and only to the extent that such Member would have a Deficit Capital Account Balance after all other allocations provided for in this Article IV have been tentatively made as if this Section 4.4(c) were not in this Agreement.

(d) **Partner Nonrecourse Deductions.** Any Partner Nonrecourse Deductions (as described in Article XVI hereof) for any fiscal year or other period shall be specially allocated to the Member who bears the economic risk of loss with respect to the Partner Nonrecourse Debt (as described in Article XVI hereof) to which such Partner Nonrecourse Deductions are attributable in accordance with Section 1.704-2(i)(2) of the Regulations.

(e) **Curative Allocations.** The allocations set forth in this Section 4.4 (the "**Regulatory Allocations**") are intended to comply with certain requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding any other provision of this Article IV (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating other items of profits, losses, income, gains and deductions among the Members so that, to the extent possible, the net amount of such allocations of other taxable items and the Regulatory Allocations to each Member shall be equal to the net amount which would have been allocated to each such Member if the Regulatory Allocations had not occurred. For purposes of applying the previous sentence:

(i) No allocations of Nonrecourse Deductions shall be made pursuant to this Section 4.4(e) with respect to Regulatory Allocations required pursuant to Section 4.4(a) hereof prior to the Company fiscal year during which there is a net decrease in Partnership

6

Minimum Gain, and then only to the extent necessary to avoid any potential economic distortions caused by such net decrease in Partnership Minimum Gain;

(ii) Allocations pursuant to this Section 4.4(e) shall be deferred with respect to allocations of Nonrecourse Deductions to the extent the Board of Managers determine that such allocations are likely to be offset by subsequent allocations pursuant to subsection (a) of Section 4.4 hereof;

(iii) No allocations of Partner Nonrecourse Deductions shall be made pursuant to this Section 4.4(e) with respect to Regulatory Allocations required under subsection (b) or (d) of this Section 4.4 prior to the Company fiscal year during which there is a net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, and then only to the extent necessary to avoid any potential economic distortions caused by such net decrease in Partner Minimum Gain; and

(iv) Allocations pursuant to this Section 4.4(e) shall be deferred with respect to allocations pursuant to subsection (d) of this Section 4.4 relating to a particular Partner Nonrecourse Debt to the extent the Board of Managers reasonably determine that such allocations are likely to be offset by subsequent allocations pursuant to subsection (b) of this Section 4.4.

Section 4.5. BUILT-IN GAIN OR LOSS. Notwithstanding any other provision of this Article IV, in accordance with Code Section 704(c) and the accompanying Treasury Regulations thereunder, income, gain, loss and deduction with respect to any property other than cash contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take into account any variation between (i) the adjusted basis of such property to the Company for federal income tax purposes on the date of contribution and (ii) the fair market value of such property on the date contributed to the Company, as determined by the Board of Managers.

Section 4.6. INCOME CHARACTERIZATION. For purposes of determining the character (as ordinary income or capital gain) of any taxable income of the Company allocated to the Members pursuant to this Article IV, such portion of the taxable income of the Company allocated pursuant to this Article IV which is treated as ordinary income attributable to the recapture of depreciation shall, to the extent possible, be allocated among the Members in the proportion which (i) the amount of depreciation previously allocated to each Member bears to (ii) the total of such depreciation allocated to all Members. This Section 4.6 shall not alter the amount of allocations among the Members pursuant to this Article IV, but merely the character of income so allocated.

Section 4.7. CREDITS. Tax credits shall be allocated among the Members in accordance with Section 4.3 hereof.

Section 4.8. CHANGE IN INTERESTS. Notwithstanding the foregoing, in the event of a change in the Members' Percentage Interests in the Company during a year, whether occasioned by admission of a new Member, additional contributions, assignments of Membership Units or otherwise, the allocation of items of income and expense shall be made so as to reflect the Members' varying Percentage Interests in the Company during the year. Profits and losses for the year shall be prorated on a daily basis and allocated among the Members based upon the period of time during which they held their respective Percentage Interests.

7

Section 4.9. CREDITING ACCOUNTS. Items of income, gains, expenses, deductions, losses and credits shall be credited or debited, as the case may be, to each Member's Capital Account created pursuant to Section 3.4 as provided in this Article.

Article V. DISTRIBUTIONS

Section 5.1. DISTRIBUTABLE AMOUNTS. The Company may make distributions of any amounts in excess of its reasonable operating requirements as determined by the Board of Managers. The amounts available for distribution may be generated by operations of the Company through sale, condemnation, financing or refinancing of assets of the Company, by collection of amounts owed to the Company or by any other transaction. In the case of amounts attributable to a Capital Transaction, the net proceeds to be distributed hereunder shall be the net cash proceeds received by the Company after payment of, or provision for, all Company debts, obligations and reserves required or permitted to be paid upon, or incurred or established in connection with, the receipt by the Company of such proceeds (said reserves to be established in the reasonable discretion of the Board of Managers), and all expenses incurred by the Company in connection with the Capital Transaction giving rise to such proceeds. Notwithstanding the foregoing, no distribution shall be made unless after the distribution the Company retains assets sufficient to pay all its debts as they become due and such distribution, if made, would not cause the Company to otherwise become insolvent.

Section 5.2. ALLOCATION. Distributions of available cash pursuant to Section 5.1 hereof shall be made to the Members according to their respective Percentage Interests in the Company at that time.

Section 5.3. LIQUIDATING DISTRIBUTIONS. After giving effect to all Member contributions, distributions, allocations, and capital account adjustments for all taxable years of the Company (including the taxable year during which the Company is liquidated), the Company shall distribute the liquidation proceeds derived from the dissolution, winding-up, liquidation, and termination of the Company (plus any remaining assets of the Company that are to be distributed in kind to the Members) in the following priority and proportions:

(a) To pay in the order of priority required by the Act all the liabilities and obligations of the Company that are then due and payable to creditors (including Members), including all costs and expenses directly relating to the liquidation, winding-up, and termination of the Company, but excluding Capital Contributions and distributions payable to the Members; and then

(b) To establish any reasonable cash reserve that the Members may determine unanimously by resolution to be appropriate for any contingent, conditional, or unmatured liabilities or obligations of the Company and as an allowance for doubtful accounts receivable or the unrealized portion of any promissory note, installment obligation, or other deferred revenue payable to the Company; and then

(c) To the Members, *pro rata*, in accordance with the sum of their Initial Capital Contributions plus any additional Capital Contributions which have not yet been returned to the respective Member (the "**Unreturned Capital Contributions**"), in an amount equal to each Member's Unreturned Capital Contributions; and then

8

(d) To the Members, *pro rata*, in accordance with the Members' respective Percentage Interests at the time of such liquidation..

The Board of Managers shall use reasonable efforts to cause the proceeds from a liquidation of the Company to be distributed in the same fiscal year in which the sale of the Company's assets occurs.

Section 5.4. MANDATORY TAX DISTRIBUTIONS. In order to permit the Members to pay taxes on Company taxable income, the Company shall, to the extent of Available Cash, distribute cash at least annually and no later than 75 days after the end of a Fiscal Year, an amount which, at the time of such distribution, when added to all prior distributions pursuant to this Section 5.4, equals the cumulative maximum tax payable by an individual taxpayer at the highest combined marginal tax rates of federal and state income taxes imposed on resident individuals in the United States on the taxable income of the Company. Such distribution shall be made ratably to the Members in proportion to their respective Member Percentages.

**Article VI.
DURATION OF BUSINESS; TERMINATION**

Section 6.1. DURATION OF COMPANY. The Company shall continue until the earlier of:

- (a) The decision of the Board of Managers to dissolve the Company;
- (b) The expiration of the term of the Company set forth in Section 1.4 hereof; or
- (c) The sale or other disposition of all Company Property and the distribution of all sales proceeds resulting therefrom to the Members in accordance with this Agreement.

Section 6.2. DEATH, ETC., OF MEMBER. The Company shall not be dissolved upon the death, insanity, total disability, bankruptcy, dissolution or withdrawal of any Member, or by the assignment by any Member of all of the Membership Units or Economic Interest in the Company.

Section 6.3. LIQUIDATION. In the event of termination of the Company:

- (a) The Board of Managers shall wind up the affairs of the Company, shall sell all the Company assets as promptly as is consistent with obtaining the fair value thereof, and shall apply and distribute the proceeds of liquidation in the following order of priority:
 - (i) To the payment of debts and liabilities of the Company (including to Members to the extent otherwise permitted by law) and the expenses of liquidation; then
 - (ii) To the setting up of such reserves as the Board of Managers winding up the Company's affairs may reasonably deem necessary or appropriate for any dispute, contingent or unforeseen liabilities or obligations of the Company; then
 - (iii) The remainder to the Members in accordance with Section 5.3 above.

9

(b) Each Member shall look solely to the assets of the Company for the return of the Member's capital contribution, and if the Company Property remaining after payment or discharge of the debts and liabilities of the Company is insufficient to return the contributions of each Member, a Member shall have no recourse against any other Member(s).

(c) The proceeds of liquidation shall be distributed to the Members pursuant to Section 5.3 hereof.

(d) Upon the liquidation of the Company, if any Member has a Deficit Balance in the Member's Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including the year in which such liquidation occurs), that Member shall have no obligation to make any contributions to the capital of the Company with respect to such deficit and such deficit shall not be considered a debt owed to the Company or any other person or entity for any purpose whatsoever.

**Article VII.
RIGHTS AND DUTIES OF MEMBERS**

Section 7.1. LIABILITIES OF MEMBERS. No Member shall be obligated to make capital contributions to the Company except as provided in Article III. No Member shall have any personal liability with respect to the liabilities or obligations of the Company except as provided in Article III. Failure of the Company to observe any formalities or requirements relating to the exercise of its powers or the management of its business or affairs under this Agreement or the Act shall not be grounds for imposing personal liability on the Members for liabilities or obligations of the Company.

Section 7.2. LIMITATIONS ON POWERS OF MEMBERS. Except as expressly authorized by this Agreement, no Member may, directly or indirectly, (a) resign, retire or withdraw from the Company, (b) dissolve, terminate or liquidate the Company, (c) petition a court for the dissolution, termination or liquidation of the Company, or (d) cause any property of the Company to be subject to the authority of any court, trustee or receiver (including suits for partition and bankruptcy, insolvency, and similar proceedings).

Section 7.3. PROHIBITION AGAINST PARTITION. Each Member irrevocably waives any and all rights the Member may have to maintain an action for partition with respect to any property of the Company.

**Article VIII.
MEETINGS OF MEMBERS**

Section 8.1. ANNUAL MEETING. The annual meeting of the Members shall be held between January 1st and December 31st of each year, on such date and at such hour as may be specified in the Notice of Meeting or in a duly executed Waiver of Notice thereof, for the purpose of electing Managers to serve for the ensuing year and the transaction of such other business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday in the State of Texas, such meeting shall be held on the next succeeding business day.

Section 8.2. SPECIAL MEETING. Special meetings of the Members, for any purpose or purposes, may be called by the President or by a majority of the Board of Managers or by any Member owning Membership Units in the Company.

10

Section 8.3. PLACE OF MEETING. The Board of Managers may designate any place, either within or without the State of Delaware, unless otherwise prescribed by statute, as the place of meeting for any annual or special meeting of Members. If no designation is made by the Board of Managers, the place of meeting shall be the principal office of the Company in the State of Texas.

Section 8.4. NOTICE OF MEETING. Written or printed notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered to each Member of record entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting, either personally or by first-class mail, by or at the direction of the President or the Secretary or by the Members calling the meeting. If mailed, such notice shall be deemed to be delivered at the earliest date of the following: (a) when received; (b) five days after its deposit in the United States mail addressed to the Member at his address as it appears on the records of the Company, with the postage thereon prepaid; or (c) on the date shown on the return receipt if sent by registered or certified mail, return receipt requested.

Section 8.5. WAIVER OF NOTICE. Members may waive notice of a meeting before or after the date and time specified in the written notice of meeting. All waivers of notice must be in writing, be signed by the Member entitled to the notice and be delivered to the Company for inclusion in the appropriate records. None of the business to be transacted at, nor the purpose of, a Members' meeting must be specified in a written waiver of notice. Attendance of a Member at a meeting shall constitute a waiver of notice of the meeting, unless the Member at the beginning of the meeting objects to holding the meeting or transacting business at the meeting.

Section 8.6. FIXING OF RECORD DATE. The Board of Managers may fix a date, not less than ten (10) nor more than sixty (60) days before the date set for any meeting of the Members, as the record date as of which the Members of record entitled to notice of and to vote at such meeting and any adjournment thereof shall be determined.

Section 8.7. QUORUM. A majority of the Membership Units of the Company, represented in person or by proxy, shall constitute a quorum at a meeting of the Members. When a meeting is adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken, and any business may be transacted at the adjourned meeting that might have been transacted at the original date of the meeting. If, however, after the adjournment, the Board of Managers fix a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given in compliance with 4.0 to each Member of record on the new record date entitled to vote at such meeting. After a quorum has been established at a Members' meeting, the subsequent withdrawal of Members, so as to reduce the Membership Units entitled to vote at the meeting below the percentage required for a quorum, shall not affect the validity of any action taken at the meeting or any adjournment thereof.

Section 8.8. PROXIES. Every Member entitled to vote at a meeting of Members or to express consent or dissent without a meeting, or his duly authorized attorney-in-fact, may authorize another person or persons to act for him by proxy. The proxy must be executed in writing by the Member or his duly authorized attorney-in-fact. Such proxy shall be filed with the Company before or at the time of such meeting or at the time of expressing such consent or dissent without a meeting. No proxy shall be valid after the expiration of eleven (11) months after the date thereof unless provided otherwise in the proxy.

11

Section 8.9. VOTING OF MEMBERSHIP UNITS. Except as provided in 6.0, each Member shall be entitled to one (1) vote per one (1) Membership Unit (and a corresponding fractional vote for each fraction of a Membership Unit) upon each matter submitted to a vote at a meeting of the Members. If a quorum is present, the affirmative vote of the Members owning a majority of the Membership Units represented at the meeting and entitled to vote on the subject matter shall be the act of the Members unless a greater percentage is required by the Delaware Statutes, this Agreement or the Company's Certificate of Formation.

Section 8.10. VOTING OF MEMBERSHIP UNITS BY CERTAIN HOLDERS. Membership Units standing in the name of a corporation may be voted by the officer, agent or proxy designated by the bylaws of the corporate Member or, in the absence of any applicable bylaws, by such person as the managers of the corporate Member may designate. Proof of such designation may be made by presentation of a certified copy of the bylaws or other instrument of the corporate Member. In the absence of any such designation or, in case of conflicting designation by the corporate Member, the chairman of the board, the president, any vice president, the secretary, and the treasurer of the corporate Member shall be presumed to possess, in that order, authority to vote such Membership Units.

Membership Units held by an administrator, executor, guardian or conservator may be voted by him, either in person or by proxy, without a transfer of such Membership Units into his name.

Membership Units standing in the name of a trustee may be voted by him, either in person or by proxy, but no trustee shall be entitled to vote Membership Units held by him without a transfer of such Membership Units into his name.

Membership Units standing in the name of a receiver may be voted by such receiver, and Membership Units held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his name, if authority so to do be contained in an appropriate order of the court by which such receiver was appointed.

A Member whose Membership Units are pledged shall be entitled to vote such Membership Units until the Membership Units have been transferred into the name of the pledgee, and thereafter the pledgee or his nominee shall be entitled to vote the Membership Units so transferred only in the event the pledgee becomes a Substituted Member (as defined in Section 12.3 hereinbelow).

Section 8.11. ACTION BY WRITTEN CONSENT OR TELEPHONE CONFERENCE

(a) Any action required or permitted to be taken at any meeting of Members may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by Members having not less than the minimum number of Membership Units necessary to authorize or take such action at a meeting at which all Members entitled to vote were present and voted. A telegram, telex, cablegram or similar transmission by a Member, or a photographic, photostatic, facsimile or similar reproduction of a writing signed by a Member, shall be regarded as signed by the Member for purposes of this Section 8.11. Prompt notice of the taking of any action by Members without a meeting by less than unanimous written consent shall be given to those Members who did not consent in writing to the action.

12

(b) The record date for determining Members entitled to consent to action in writing without a meeting shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company by delivery to its registered office, its principal place of business or the Board of Managers.

(c) Members may participate in and hold a meeting by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can speak to and hear each other. Participation in such meeting shall constitute attendance and presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 8.12. ANNUAL REPORTS, ETC. The Company shall file any necessary reports with the State of Delaware and pay the annual tax for Limited Liability Companies to the State of Delaware.

**Article IX.
BOARD OF MANAGERS**

Section 9.1. MANAGEMENT AND CONTROL. The management and control of the Company shall be vested in the Board of Managers. The Board of Managers shall have, except as specifically limited in this Agreement, full and exclusive authority in the management and control of the Company, and shall have all the rights and powers which are otherwise conferred by law or are necessary or advisable for the discharge of their duties and the management of the business and affairs of the Company.

Section 9.2. NUMBER AND ELECTION. The Board of Managers shall consist of three Managers (unless it has only two Managers as a result of the last two sentences of this paragraph). Managers shall be elected as follows: Members holding Class A Units shall have the right to elect one Manager, Members holding Class B Units shall have the right to elect one Manager, and Larry Buffington shall serve as a Manager. In the event of the death, resignation or removal of a Manager, the Member who elected such Manager may elect a successor Manager. Notwithstanding the foregoing, in the event that Larry Buffington ceases to be actively employed by the Company on a full-time basis as the Company's principal executive officer, then as of the date of such cessation, he shall cease to serve as a Manager, and the size of the Board of Managers will thereupon be reduced to two Managers. In addition, Larry Buffington shall not have the right to serve as a Manager during any period of time during which he is serving as an officer or employee of Liquidmetal Technologies, Inc. ("LMT"). The Member holding Class A Units hereby elects John Kang to serve as an initial Manager, and the Members holding Class B Units hereby elect Robert Smith to serve as an initial Manager.

Section 9.3. RESIGNATION. A Manager may resign at any time by delivering written notice to the Board of Managers or to the Company. A resignation is effective when notice is delivered unless the notice specifies a later effective date.

Section 9.4. REMOVAL OF MANAGER. Each Member may remove its elected Manager, with or without cause, at any time.

13

Section 9.5. EXPRESSLY AUTHORIZED RIGHTS AND POWERS. Without limiting the generality of Section 9.1, but subject to the provisions of Section 9.6, the Board of Managers are expressly authorized on behalf of the Company to:

- (a) elect officers to manage the day-to-day operations of the Company;
- (b) procure and maintain with responsible companies such insurance as may be advisable in such amounts and covering such risks as are deemed appropriate by the Board of Managers;
- (c) take and hold any assets of the Company in the Company name, or in the name of a nominee of the Company;
- (d) execute and deliver on behalf of and in the name of the Company, or in the name of a nominee of the Company, all instruments necessary or incidental to the conduct of the Company's business;
- (e) protect and preserve the assets of the Company and incur indebtedness;
- (f) sell, dispose of, trade, exchange, convey, quitclaim, surrender, release or abandon, upon terms and conditions which the Board of Managers may negotiate and deem appropriate, personal property of the Company;
- (g) execute and deliver documents and instruments on behalf of the Company in connection with the acquisition and disposition of its assets, and to execute, terminate, modify, enforce, continue or otherwise deal with any Company indebtedness and security interests, to sell Company assets, and to take any other action with respect to agreements made between the Company and a lender or any affiliate thereof, all subject to the limitations of Section 9.6;
- (h) open Company bank accounts in which all Company funds shall be deposited and from which payments shall be made; and
- (i) invest Company funds and working capital reserves.

Section 9.6. CERTAIN LIMITATIONS. Notwithstanding the generality of the foregoing, and in addition to other acts expressly prohibited by this Agreement or by law, the Board of Managers, without the prior written consent or approval of the Members holding a Supermajority (as defined in Article XVI) of the issued and outstanding Membership Units, may not cause the Company to do any of the following:

- (a) amend or restate the Certificate of Formation;
- (b) sell, lease, exchange or otherwise dispose of all or substantially all the Company's property and assets;
- (c) be a party to (i) a merger, (ii) interest exchange or (iii) other transaction affecting the ownership or structure of the Company;
- (d) do any act in contravention of this Agreement;

14

- (e) do any act which would make it impossible to carry on the ordinary business of the Company, except as expressly provided in this Agreement;
- (f) confess a judgment against the Company;
- (g) file a bankruptcy petition on behalf of the Company;
- (h) execute or deliver any general assignment for the benefit of the creditors of the Company;
- (i) Convert the Company to a Corporation pursuant to Article XIII;
- (j) assign rights in specific Company property for other than a Company purpose; or
- (k) knowingly or willingly do any act (except an act expressly required by this Agreement) which would cause the Company to become an association taxable as a corporation.

Section 9.7. MEETINGS OF MANAGERS.

(a) **Following Annual Meeting of Members.** In connection with any annual meeting of Members at which Managers were appointed, the Board of Managers may, if a quorum is present, hold its first meeting for the transaction of business immediately after and at the same place as such annual meeting of the Members. Notice of such meeting at such time and place shall not be required.

(b) **Regular Meetings.** Regular meetings of the Board of Managers shall be held at such times and places as shall be designated from time to time by resolution of the Board of Managers. Notice of such regular meetings shall not be required after the initial notice of the schedule of meetings.

(c) **Special Meetings.** Special meetings of the Board of Managers may be called by the President or by any Manager on at least forty-eight (48) hours notice to each Manager. Such notice shall state the purpose or purposes of, or the business to be transacted at, such meeting.

(d) **Attendance and Place of Meeting.** Meetings of the Board of Managers may be held at such place or places as shall be determined from time to time by resolution of the Board of Managers. The chair of the Board of Managers, if one has been designated by the Board of Managers, shall preside when present at meetings of the Board of Managers. Attendance of a Manager at a meeting shall be presumed to constitute a waiver of notice of such meeting, except where a Manager attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened or unless he or she shall file a written objection to such action with the Person acting as secretary of the meeting before the adjournment thereof on the ground that the meeting is not lawfully called or convened.

(e) **Quorum and Action.** A quorum for the transaction of business of the Board of Managers shall require the presence of a majority of the number of Managers fixed

15

pursuant to Section 9.2 of this Article. At all meetings of the Board of Managers, business shall be transacted in such order as shall from time to time be determined by resolution of the Board of Managers. The act of the majority of the Managers present at a meeting at which a quorum is present shall be the act of the Board of Managers. A Manager who is present at a meeting of the Board of Managers at which action on any Company matter is taken shall be presumed to have assented to the action unless he or she shall either voice his or her dissent at the meeting or unless he or she shall file a written dissent to such action with the person acting as secretary of the meeting before the adjournment thereof. Such right to dissent shall not apply to a Manager who voted in favor of such action.

(f) **Action by Written Consent or Telephone Conference.** Any action permitted or required to be taken at a meeting of the Board of Managers or of any committee designated by the Board of Managers may be taken without a meeting, without prior notice and without a vote if a consent or consents in writing, setting forth the action so taken, is signed by a quorum of the Managers as set forth in Section 9.7(e). Such consent shall have the same force and effect as a vote taken at a meeting and may be stated as such in any document or instrument filed with the Secretary of State of Delaware, and the execution of such consent or consents shall constitute attendance or presence in person at a meeting of the Board of Managers or any such committee, as the case may be. A telegram, telex, cablegram or similar transmission by a person, or a photographic, photostatic, facsimile or similar reproduction of a writing signed by a person, shall be regarded as signed by that person for the purposes of this Section 9.7(f).

Subject to the requirements of the Act, the Certificate of Formation or this Agreement, the Board of Managers, or members of any committee designated by the Board of Managers, may participate in and hold a meeting of the Managers or any committee of Managers, as the case may be, by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can speak to and hear each other, and participation in such meeting shall constitute attendance and presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 9.8. COMPENSATION. If approved by the Board of Managers and the Members, one or more Managers, or members of any committee designated by the Board of Managers, may be reasonably compensated for services rendered. Each Manager and members of any committee designated by the Board of Managers shall be reimbursed for actual expenses incurred in attending meetings.

Article X.

OFFICERS

Section 10.1. NUMBER. The Officers of the Company shall be the President, a Secretary and a Treasurer, each of whom shall be elected by the Board of Managers. Such other Officers and assistant Officers and agents as may be deemed necessary may be elected or appointed by the Board of Managers. Any two (2) or more offices may be held by the same person. The Board of Managers hereby elects Larry Buffington as the initial President and Chief Executive Officer of the Company to serve until his successor is duly elected or until his earlier resignation or removal.

16

Section 10.2. ELECTION AND TERM OF OFFICE. The Officers of the Company shall be elected annually by the Board of Managers at the regular meeting of the Managers held after each annual meeting of the Members. If the election of Officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Each Officer shall hold office until his successor shall have been duly elected and shall have qualified or until his earlier resignation, removal from office or death.

Section 10.3. REMOVAL AND RESIGNATION. Any Officer or agent elected or appointed by the Board of Managers may be removed by the Board of Managers with or without cause, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an Officer or agent shall not of itself create contract rights. Any Officer of the Company may resign at any time by giving written notice to the Board of Managers. Any such resignation shall take effect after time specified therein, or, if the time is not specified therein, upon its acceptance by the Board of Managers.

Section 10.4. VACANCIES. A vacancy, however occurring, in any office may be filled by the Board of Managers for the unexpired portion of the term.

Section 10.5. CHAIR. The Chair of the Board of Managers, if one is elected or appointed, shall preside at all meetings of the Board of Managers and shall have such other powers and duties as may from time to time be prescribed by the Board of Managers, upon written directions given to him or her pursuant to resolutions duly adopted by the Board of Managers.

Section 10.6. PRESIDENT. The President shall be the principal executive Officer of the Company and, subject to the control of the Board of Managers, shall in general supervise and control all of the business affairs of the Company. The President shall, when present, preside at all meetings of the Members and of the Board of Managers, unless the Board of Managers has elected a Chair of the Board of Managers and the Chair is present at such meeting. The President may sign deeds, mortgages, bonds, contracts, or other instruments which the Board of Managers has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Managers or by this Agreement to some other Officer or agent of the Company, or shall be required by law to be otherwise signed or executed; and in general shall perform all duties as from time to time may be assigned to him by the Board of Managers.

Section 10.7. VICE PRESIDENTS. If a Vice-President is elected or appointed, in the absence of the President or in the event of his death, inability or refusal to act, the Vice-President shall have the duties of the President, and when so acting, shall have all the powers of, and be subject to all the restrictions upon, the President. The Vice-President shall perform such other duties as from time to time may be assigned to him by the President or the Board of Managers.

Section 10.8. SECRETARY. The Secretary shall: (a) keep the minutes of all the meetings of the Members and the Board of Managers in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of this Agreement or as required by law; (c) be custodian of the Company records; (d) keep a register of the post office address of each Member; (e) have general charge of the Membership Unit transfer books of the Company, if the Company issues certificates representing such Membership Units; and (f) in general perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned to him by the President or by the Board of Managers.

17

Section 10.9. TREASURER. The Treasurer shall: (a) have charge and custody of and be responsible for all funds and securities of the Company; receive and give receipts for moneys due and payable to the Company from any source whatsoever, and deposit all such moneys in the name of the Company in such banks, trust companies or other depositories as shall be selected by the Board of Managers; and (b) in general perform all of the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to him by the President or by the Board of Managers. If required by the Board of Managers, the Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Managers shall determine.

Section 10.10. SALARIES. The salaries of the Officers shall be fixed from time to time by the Board of Managers and no Officer shall be prevented from receiving such salary by reason of the fact that he is also a Manager of the Company.

Article XI.

INDEMNIFICATION OF MEMBERS, MANAGERS AND DIRECTORS

Section 11.1. RIGHT TO INDEMNIFICATION. The Company shall indemnify the Members, Managers and Officers to the fullest extent allowed by law from all claims brought by third parties relating to or arising out of the Company's business. The Company shall indemnify and hold harmless the Members, Managers and Officers to the fullest extent permitted or authorized by the Act or future legislation or by current or future judicial or administrative decision (but, in the case of future legislation or decision, only to the extent that it permits the Company to provide broader indemnification rights than permitted prior to the legislation or decision), against all fines, liabilities, settlements, losses, damages, costs and expenses, including attorneys' fees, asserted against the Member, Manager and/or Officer or incurred by any of them in their capacity as Member, Manager and/or Officer or arising out of their status as Member, Manager and/or Officer, as the case may be. The foregoing right of indemnification shall not be exclusive of other rights to which those seeking indemnification may be entitled. The Company may maintain insurance, at its expense, to protect itself and the indemnified persons against all fines, liabilities, costs and expenses, including attorneys' fees, whether or not the Company would have the legal power to indemnify him directly against such liability.

Section 11.2. ADVANCES. Costs, charges and expenses (including attorneys' fees) incurred by a person referred to in Section 11.1 in defending a civil or criminal suit, action or proceeding shall be paid by the Company in advance of the final disposition thereof upon receipt of an undertaking to repay all amounts advanced if it is ultimately determined that the person is not entitled to be indemnified by the Company as authorized by this Article.

Section 11.3. SAVINGS CLAUSE. If this Article XI or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless the Members, Managers, Officers or any other person indemnified pursuant to this Article XI as to costs, charges and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative to the full extent permitted by any applicable portion of this Article XI that shall not have been invalidated and to the fullest extent permitted by applicable law.

Article XII.
ASSIGNMENT OF MEMBERSHIP UNITS

Section 12.1. GENERAL RESTRICTION ON ASSIGNMENT. Except as expressly permitted hereunder, no Member or Economic Interest Owner may Transfer all or any portion of, or any interest or rights in, their Membership Units or Economic Interest without the prior written consent of the Board of Managers (excluding Managers who are Affiliates of the transferring Member) (the “**Non-Affiliated Managers**”) or, if there are no Non-Affiliated Managers, then the consent of all of the Members other than the transferring Member (the “**Non-Affiliated Members**”). Each Member hereby acknowledges the reasonableness of this prohibition in view of the purposes of the Company and the relationship of the Members.

The Transfer of any Membership Units or Economic Interests in violation of the prohibition contained in this Section 12.1 shall be deemed invalid, null and void, and of no force and effect. Any Person to whom Membership Units are attempted to be Transferred in violation of this Section 12.1 shall not be entitled to vote on matters coming before the Members, participate in the management of the Company, act as an agent of the Company, receive distributions from the Company or have any other rights in or with respect to the Membership Units. Any person to whom an Economic Interest is attempted to be transferred in violation of this Section 12.1 shall not be entitled to receive distributions from the Company or have any other rights in or with respect to the Economic Interest.

For purposes of this Agreement, the term “**Transfer**”, or “**Transferred**”, when used in this Agreement with respect to the Membership Units or Economic Interests, includes a sale, assignment, gift, pledge, encumbrance or any other disposition, whether voluntary, by operation of law or otherwise, and “**transferee**” and “**transferor**” have corresponding meanings. Further, any such proposed Transfer must be accomplished by written instrument satisfactory in form and content to the Non-Affiliated Managers or Non-Affiliated Members (as the case may be), accompanied by such assurances of genuineness and effectiveness of signatures and the obtaining of any governmental approvals or legal opinions as the Non-Affiliated Managers or Non-Affiliated Members (as the case may be) may reasonably require and payment of any reasonable costs of transfer as the Non-Affiliated Managers or Non-Affiliated Members (as the case may be) may require and all transfer taxes as may be imposed.

In the event of a “**change of control**” (as defined hereinbelow) of the Class A Holder, the Class C Holder shall be deemed to have made an offer to sell all of his Membership Units and Economic Interests to the Company immediately prior to the effectuation of the change of control in accordance with the terms of Section 12.2 hereinbelow; *provided, however*, that for purposes of this provision, the per Membership Unit purchase price for the Offered Interest shall be the Fair Market Value (as defined in Article XVI hereinbelow) of the Offered Interest and the terms of payment shall be the payment terms set forth in Section 12.2(d) below. For purposes of this provision, the term “**change of control**” shall mean a transaction or series of transactions (related or unrelated) which result in the Class A Holder no longer owning, immediately after such transaction or series of transactions, in excess of fifty percent (50%) (determined by vote and value) of the issued and outstanding equity securities or beneficial interests of the Company.

Section 12.2. RIGHT OF FIRST REFUSAL. In addition to the general restrictions contained in Section 12.1 above, no Member or Economic Interest Owner may voluntarily Transfer any right, title or interest in its Membership Units or Economic Interest, or any part thereof, to any Person, unless the Member or Economic Interest Owner desiring to make the transfer, hereinafter referred to

19

as the “**Transferor**”, shall (a) have received a *bona fide* written offer to purchase such interest in the Company by an unrelated third party (the “**Proposed Transferee**”) and (b) have made an offer to tender to the Company for redemption all of the Transferor’s interest in the Company which the Transferor desires to sell, give or otherwise transfer to the Proposed Transferee (the “**Offered Interest**”) in the manner hereinafter described in this Section 12.2, and the offer shall not have been accepted.

(a) **Offer by Transferor.** The offer by a Transferor shall be given in writing to the Company and shall be accompanied by a copy of the written offer, proposal or contract, between the Transferor and the Proposed Transferee (hereinafter referred to as the “**Written Offer**”), and shall set forth the nature of the transaction (whether sale, gift, or other transfer), the name and address of the Proposed Transferee and the terms of the transaction, including an identification of the interest involved, the number of Membership Units involved, the purchase price, and the payment terms (hereinafter referred to as the “**Proposed Transaction**”). The offer by the Transferor shall consist of an offer to tender to the Company for redemption all of the Offered Interest at the price and upon the terms set forth in this Section 12.2 below.

(b) **Exercise of Option.** Within fifteen (15) days after the receipt of the offer, the Company shall have the option, but not the duty, to redeem all or any portion of the Offered Interest; *provided, however*, that the Company’s decision to accept or reject the offer shall be made by a vote of a majority of the Non-Affiliated Managers or, if there are no Non-Affiliated Managers, then by a Majority Vote of the Non-Affiliated Members. The election to redeem shall be exercised by the giving of notice thereof to the Transferor.

The notice of exercise of option shall specify a date for the closing of the redemption of the Offered Interest (hereinafter referred to as the “**Closing**” or the “**Closing Date**”), which shall not be less than thirty (30) days nor more than sixty (60) days after the expiration of the time within which the Company may exercise its option.

(c) **Redemption/Purchase Price.** If the Company elects to redeem all of the Offered Interest, the price for each Membership Unit of the Offered Interest shall be the price per Membership Unit set forth in the Written Offer.

(d) **Payment of Redemption/Purchase Price.** Upon any redemption under this Section 12.2, the redemption price shall be paid in accordance with the terms provided in the Written Offer.

(e) **Closing.** The Closing of a purchase under this Section 12.2 shall take place at the principal office of the Company on a date specified in writing in the written acceptance by the Company to the Transferor, unless the Transferor and the Company otherwise mutually agree on another place or date. At the Closing, the Transferor shall deliver, in exchange for the total purchase price, whether in cash or partially in cash and partially by promissory notes, as the case may be, the certificate, if any, representing the Offered Interest being transferred, duly endorsed, and such other documents as shall be necessary and reasonably required to conclude the transfer.

(f) **Release from Restriction.** If the Transferor’s offer to tender or sell is not accepted by the Company as to the entire interest of the Transferor, the Transferor may make a transfer to the prospective *bona fide* transferee of the entire Offered Interest, the transfer to

20

be made only in strict accordance with the terms of the Written Offer. If the Transferor shall fail to make the transfer within thirty (30) days following the expiration of the time hereinabove provided for the exercise of the election to purchase by the Company, the Membership Units of the Transferor shall again be subject to all the restrictions of this Agreement.

(g) **Continuance of Restrictions Upon Subsequent Owners.** In the event the Transferor makes a *bona fide* transfer of the Offered Interest under the provisions of this Section 12.2, then the Offered Interest transferred to the Proposed Transferee shall be subject to all the provisions of this Agreement. No Membership Units or Economic Interest shall be transferred on the books of the Company and no certificate evidencing such Membership Units or Economic Interest shall be issued to the Proposed Transferee unless and until the Proposed Transferee has executed a counterpart to this Agreement, the original of which shall be retained as part of the Company’s records. Failure of the Proposed Transferee to execute a counterpart to this Agreement, however, shall not affect the applicability of this Agreement to the Offered Interest, it being the intention of each Member and the Company that any and all subsequent owners of Membership Units and Economic Interests voluntarily transferred shall only receive and own the Membership Unit or Economic Interest subject to the same restrictions upon transfer and encumbrance as set forth in this Agreement, to which the Transferor was subject, including, without limitation, all of the provisions of this Article XII.

Section 12.3. INVOLUNTARY TRANSFER. In the event any Membership Units or Economic Interest are the subject of an involuntary Transfer, whether due to bankruptcy, assignment for benefit of creditors, judicial order, legal process, divorce, execution, attachment, enforcement of a pledge or other encumbrance, or otherwise (hereinafter referred to as the “**Affected Interest**”), the Member or Economic Interest Owner owning the Affected Interest shall be deemed to have made, immediately prior to such involuntary transfer, an offer first to tender to the Company for redemption all of the Affected Interest in the manner hereinafter described in this Section 12.3. There shall be no obligation or requirement that the Company redeem any of the Affected Interest under this Section 12.3, any redemption of the Affected Interest being solely upon election to do so. The Company may redeem all or any portion of the Affected Interest.

(a) **Exercise of Option.** If the Company elects to redeem all or any portion of the Affected Interest in accordance with this Section 12.3, the Company shall serve notice in writing of its election upon the Member owning the Affected Interest and the creditor(s) of the Member, spouse (in the event of a divorce) or other person or entity who is to be the recipient of the Affected Interest (hereinafter referred to collectively as the “**Transferor**”) within ninety (90) days after the Board of Managers shall have received actual notice of the involuntary transfer. The Company’s decision to accept or reject the offer shall be made by a majority vote of the Non-Affiliated Managers or, if there are no Non-Affiliated Managers, then by a Majority Vote of the Non-Affiliated Members.

The notice of exercise of option shall specify a date for the closing of the redemption of the Affected Interest (hereinafter referred to as the “**Closing**” or the “**Closing Date**”), which shall not be less than thirty (30) days nor more than ninety (90) days after the expiration of the time within which the Company may exercise its option.

(b) **Redemption/Purchase Price.** If the Company elects to redeem all or any portion of the Affected Interest, the price for each Membership Unit of the Affected Interest

21

shall be the **lesser of**: (i) the Fair Market Value (as defined in Article XVI hereinbelow) of the Affected Interest, or (ii) the total amount, including acquisition costs, if any, which had been due to the creditor of the Member who was to be the recipient of the Affected Interest.

(c) **Payment of Redemption/Purchase Price.** Upon any redemption under this Section 12.3, the redemption price shall be paid in the same manner provided in Section 12.2(d) above.

(d) **Closing.** The closing of a purchase under this Section 12.3 shall take place at the principal office of the Company on a date specified in writing in the written acceptance by the Company to the Transferor, unless the Transferor and the Company otherwise mutually agree on another place or date. At the Closing, the Transferor shall deliver, in exchange for the total purchase price, whether in cash or partially in cash and partially by promissory notes, as the case may be, the certificate, if any, representing the Affected Interest being transferred, duly endorsed, and such other documents as shall be necessary and reasonably required to conclude the transfer.

(e) **Continuance of Restrictions Upon Transferor.** In the event the “**deemed offer**” of the Transferor is not accepted by the Company as to all of the Affected Interest, then the portion of the Affected Interest not redeemed under this Section 12.3 may be transferred to the transferee/creditor subject to all of the provisions of this Agreement. The transferee/creditor shall execute a counterpart to this Agreement, the original of which shall be retained as part of the Company’s records. The failure of the transferee/creditor to execute a counterpart to this Agreement shall not affect the applicability of this Agreement to the Affected Interest, it being the intention of each Member and the Company that any and all subsequent owners of Membership Units or Economic Interests acquired pursuant to an involuntary transfer shall only receive and own the Membership Units or Economic Interests subject to the restrictions upon transfer and encumbrance as set forth in this Agreement to which the Original Member was subject.

Section 12.4. TERMINATION OF EMPLOYMENT. In the event that Larry Buffington's ("Buffington") employment with the Company is terminated for any reason (including but not limited to death, voluntary severance or permanent disability) (the "Terminating Event"), then the Company may redeem, within six (6) months after the Terminating Event, all of the Class C Units in the Company owned by Buffington on the following terms:

- (a) For twenty-percent (20%) of the Fair Market Value (as defined in Article XVI hereinbelow) of the Class C Units owned by Buffington if the Terminating Event occurs within one year of the effective date of this Agreement;
- (b) For forty-percent (40%) of the Fair Market Value (as defined in Article XVI hereinbelow) of the Class C Units owned by Buffington if the Terminating Event occurs within the second year after the effective date of this Agreement;
- (c) For sixty-percent (60%) of the Fair Market Value (as defined in Article XVI hereinbelow) of the Class C Units owned by Buffington if the Terminating Event occurs within the third year after the effective date of this Agreement;

22

(d) For eighty-percent (80%) of the Fair Market Value (as defined in Article XVI hereinbelow) of the Class C Units owned by Buffington if the Terminating Event occurs within the fourth year after the effective date of this Agreement.

(e) For the Fair Market Value (as defined in Article XVI hereinbelow) of the Class C Units owned by Buffington if the Terminating Event occurs within or after the fifth year after the effective date of this Agreement.

The redemption price shall be paid within ninety (90) days after the Company notifies Buffington or his successor of the election to redeem his Class C Units. The redemption price shall be paid in cash to the extent it will not impair the operations of the Company, and the balance shall be paid by a promissory note payable on the first anniversary of the Termination Event with interest at Prime Rate published in the *Wall Street Journal*, adjusted quarterly.

Section 12.5. WITHDRAWALS. No Member may withdraw from the Company, except upon the prior written consent of the Board of Managers.

Section 12.6. RIGHTS OF ASSIGNEE OF MEMBERSHIP UNITS. Unless the assignee of a Membership Unit is admitted as a Substituted Member as provided in Section 12.7, the assignee will be merely an Economic Interest Owner, and the assignee's rights shall be limited to sharing in the profits to which the assignor would otherwise have been entitled and to receiving the assignor's share of any proceeds and an accounting upon dissolution. The assignee shall have no right to vote on Company matters, exercise any purchase rights granted to Members hereunder, inspect Company books and records or otherwise participate in Company affairs and the interest of the assignee shall be disregarded for purposes of determining whether Members owning the required Membership Units have voted on any matter requiring a vote of the Members or in determining the total of the Membership Units outstanding for voting purposes. For example, in the event a judgment creditor obtains a charge against a Member's Membership Unit, pursuant to Section 608.433(4) of the Act, or any successor provision, then unless the judgment creditor is admitted as a Substituted Member, the judgment creditor will be merely an Economic Interest Owner and will not acquire any other rights of a Member. All remaining rights and interest in the Membership Units which were owned by the Transferring Member immediately prior to the Transfer and that were associated with the assigned Economic Interest (including, without limitation, the rights of the Transferring Member to participate in the management and affairs of the Company) shall immediately lapse until the Managers, in their sole discretion, reinstate such rights to the Economic Interest Owner or to a successor or transferee of such Economic Interest Owner.

Section 12.7. SUBSTITUTED MEMBER. An assignee of the whole or any portion of a Member's Membership Interests in the Company, validly assigned under this Article XII, may become a Substituted Member in the place of his assignor(s), to the extent of the Membership Interests validly assigned, if all of the following conditions are satisfied:

(a) A fully executed and acknowledged written instrument of assignment has been filed with the Company which sets forth the intention of the assignor(s) that the assignee become a Substituted Member in his/her place, to the extent of the Membership Interests assigned.

23

(b) The assignee executes, acknowledges and delivers to the Managers a written acceptance and adoption of the provisions of this Agreement, in form and substance acceptable to the Managers in their sole discretion.

(c) The assignee pays a transfer fee to the Company in an amount sufficient to cover all reasonable expenses connected with the admission of such person as a Substituted Member.

Section 12.8. SECURITIES LAWS. The Membership Units have not been registered under the Federal or state securities laws of any state and, therefore, may not be resold unless appropriate Federal and state securities laws, as well as the other provisions of this 25 have been complied with.

Section 12.9. INVALID TRANSFER. No Transfer of a Membership Unit or Economic Interest that is in violation of this Article XII shall be valid or effective, and the Company shall not recognize any improper transfer for the purposes of making allocations, payments of profits, return of capital contributions or other distributions with respect to such Membership Unit or Economic Interest. The Company may enforce the provisions of this Article XII either directly or indirectly or through its agents by entering an appropriate stop transfer order on its books or otherwise refusing to register or transfer or permit the registration or transfer on its books of any proposed transfers not in accordance with this Article XII.

Section 12.10. DISTRIBUTIONS AND ALLOCATIONS IN RESPECT OF A TRANSFERRED INTEREST. If any Member Transfers any part of a Membership Unit or Economic Interest in the Company during any accounting period in compliance with the provisions of this Article XII, Company income, gain, deductions and losses attributable to such interest for the respective period shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during the applicable accounting period in accordance with Code section 706(d), using the daily proration method. All Company distributions on or before the effective date of such transfer shall be made to the transferor and all such Company distributions thereafter shall be made to the transferee. Solely for purposes of making Company tax allocations and distributions, the Company shall recognize a transfer on the day following the day of transfer. Neither the Company nor any Member shall incur any liability for making Company allocations and distributions in accordance with the provisions of this Section 12.10.

Section 12.11. DRAG-ALONG RIGHTS. Notwithstanding anything in this Agreement to the contrary, in the event that either the Class A Holders or the Class B Holders elect to sell all of their Membership Units in a single transaction to a bona fide third party purchaser, either the Class A Holders or the Class B Holders, as the case may be, may require all of the other Members (the "Affected Members") to sell all of their Membership Units for the same price and on the same terms as those to be received by either the Class A Holders or the Class B Holders, as the case may be. In such case, the provisions of Sections 12.1 and 12.2 hereof shall not apply to such Transfer and the Affected Members shall be deemed to have made an offer to sell all of their Membership Units on such terms and conditions as those under which either the Class A Holder or the Class B Holder, as the case may be, will sell its Membership Units; provided, however, that the Affected Members shall have no liability regarding any representations made by either the Class A Holder or the Class B Holder, as the case may be, except representations relating to the Affected Members' ownership of the Membership

24

Units, their ability to deliver marketable title to such Membership Units and similar representations.

(b) Notwithstanding anything in this Agreement to the contrary, in the event that either the Class A Holders or the Class B Holders elect to sell all of their Membership Units in a single transaction to a bona fide third party purchaser, either the Class A Holders or the Class B Holders, as the case may be, shall require the bona fide third party purchaser to offer to the Affected Members to purchase all their Membership Units for the same price and on the same terms as those to be received by either the Class A or the Class B Holders, as the case may be. If the third party purchaser will not make such offer to the Affected Members, then the Class A Holders or the Class B Holders, as the case may be, shall not be allowed to sell their Membership Units to such third party purchaser.

Section 12.12. APPLICABILITY OF PROVISIONS TO CLASS A HOLDERS. The provisions of Sections 12.1 and 12.2 shall not apply to the Membership Units owned by any Class A Holder, and any Class A Holder may transfer any or all of its Membership Units without the consent of the Board of Managers or the Members, subject to the provisions of Section 12.12(b) below.

(b) At any time a Class A Holder reasonably anticipates that it has a good faith desire to sell some or all of its Membership Units, such Class A Holder shall notify the Class B Holders of that desire and determine whether the Class B Holders have an interest in purchasing all the Membership Units owned by such Holders (the "Offered Units"). If the Class B Holders, or any of them, have such an interest, they shall make an offer to purchase the Offered Units, and the parties will negotiate in good faith to enter into a definitive purchase agreement with respect thereto. If the parties have not entered into a definitive purchase agreement within ninety (90) days after the original notice from the Class A Holder, the Class A Holder may offer and sell the Offered Units to a third party purchaser (the "Third Party Purchaser"). If the Class A Holder shall fail to locate a Third Party Purchaser to purchase the Offered Units within one hundred eighty (180) days following the expiration of the time hereinabove provided for, the Offered Units shall again be subject to all the restrictions of this Agreement.

(c) Continuance of Restrictions Upon Subsequent Owners. In the event a Class A Holder sells the Offered Units to a Third Party Purchaser under the provisions of this Section 12.12, then the Offered Units transferred to the Third Party Purchaser shall be subject to all the provisions of this Agreement. No Membership Units or Economic Interest shall be transferred on the books of the Company and no certificate evidencing such Membership Units or Economic Interest shall be issued to the Third Party Purchaser unless and until the Third Party Purchaser has executed a counterpart to this Agreement, the original of which shall be retained as part of the Company's records. Failure of the Third Party Purchaser to execute a counterpart to this Agreement, however, shall not affect the applicability of this Agreement to the Offered Units, it being the intention of each Member and the Company that any and all subsequent owners of Membership Units and Economic Interests voluntarily transferred shall only receive and own the Membership Units or Economic Interests subject to the same restrictions upon transfer and encumbrance as set forth in this Agreement, to which the Class A Holder was subject, including the applicable provisions of this Article XII.

25

(d) With the exception of the application of Sections 12.1 and 12.2 to any Class A Holder, any transfer by any Class A Holder of any or all of its Membership Units shall be subject to the remaining Sections of this Article XII.

**Article XIII.
CONVERSION TO CORPORATE SOLUTION**

Subject to Section 9.6, the Board of Managers shall have the power and authority to effect the conversion of the Company's business form from a limited liability company to a corporation (for any reason whatsoever, including without limitation, a public offering of the Company's Capital Securities) or the merger of the Company with or into a new or previously-established but dormant corporation having no assets or liabilities, debts or other obligations of any kind whatsoever other than those associated with its formation and initial capitalization (such a conversion or merger is referred to as a "Conversion" and such corporation is referred to as "Newco").

Upon the consummation of a Conversion, the Units held by each holder thereof shall thereupon be converted into a number of shares of Newco's Capital Securities containing the economic and other terms and rights relative to each other holder of Units as the Board of Managers shall determine to be as nearly as practicable in all material respects the same as such holder's Units as provided herein. The Board of Managers' determination of the class (and the terms thereof and rights associated therewith) and number of shares of Newco Capital Securities that each Member receives upon a Conversion shall be final and binding on the holders of Units absent manifest arithmetic error.

In connection with a Conversion, each Member hereby covenants and agrees to take any and all such action and execute and deliver any and all such instruments and other documents as the Board of Managers may reasonably request in order to effect or evidence such Conversion. Without limiting the generality of the foregoing, no Member shall have or be entitled to exercise any dissenter's rights, appraisal rights or other similar rights in connection with such Conversion.

Article XIV. BOOKS AND RECORDS

Section 14.1. BOOKS AND RECORDS. The Board of Managers shall keep or cause to be kept complete books and records of the Company and supporting documentation of the transactions with respect to the conduct of the Company's business. These and all other records of the Company, including information relating to the Company's activities, information with respect to the sale by a Member or any Affiliate of goods or services to the Company, and a list of the names and business addresses of all Members shall be kept at the offices of the Company, or at such other location as may be determined by the Board of Managers, and shall be available for examination there by any Member, or his duly authorized representative, at reasonable times upon reasonable notice. Any Member, or his duly authorized representative, upon paying the costs of collection, duplication and mailing, shall be entitled to a copy of the list of names and addresses of the Members. The books and records shall be maintained in accordance with sound accounting practices.

The Company will also cause Liquidmetal Coatings Solutions, LLC, a Delaware limited liability company ("LMCS"), its wholly owned subsidiary, to keep complete books and records in the same manner as required above.

26

Section 14.2. CUSTODY OF MEMBER FUNDS; BANK ACCOUNTS

(a) The Board of Managers shall have fiduciary responsibility for the safekeeping and use of all funds and assets of the Company, whether or not in the immediate possession or control of the Board of Managers. The funds of the Company shall not be commingled with the funds of any other person and the Board of Managers shall not employ, or permit any other person to employ, such funds in any manner except for the benefit of the Company.

(b) All funds of the Company not otherwise invested shall be deposited in one or more accounts maintained in such banking institutions as the Board of Managers shall determine, and withdrawals shall be made only in the regular course of Company business on such signature or signatures as the Board of Managers may, from time to time, determine.

Section 14.3. ACCOUNTANTS. The accountants for the Company shall be such certified public accountants as shall be selected by the Board of Managers.

Section 14.4. SECTION 754 ELECTION. In the event of a distribution of Company Property (other than money) to a Member or upon a transfer of all or any part of the Membership Units of a Member, the Board of Managers may in their sole and absolute discretion, upon the written request of the Member receiving the distribution or the transferee of the Membership Units, as the case may be (the "Electing Member"), elect pursuant to Section 754 of the Code, to adjust the basis of the Company's property in the manner provided in Sections 734 and 743 thereof, respectively. Each Member agrees to furnish the Company with all information necessary to give effect to such election. The election will be filed with the Company information tax return for the first taxable year to which the election applies. If the Board of Managers decide to make the Section 754 election, the Electing Member will be responsible for all additional accounting costs incurred by the Company as a result of the Electing Member's request to make the election under Code Section 754.

Section 14.5. FISCAL YEAR. The fiscal year of the Company shall be the calendar year.

Section 14.6. TAX MATTERS PARTNER. LMT shall be the "Tax Matters Partner" of the Company for purposes of Section 6231(a)(7) of the Code. The Tax Matters Partner shall have the power and authority, subject to the review and control of the Board of Managers, to manage and control, on behalf of the Company, any administrative proceeding at the Company level with the Internal Revenue Service relating to the determination of any item of Company income, gain, loss, deduction or credit for federal income tax purposes. The Tax Matters Partner may be removed, and a new Tax Matters Partner appointed, by the Board of Managers in accordance with the Code and the Treasury Regulations.

Section 14.7. ANNUAL FINANCIAL STATEMENTS AND TAX RETURN INFORMATION. The Company shall provide to C³ Capital Partners, L.P. ("C³"), and C³ Capital Partners II, L.P. ("C³ II"), as soon as available, and, in any event, within one hundred and twenty (120) days after the end of each fiscal year of the Company, beginning with the fiscal year ending December 31, 2007, a copy of the annual consolidated financial statements of the Company and LMCS for such fiscal year containing balance sheets, statements of income, retained earnings and cash flows at the end of such fiscal year, in each, except for the fiscal year ending December 31, 2007, setting forth in comparative form the figures for the preceding fiscal year (if any), all in reasonable detail and audited and certified by independent certified public accountants of recognized

27

standing reasonably acceptable to C³ and C³ II, to the effect that such report has been prepared in accordance with GAAP. Within ninety (90) days after the end of each Tax year, Company shall provide sufficient information with respect to the Company for such Tax year necessary for C³ and C³ II to prepare their federal, state and local income Tax Returns. The Company shall provide copies of the federal, state and local income Tax Returns of the Company for each Tax year promptly after the filing thereof.

Section 14.8. MONTHLY FINANCIAL STATEMENTS. In the event the Escrow Agent does not receive the Required Documents with respect to one or more holders of Notes or Other Creditors by September 1, 2007, the Escrow Agent shall return the Escrow Funds to C₃ and BMW.

4. Limitation of Liability. IN NO EVENT SHALL ESCROW AGENT BE LIABLE TO LMT, LMC, C₃, OR BMW, DIRECTLY OR INDIRECTLY, FOR ANY (I) DAMAGES OR EXPENSES ARISING OUT OF THE SERVICES PROVIDED HEREUNDER, OTHER THAN DAMAGES WHICH RESULT FROM THE ESCROW AGENT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OR (II) SPECIAL OR CONSEQUENTIAL DAMAGES, EVEN IF THE ESCROW AGENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

5. Escrow Agent's Rights and Responsibilities. To induce Escrow Agent to act hereunder, LMT, LMC, C₃ and BMW hereby agree that:

(a) Escrow Agent shall be entitled to rely upon any opinion, order, decision, notice, affidavit, direction, or other writing delivered to it hereunder without being required to determine the authenticity or the correctness of any fact stated therein that is believed by Escrow Agent in good faith to be genuine and to have been signed or presented by the proper person. Escrow Agent shall not be responsible for the sufficiency of the execution or for the genuineness of documents or instruments delivered to it under this Agreement or for any lack of endorsement thereon or for a description therein, nor shall Escrow Agent be responsible or liable on account of the identity, authority, or rights of the person executing or delivering or purporting to execute or deliver any such document or instrument;

(b) Escrow Agent may act, and shall be fully protected and shall incur no liability in acting, in reliance upon advice of counsel in reference to any matter connected with this Agreement and shall not be liable for any mistake of fact or error in judgment, or for any acts or omissions of any kind, unless caused by its bad faith or willful misconduct;

(c) LMT, LMC, C₃ and BMW, jointly and severally, shall indemnify Escrow Agent from, and hold Escrow Agent harmless against, any loss, liability, cost, or expense relating to breach of this Agreement, including, without limitation, reasonable attorneys' fees and expenses, incurred by Escrow Agent, unless caused by its bad faith or willful misconduct arising out of, or in connection with, Escrow Agent carrying out its duties and responsibilities under this Agreement.

3

6. Disputes. In the event of any disagreement between any of the parties hereto resulting in adverse claims and demands being made in connection with the Escrow Funds, the Escrow Agent shall be entitled to refuse to comply with any demand or claim, as long as such disagreement shall continue, and in so refusing to make any delivery or other disposition of the Escrow Funds, the Escrow Agent shall not be or become liable to any of the parties hereto for its refusal to comply with such conflicting or adverse demands, and the Escrow Agent shall be entitled to refuse and refrain to act until:

(a) The rights of the adverse claimants shall have been fully and finally adjudicated in a court having jurisdiction over the parties and the Escrow Funds, or

(b) All differences shall have been reconciled by a written agreement signed by LMT, LMC, C₃, and BMW, and the Escrow Agent shall have received an original execution copy of same.

7. Resignation of Escrow Agent. The Escrow Agent may resign or be removed, at any time, for any reason, by written notice of its resignation or removal to the proper parties at their respective addresses as set forth herein, at least 10 business days before the date specified for such resignation or removal to take effect. Upon the effective date of such resignation or removal:

(a) The Escrow Funds shall be delivered by the Escrow Agent to such successor escrow agent as may be designated in writing by LMT, LMC, C₃ and BMW, whereupon the Escrow Agent's obligations hereunder shall cease and terminate; or

(b) If no such successor Escrow Agent has been designated by such date, the Escrow Agent's sole obligation thereafter shall be to keep the Escrow Funds and to deliver the same to a person designated in writing by LMT, LMC, C₃ and BMW or in accordance with the directions of a final order or judgment of a court of competent jurisdiction.

8. Severability. Any invalidity, in whole or in part, of any provision of this Escrow Agreement shall not affect the validity or enforceability of any other provisions of this Escrow Agreement.

9. Amendment of Agreement. The Escrow Agent shall not be bound by any amendment of this Escrow Agreement and no amendment shall be effective unless:

(a) The amendment is in writing; and

(b) The amendment is executed by all the parties hereto.

Exhibit C

Form of Buffington Employment Agreement

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT (this "Agreement") is made and entered into effective as of July 24, 2007 (the "Effective Date"), by and between **LIQUIDMETAL COATINGS, LLC**, a Delaware limited liability company (the "Company"), and **LARRY BUFFINGTON**, an individual residing in the State of Texas (the "Employee").

RECITALS

WHEREAS, the Employee desires to be employed by the Company upon the terms and conditions set forth in this Agreement; and

WHEREAS, the Company desires to assure itself of the Employee's continued employment in the capacities set forth herein.

NOW, THEREFORE, in consideration of the foregoing recitals and for other good and valuable consideration, the parties hereto covenant and agree as follows:

1. **EMPLOYMENT**. THE COMPANY HEREBY EMPLOYS EMPLOYEE, AND THE EMPLOYEE HEREBY ACCEPTS SUCH EMPLOYMENT, UPON THE TERMS AND CONDITIONS SET FORTH IN THIS AGREEMENT.

2. **TERM**. SUBJECT TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, THE PROVISIONS FOR TERMINATION SET FORTH IN SECTION 5 HEREOF, THE EMPLOYMENT OF THE EMPLOYEE UNDER THIS AGREEMENT SHALL COMMENCE ON THE EFFECTIVE DATE AND SHALL CONTINUE THROUGH THE CLOSE OF BUSINESS ON FIFTH (5TH) ANNIVERSARY OF THE EFFECTIVE DATE (THE "**INITIAL TERM**"). UPON THE EXPIRATION OF THE INITIAL TERM, THE EMPLOYEE'S EMPLOYMENT WITH THE COMPANY WILL CONTINUE ON AN "AT-WILL" BASIS AND MAY BE TERMINATED BY EMPLOYEE OR THE COMPANY FOR ANY REASON AND AT ANY TIME, PROVIDED THAT THE TERMINATING PARTY SHALL PROVIDE AT LEAST NINETY (90) DAYS PRIOR WRITTEN NOTICE OF THE TERMINATION TO THE OTHER PARTY (UNLESS THE TERMINATION IS FOR CAUSE AS DEFINED IN THIS AGREEMENT, IN WHICH CASE THE EMPLOYEE'S EMPLOYMENT MAY BE TERMINATED IMMEDIATELY). NOTWITHSTANDING THE EXPIRATION OR TERMINATION OF EMPLOYEE'S EMPLOYMENT, THE PROVISIONS OF THIS AGREEMENT OTHER THAN THOSE OF SECTIONS 2, 4, AND 5 SHALL REMAIN IN FULL FORCE AND EFFECT. ALL OTHER PROVISIONS OF THIS AGREEMENT, INCLUDING BUT WITHOUT LIMITATION, SECTIONS 1, 6, AND 7, SHALL SURVIVE THE EXPIRATION OF THE INITIAL TERM. NOTWITHSTANDING THE EXPIRATION OF THE THIS AGREEMENT OR THE TERMINATION OF EMPLOYMENT BY ANY MEANS BY ANY PARTY, SECTIONS 2, 6, AND 7 OF THIS AGREEMENT SHALL SURVIVE AND REMAIN FULLY ENFORCEABLE.

3. **DUTIES**. EMPLOYEE WILL INITIALLY SERVE AS PRESIDENT AND CHIEF EXECUTIVE OFFICER OF THE COMPANY AND REPORT TO THE BOARD OF MANAGERS OF THE COMPANY. EMPLOYEE WILL BE BASED AT THE COMPANY'S PRINCIPAL EXECUTIVE OFFICES LOCATED IN OR AROUND HOUSTON, TEXAS. EMPLOYEE WILL DEVOTE THE NECESSARY BUSINESS TIME, ATTENTION, SKILL, AND ENERGY TO THE BUSINESS OF THE COMPANY, WILL USE THE EMPLOYEE'S BEST EFFORTS TO PROMOTE THE SUCCESS OF THE COMPANY'S BUSINESS, AND WILL COOPERATE FULLY WITH THE BOARD OF MANAGERS IN THE ADVANCEMENT OF THE BEST INTERESTS OF THE COMPANY. FURTHERMORE, THE EMPLOYEE SHALL ASSUME AND COMPETENTLY PERFORM SUCH REASONABLE RESPONSIBILITIES AND DUTIES AS MAY BE ASSIGNED TO THE EMPLOYEE FROM TIME TO TIME BY THE BOARD OF MANAGERS OF THE COMPANY OR THEIR DESIGNEE. TO THE EXTENT THAT THE COMPANY SHALL HAVE ANY PARENT COMPANY, SUBSIDIARIES, AFFILIATED CORPORATIONS, PARTNERSHIPS, OR JOINT VENTURES OTHER THAN LIQUIDMETAL TECHNOLOGIES, INC. (COLLECTIVELY "RELATED ENTITIES"), THE EMPLOYEE SHALL PERFORM SUCH DUTIES TO PROMOTE THESE ENTITIES AND TO PROMOTE AND PROTECT THEIR RESPECTIVE INTERESTS TO THE SAME EXTENT AS THE INTERESTS OF THE COMPANY WITHOUT ADDITIONAL COMPENSATION. IN ADDITION, EMPLOYEE MAY, UPON THE AGREEMENT OF LIQUIDMETAL TECHNOLOGIES, INC., CONTINUE TO SERVE AS PRESIDENT AND CHIEF EXECUTIVE OFFICER OF LIQUIDMETAL TECHNOLOGIES, INC.

4. **COMPENSATION**.

(a) **Annual Base Salary**. As compensation for Employee's services and in consideration for the Employee's covenants contained in this Agreement, the Company shall pay the Employee an annual base salary of \$250,000.00. The annual base salary may be adjusted upward (but not downward) in the sole discretion of the Board of Managers of the Company. For purposes of this Agreement, the term "Salary Year" means the one year, 365-day period (or 366 day period for a leap year) that begins on the Effective Date and each successive one year period thereafter.

(b) **Bonuses**. In addition to the Employee's annual base compensation, during each fiscal year during the term of the Employee's employment hereunder, the Employee shall be entitled to an annual performance bonus upon terms and conditions more particularly established by the Board of Managers of the Company. The annual performance bonus will be in an amount up to 50% of Employee's base salary (the "Maximum Bonus Amount"), payable as follows: (i) 25% of the Maximum Bonus Amount will be paid if the Company meets its EBITDA target (as established by the Board of Managers) for the applicable fiscal year, (ii) an additional 25% of the Maximum Bonus Amount will be paid if the Company meets its debt repayment target (as established by the Board of Managers) for the applicable fiscal year, and (iii) the remaining Maximum Bonus Amount (or any portion thereof) will be paid only at the discretion of the Board of Managers based on any factor or consideration that the Board of Managers, in its sole discretion, deems relevant.

2

(c) Reimbursement of Expenses. The Employee shall be reimbursed for all reasonable and customary travel and other business expenses incurred by Employee in the performance of Employee's duties hereunder, provided that such reimbursement shall be subject to, and in accordance with, any expense reimbursement policies and/or expense documentation requirements of the Company that may be in effect from time to time.

(d) Other Benefits. During the term of the Employee's employment hereunder, the Employee shall be eligible to participate in a health insurance plan selected by the Company. The Company shall pay 100 % of the premium of such health insurance plan. Also, Employee will, during his employment hereunder, be entitled to an automobile allowance in the amount of \$800.00 per month.

(e) Vacation. The Employee shall be entitled to four (4) weeks paid vacation during each Salary Year during the term of the Employee's employment hereunder. Vacation shall be taken at such times and with such notice so as not to disrupt or interfere with the business of the Company. Unused vacation from a particular Salary Year will carry over to succeeding Salary Years, but only up to a maximum of four (4) weeks may be carried into any succeeding Salary Year.

5. TERMINATION.

(a) Death. The Employee's employment under this Agreement shall terminate immediately upon Employee's death. In the event of a termination pursuant to this Section 5(a), the Employee's estate shall be entitled to receive any unpaid base salary, bonuses or benefits owing to Employee up through and including the date of the Employee's death.

(b) Disability. If, during the term of the Employee's employment hereunder, the Employee becomes physically or mentally disabled in the determination of a physician appointed or selected by the Company, or, if due to any physical or mental condition, the Employee becomes unable for a period of more than sixty (60) days during any six-month period to perform Employee's duties hereunder on substantially a full-time basis as determined by a physician selected by the Company, the Company may, at its option, terminate the Employee's employment upon not less than thirty (30) days written notice. In the event of a termination pursuant to this Section 5(b), the Employee shall be entitled to receive any unpaid base salary, bonuses or benefits owing to Employee up through and including the effective date of termination.

(c) Termination By Company With Cause. The Company may terminate the Employee's employment at any time with Cause. As used in this Agreement, "Cause" shall include the following: (1) the Employee's failure or inability to perform Employee's duties under this Agreement; (2) dishonesty or other serious misconduct; (3) the commission of an unlawful act material to Employee's employment; (4) a material violation of the Company's policies or practices which reasonably justifies immediate termination; (5) committing, pleading, guilty, nolo contendere or no contest (or their equivalent) to, entering into a pretrial intervention or diversion program regarding, or conviction of, a felony or any crime or act involving moral turpitude, fraud, dishonesty, or misrepresentation; (6) the commission by the Employee of any act which could reasonably affect or impact to a material degree the interests of the Company or Related

3

Entities or in some manner injure the reputation, business, or business relationships of the Company or Related Entities; (7) the Employee's inability to perform an essential function of Employee's position; or (8) any material breach by Employee of this Agreement. The Company may terminate this Agreement for Cause at any time without notice. In the event of a termination for Cause, the Company shall be relieved of all its obligations to the Employee provided for by this Agreement as of the effective date of termination, and all payments to the Employee hereunder shall immediately cease and terminate as of such date, except that Employee shall be entitled to receive any unpaid base salary, bonuses or benefits owing to Employee up to and including the effective date of termination, provided, however, that the Employee's obligations under Sections 6 and 7 shall survive such a termination for Cause and any liabilities or obligations which have accrued and are owed by the Employee to the Company shall not be extinguished or released thereby.

(d) Termination By Company Without Cause. In addition to the other termination provisions of this Agreement, the Company may terminate the Employee's employment at any time and for any reason and without cause (a "Termination Without Cause"). In the event of a Termination Without Cause, the Employee shall continue to receive the Employee's base salary (as then in effect) through the later of one year after the date of the Termination Without Cause or the end of the Initial Term (the "Severance Period"). In addition to the severance pay described in the preceding sentence, the Employee shall continue to receive, during the Severance Period, all employee health and welfare benefits that Employee would have received during the Severance Period in the absence of such termination, but only to the extent that the Company is permitted to continue providing such benefits after termination in accordance with the applicable employee benefit plans. Employee agrees and acknowledges, however, that Employee will forfeit the right to receive base salary and benefits during the Severance Period immediately upon the Employee's breach of any covenant set forth in Section 6 of this Agreement. The Employee will also forfeit the right to salary and benefits during the Severance Period upon accepting employment with another employer with comparable salary and benefits hereunder shall be forfeited and shall cease upon the Employee becoming eligible for benefits from the Employee's new employer. Notwithstanding the foregoing, the termination of the Employee's employment pursuant to the second sentence of Section 2 of this Agreement shall not constitute a Termination Without Cause and shall not give rise to any severance payment or other benefits pursuant to this Section 5(d).

4

6. NONCOMPETITION, NONSOLICITATION, AND NONDISCLOSURE COVENANTS.

(a) Rationale for Restrictions. Employee acknowledges that Employee's services hereunder are of a special, unique, and extraordinary character, and Employee's position with the Company places Employee in a position of confidence and trust with customers, suppliers, and other persons and entities with whom the Company and its Related Entities have a business relationship. The Employee further acknowledges that the rendering of services under this Agreement will require the disclosure to Employee of Confidential Information (as defined below) including Trade Secrets of the Company relating to the Company and/or Related Entities, and the Company hereby agrees to provide such Confidential Information. As a consequence, the Employee agrees that it is reasonable and necessary for the protection of the goodwill and legitimate business interests of the Company and Related Entities that the Employee make the covenants contained in this Section 6, that such covenants are a material inducement for the Company to employ the Employee and to enter into this Agreement, and that the covenants are given as an integral part of and incident to this Agreement.

(b) Noncompetition and Nonsolicitation Covenants. As used herein, the term "Restrictive Period" means the time period commencing on the Effective Date of this Agreement and ending on the second (2nd) anniversary of the date on which the Employee's employment by the Company (or any Related Entity) expires or is terminated for any reason, including both a termination by the Company for Cause and a Termination Without Cause. In addition, the term "Covered Business" means any business which is the same as, or similar to, any business conducted by the Company or any of the Related Entities at any time during the Restrictive Period. The Employee agrees that the Employee will not engage in any of the following acts anywhere in the world during the Restrictive Period:

- (i) directly or indirectly engage or invest in; own, manage, operate, finance, control, or participate in the ownership, management, operation, financing, or control of; be employed by, associated with, or in any manner connected with; lend the Employee's name or any similar name to; lend Employee's credit to; or render services or advice to, any business which competes with, is engaged in, or carries on any aspect of a Covered Business;
- (ii) directly or indirectly assist, promote or encourage any existing or potential employees, customers, clients, or vendors of the Company or any Related Entity, as well as any other parties which have a business relationship with the Company or a Related Entity, to terminate, discontinue, or reduce the extent of their relationship with the Company or a Related Entity;
- (iii) directly or indirectly solicit business of the same or similar type as a Covered Business, from any person or entity known by the Employee to be a customer or client of the Company, whether or not the Employee had contact with such person or entity during the Employee's employment with the Company;

5

- (iv) disparage the Company, any Related Entities, and/or any shareholder, director, officer, employee, or agent of the Company or any Related Entity; and/or
- (v) engage in any practice the purpose of which is to evade the provisions of this Section 6 or commit any act which adversely affects the Company, any Related Entity, or their respective businesses.

Employee acknowledges that Employee's services hereunder are of a special, unique, and extraordinary character, and Employee's position with the Company places Employee in a position of confidence and trust with customers, suppliers, and other persons and entities with whom the Company and its Related Entities have a business relationship. The Employee further acknowledges that the rendering of services under this Agreement will likely require the disclosure to Employee of Confidential Information (as defined below) and Trade Secrets (as defined below) of the Company relating to the Company and/or Related Entities. As a consequence, the Employee agrees that it is reasonable and necessary for the protection of the goodwill and legitimate business interests of the Company and Related Entities that the Employee make the covenants contained in this Section 6, that such covenants are a material inducement for the Company to employ the Employee and to enter into this Agreement, and that the covenants are given as an integral part of and incident to this Agreement. Accordingly, the Employee agrees that the geographic scope of the above covenants is a reasonable means of protecting the Company's (and the Related Entities') legitimate business interests. Notwithstanding the foregoing covenants, nothing set forth in this Agreement shall prohibit the Employee from owning the securities of (i) corporations which are listed on a national securities exchange or traded in the national over-the-counter market in an amount which shall not exceed 5% of the outstanding shares of any such corporation or (ii) any corporation, partnership, firm or other form of business organization which does not compete with, is not engaged in, and does not carry on any aspect of, either directly or indirectly through a subsidiary or otherwise, any Covered Business.

(c) Disclosure of Confidential Information. The Employee acknowledges that the inventions, innovations, software, Trade Secrets, business plans, financial strategies, finances, and all other confidential or proprietary information with respect to the business and operations of the Company and Related Entities are valuable, special, and unique assets of the Company. Accordingly, the Employee agrees not to, at any time whatsoever either during or after the Employee's term of employment with the Company, disclose, directly or indirectly, to any person or entity, or use or authorize any person or entity to use, any confidential or proprietary information with respect to the Company or Related Entities without the prior written consent of the Company, including, without limitation, information as to the financial condition, results of operations, identities of clients or prospective clients, products under development, acquisition strategies or acquisitions under consideration, pricing or cost information, marketing strategies, passwords or codes or any other information relating to the Company or any of the Related Entities which could be reasonably regarded as confidential (collectively referred to as "Confidential Information"). However, the term "Confidential Information" does not include any information which is or shall become generally available to the public other than as a result of disclosure by the Employee or by any person or entity which the Employee knows (or which the Employee reasonably should know) has a duty of confidentiality to the Company or a

6

Related Entity with respect to such information. In addition to the foregoing, Company will be fully entitled to all of the protections and benefits afforded by the any applicable law. "Trade Secret" shall mean information, including a formula, pattern, compilation, program, device, method technique, or process that derives independent economic value, actual or potential, from being not generally known to, and not being readily ascertainable by proper means by, other persons who can derive economic value from its disclosure or use, including but not limited to the patented information and processes as well as the unpatented information and processes comprising, underlying, arising from, and associated with Liquidmetal Coatings sold by the Company.

(d) Removal and Return of Proprietary Items. The Employee will not remove from the Company's premises (except to the extent such removal is for purposes of the performance of the Employee's duties at home or while traveling, and under such conditions and restrictions as are specifically authorized and/or required by the Company) or transmit by any means, electronic or otherwise, any document, record, notebook, plan, model, component, device, computer software or code, or Confidential Information or Trade Secret whether embodied in a disk or in any other form, including electronic form (collectively, the "Proprietary Items"). The Employee recognizes that, as between the Company and the Employee, all of the Proprietary Items, whether or not developed by the Employee, are the exclusive property of the Company. Upon termination of Employee's employment with the Company by either party (regardless of the reason for termination), or upon the request of the Company during the term of employment, the Employee will return to the Company all of the Proprietary Items in the Employee's possession or subject to the Employee's control, and the Employee shall not retain any copies, abstracts, sketches, or other physical embodiment of any of the Proprietary Items, Confidential Information, Trade Secret or any part thereof.

(e) Enforcement and Remedies. In the event of any breach of any of the covenants set forth in this Section 6, the Employee recognizes that the remedies at law will be inadequate and that in addition to any relief at law which may be available to the Company for such violation or breach and regardless of any other provision contained in this Agreement, the Company shall be entitled to equitable remedies (including an injunction) and such other relief as a court may grant after considering the intent of this Section 6. Additionally, the period of time applicable to any covenant set forth in this Section 6 will be extended by the duration of any violation by Employee of such covenant. In the event a court of competent jurisdiction determines that any of the covenants set forth in this Section 6 are excessively broad as to duration, geographic scope, prohibited activities or otherwise, the parties agree that this covenant shall be reduced or curtailed to the extent, but only to the extent, necessary to render it enforceable.

7

7. EMPLOYEE INVENTIONS.

(a) Definition. For purposes of this Agreement, "Employee Invention" means any idea, invention, technique, modification, process, or improvement (whether patentable or not), any industrial design (whether registrable or not), any mask work, however fixed or encoded, that is suitable to be fixed, embedded or programmed in a semiconductor product (whether recordable or not), and any work of authorship (whether or not copyright protection may be obtained for it) created, conceived, or developed by the Employee, either solely or in conjunction with others, during the Employee's employment with the Company or during the ninety (90) day period following such employment, that relates in any way to, or is useful in any manner in, the businesses then being conducted or proposed to be conducted by the Company or any Related Entity.

(b) Ownership of Employee Inventions. Employee agrees and acknowledges that all Employee Inventions will belong exclusively to the Company and that all Employee Inventions are works made for hire and the property of the Company, including any copyrights, patents, semiconductor mask protection, or other intellectual property rights pertaining thereto. If it is determined that any such works are not works made for hire, the Employee hereby assigns to the Company all of the Company's right, title, and interest, including all rights of copyright, patent, semiconductor mask protection, and other intellectual property rights, to or in such Employee Inventions. The Employee covenants that the Employee will promptly:

- (i) disclose to the Company in writing any Employee Invention;
- (ii) assign to the Company or to a party designated by the Company, at the Company's request and without additional compensation, all of the Employee's right to the Employee Invention for the United States and all foreign jurisdictions;
- (iii) execute and deliver to the Company such applications, assignments, and other documents as the Company may request in order to apply for and obtain patents or other registrations with respect to any Employee Invention in the United States and any foreign jurisdictions;
- (iv) sign all other papers necessary to carry out the above obligations; and
- (v) give testimony and render any other assistance in support of the Company's rights to any Employee Invention.

8. ESSENTIAL AND INDEPENDENT COVENANTS. THE EMPLOYEE'S COVENANTS IN SECTIONS 6 AND 7 OF THIS AGREEMENT ARE INDEPENDENT COVENANTS, AND THE EXISTENCE OF ANY CLAIM BY THE EMPLOYEE AGAINST THE COMPANY UNDER THIS AGREEMENT OR OTHERWISE WILL NOT EXCUSE THE EMPLOYEE'S BREACH OF ANY COVENANT IN SECTION 6 OR 7. THE COVENANTS OF SECTIONS 6 AND 7 SHALL SURVIVE THE TERMINATION, EXTINGUISHMENT, OR LAPSE OF THIS AGREEMENT UNDER ANY CIRCUMSTANCES, EVEN IF THIS AGREEMENT IS TERMINATED BY EITHER PARTY, WHETHER FOR CAUSE OR NOT FOR CAUSE.

8

9. REPRESENTATIONS AND WARRANTIES BY THE EMPLOYEE. THE EMPLOYEE REPRESENTS AND WARRANTS TO THE COMPANY THAT THE EXECUTION AND DELIVERY BY THE EMPLOYEE OF THIS AGREEMENT DO NOT, AND THE PERFORMANCE BY THE EMPLOYEE OF THE EMPLOYEE'S OBLIGATIONS HEREUNDER WILL NOT, WITH OR WITHOUT THE GIVING OF NOTICE OR THE PASSAGE OF TIME, OR BOTH: (A) VIOLATE ANY JUDGMENT, WRIT, INJUNCTION, OR ORDER OF ANY COURT, ARBITRATOR, OR GOVERNMENTAL AGENCY APPLICABLE TO THE EMPLOYEE, OR (B) CONFLICT WITH, RESULT IN THE BREACH OF ANY PROVISIONS OF OR THE TERMINATION OF, OR CONSTITUTE A DEFAULT UNDER, ANY AGREEMENT TO WHICH THE EMPLOYEE IS A PARTY OR BY WHICH THE EMPLOYEE IS OR MAY BE BOUND, INCLUDING, WITHOUT LIMITATION, ANY NONCOMPETITION AGREEMENT OR SIMILAR AGREEMENT. EMPLOYEE FURTHER REPRESENTS AND WARRANTS THAT HE FULLY AND COMPLETELY UNDERSTANDS THIS AGREEMENT AND THAT HE HAS ENGAGED IN NEGOTIATIONS WITH THE COMPANY AND HAS EITHER CONSULTED WITH AN ATTORNEY OF HIS CHOICE OR HAS HAD AMPLE OPPORTUNITY TO DO SO AND IS FULLY SATISFIED WITH THE OPPORTUNITY HE HAS HAD.

10. NOTICES. FOR PURPOSES OF THIS AGREEMENT, NOTICES AND ALL OTHER COMMUNICATIONS PROVIDED FOR HEREIN SHALL BE IN WRITING AND SHALL BE DEEMED TO HAVE BEEN DULY GIVEN WHEN HAND-DELIVERED, SENT BY FACSIMILE TRANSMISSION (AS LONG AS RECEIPT IS ACKNOWLEDGED), OR MAILED BY UNITED STATES CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, POSTAGE PREPAID, ADDRESSED TO THE ADDRESS OR FACSIMILE NUMBER FOR EACH PARTY SET FORTH ON THE SIGNATURE PAGE HERETO, OR TO SUCH OTHER ADDRESS OR FACSIMILE NUMBER AS EITHER PARTY MAY HAVE FURNISHED TO THE OTHER IN WRITING IN ACCORDANCE HERewith, EXCEPT THAT A NOTICE OF CHANGE OF ADDRESS SHALL BE EFFECTIVE ONLY UPON RECEIPT.

11. MISCELLANEOUS. NO PROVISION OF THIS AGREEMENT MAY BE MODIFIED OR WAIVED UNLESS SUCH WAIVER OR MODIFICATION IS AGREED TO IN WRITING SIGNED BY BOTH OF THE PARTIES HERETO. NO WAIVER BY ANY PARTY HERETO OF ANY BREACH BY ANY OTHER PARTY HERETO SHALL BE DEEMED A WAIVER OF ANY SIMILAR OR DISSIMILAR TERM OR CONDITION AT THE SAME OR AT ANY PRIOR OR SUBSEQUENT TIME. THIS AGREEMENT IS THE ENTIRE AGREEMENT BETWEEN THE PARTIES HERETO WITH RESPECT TO THE EMPLOYEE'S EMPLOYMENT BY THE COMPANY, AND THERE ARE NO AGREEMENTS OR REPRESENTATIONS, ORAL OR OTHERWISE, EXPRESSED OR IMPLIED, WITH RESPECT TO OR RELATED TO THE EMPLOYMENT OF THE EMPLOYEE WHICH ARE NOT SET FORTH IN THIS AGREEMENT. THIS AGREEMENT SHALL BE BINDING UPON, AND INURE TO THE BENEFIT OF, THE COMPANY, ITS RESPECTIVE SUCCESSORS AND ASSIGNS, AND THE EMPLOYEE AND EMPLOYEE'S HEIRS, EXECUTORS, ADMINISTRATORS AND LEGAL REPRESENTATIVES. THE DUTIES AND COVENANTS OF THE EMPLOYEE UNDER THIS AGREEMENT, BEING

9

PERSONAL, MAY NOT BE DELEGATED OR ASSIGNED BY THE EMPLOYEE WITHOUT THE PRIOR WRITTEN CONSENT OF THE COMPANY, AND ANY ATTEMPTED DELEGATION OR ASSIGNMENT WITHOUT SUCH PRIOR WRITTEN CONSENT SHALL BE NULL AND VOID AND WITHOUT LEGAL EFFECT. THE PARTIES AGREE THAT IF ANY PROVISION OF THIS AGREEMENT SHALL UNDER ANY CIRCUMSTANCES BE DEEMED INVALID OR INOPERATIVE, THE AGREEMENT SHALL BE CONSTRUED WITH THE INVALID OR INOPERATIVE PROVISION DELETED AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES SHALL BE CONSTRUED AND ENFORCED ACCORDINGLY. THIS AGREEMENT MAY BE ASSIGNED BY THE COMPANY WITHOUT THE CONSENT OF THE EMPLOYEE, PROVIDED, HOWEVER, THAT THE EMPLOYEE IS GIVEN NOTICE OF THE ASSIGNMENT.

12. GOVERNING LAW; RESOLUTION OF DISPUTES. THE VALIDITY, INTERPRETATION, CONSTRUCTION, AND PERFORMANCE OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS WITHOUT REGARD TO PRINCIPLES OF CHOICE OF LAW OR CONFLICTS OF LAW THEREUNDER. ANY ACTION OR PROCEEDING SEEKING TO ENFORCE ANY PROVISION OF, OR BASED ON ANY RIGHT ARISING OUT OF, THIS AGREEMENT MAY BE BROUGHT AGAINST EITHER OF THE PARTIES IN THE COURTS OF THE STATE OF TEXAS, COUNTY OF HARRIS OR MONTGOMERY, OR, IF IT HAS OR CAN ACQUIRE JURISDICTION, IN THE FEDERAL COURTS LOCATED IN, HARRIS COUNTY OR MONTGOMERY COUNTY, TEXAS, AND EACH OF THE PARTIES CONSENTS TO THE JURISDICTION OF SUCH COURTS (AND OF THE APPROPRIATE APPELLATE COURTS) IN ANY SUCH ACTION OR PROCEEDING AND WAIVES ANY OBJECTION TO VENUE LAID THEREIN. PROCESS IN ANY ACTION OR PROCEEDING REFERRED TO IN THE PRECEDING SENTENCE MAY BE SERVED ON EITHER PARTY ANYWHERE IN THE WORLD. THE PARTIES HERETO AGREE THAT HAVING VENUE AND JURISDICTION SOLELY IN TEXAS IS REASONABLE IN THAT THE HEADQUARTERS FOR THE COMPANY WILL BE IN HARRIS COUNTY OR MONTGOMERY COUNTY, TEXAS AND THAT SITE FOR LITIGATION IS THE MOST CENTRAL FOR SUCH MATTERS. THE PARTIES HEREBY WAIVE A JURY TRIAL IN ANY LITIGATION ARISING UNDER OR RELATING TO THIS AGREEMENT OR THE PARTICIPATION OF THE EMPLOYEE WITH THE COMPANY. THIS AGREEMENT SHALL NOT BE CONSTRUED AGAINST EITHER PARTY BUT SHALL BE CONSTRUED WITHOUT REGARD TO THE PARTICIPATION OF EITHER PARTY IN THE DRAFTING OF THIS AGREEMENT OR ANY PART THEREOF.

13. COUNTERPARTS; FACSIMILE SIGNATURES. THIS AGREEMENT MAY BE EXECUTED IN ONE OR MORE COUNTERPARTS, EACH OF WHICH SHALL BE DEEMED AN ORIGINAL, BUT ALL OF WHICH TOGETHER SHALL CONSTITUTE ONE AND THE SAME INSTRUMENT. SERVICES AGREEMENT

THIS SERVICES AGREEMENT is made as of the 24th day of July, 2007 (the "Agreement"), by and between **Liquidmetal Coatings, LLC**, a Delaware limited liability company, ("LMC"), and **Liquidmetal Technologies, Inc.** (or "LMT"). LMT and LMC may collectively be referred to as the "Parties." Capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Asset Purchase Agreement (as defined below).

WITNESSETH:

WHEREAS, the Parties have entered into an Asset Purchase Agreement of even date herewith (the "Asset Purchase Agreement"), pursuant to which, among other things, LMC purchased from the LMT the Purchased Assets (as defined in the Asset Purchase Agreement); and

WHEREAS, LMC manufactures and sells industrial coatings materials and provides application services of industrial coatings from its facilities and offices (the "Business"); and

WHEREAS, subject to the terms and provisions hereof, LMC desires to engage LMT to provide certain services to LMC and LMT desires to provide such services to LMC.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants and other agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto covenant and agree as follows:

1. ADMINISTRATIVE AND INFORMATION TECHNOLOGY ("IT") SERVICES. SUBJECT TO THE TERMS AND PROVISIONS OF THIS AGREEMENT, LMC HEREBY RETAINS LMT TO PROVIDE THE FOLLOWING SERVICES DURING THE TERM OF THIS AGREEMENT (THE "ADMINISTRATIVE SERVICES") AND LMT HEREBY ACCEPTS THE ENGAGEMENT ON THE TERMS SET FORTH IN THIS AGREEMENT:

- 1.1. LMC hereby engages LMT, and LMT hereby accept such engagement, to provide day-to-day administrative and technology services to and for LMC, including but not limited to financial management, audit and Sarbanes-Oxley support, IT support, human resources support and other general or administrative support.
- 1.2. LMC shall maintain one or more bank accounts. LMC may provide LMT with authority to deposit customer receipts into such accounts, make payments from such accounts or to invest such funds in connection with the cash management system employed by LMC. The handling of receipts and disbursements with respect to such bank accounts shall be in accordance with customary business practices.
- 1.3. LMT shall maintain, supervise and from time to time revise and amend management, financial and informational systems in support of the operations of LMC, including

but not limited to those required for accounting, inventory management, purchasing, sales order processing and e-mail.

- 1.4. LMT may negotiate agreements and contracts for and on behalf of LMC in the usual course of business in such areas as general liability insurance, property insurance and directors and officers insurance.
- 1.5. LMT shall have the right to act as the agents of LMC in the procuring of licenses, permits and other approvals.
- 1.6. Notwithstanding any provision in this Agreement, the full authority and responsibility for the day-to-day operation of LMC shall, during the term of this Agreement, be and remain in LMC, and LMT shall have no rights or duties except as set forth in this Agreement. LMT shall exercise commercially reasonable efforts at all times during the term of this Agreement in providing administrative and IT services as efficiently and economically as practicable. LMT shall exercise good faith efforts not to expend more than a reasonable sum of money for any goods purchased or services engaged on behalf of LMC.
- 1.7. LMC's engagement of LMT with respect to the Administrative and IT Services is not exclusive. As between LMC and LMT, LMT will have the primary day-to-day responsibilities with respect to the Administrative and IT services, but LMC will retain the authority to direct LMT. Therefore, notwithstanding any provision in this Agreement, LMC will have the right, but not the obligation, to oversee, review and monitor LMT in its performance of services and its exercise of rights and powers pursuant to this Agreement, and LMT will follow all policies and directives of LMC provided to LMT in writing with respect to the Administrative and IT Services.
- 1.8. LMT shall, subject to the direction of LMC, perform the duties set forth on Exhibit A hereto.

2. REIMBURSEMENT OF EXPENSES. LMC WILL REIMBURSE LMT FOR ITS DIRECT, OUT-OF-POCKET EXPENSES INCURRED IN CONNECTION WITH THE PROVISION OF THE SERVICES REQUIRED BY THIS AGREEMENT, INCLUDING (I) ITS REASONABLE OUT OF POCKET EXPENSES IN CONNECTION WITH TRAVEL, LODGING AND MEALS; (II) ITS REASONABLE LEGAL FEES, ACCOUNTING, AND OTHER PROFESSIONAL FEES INCURRED ON BEHALF OF LMC (PROVIDED, HOWEVER, THAT LMT WILL NOT ENGAGE ATTORNEYS, ACCOUNTANTS OR OTHER PROFESSIONALS WITHOUT THE PRIOR APPROVAL OF LMC), AND (III) OTHER DIRECT EXPENSES INCURRED ON BEHALF OF LMC. EXCEPT AS SET FORTH IN SECTION 6 BELOW, LMT WILL NOT BE REIMBURSED FOR ANY OF ITS INDIRECT OR OVERHEAD EXPENSES. LMC MAY ESTABLISH REASONABLE POLICIES IN CONNECTION WITH THE SUBMISSION OF VOUCHERS AND EVIDENCE REGARDING EXPENSES TO BE REIMBURSED, BUT ANY CHANGE IN POLICY WILL NOT APPLY TO ANY EXPENSES INCURRED BY LMT PRIOR TO THE DATE IT RECEIVES WRITTEN NOTICE OF SUCH CHANGE TO THE EXTENT THAT THE CHANGE WOULD LIMIT OR RESTRICT THEIR REIMBURSEMENT RIGHT. LMT WILL NOT BE

REQUIRED TO INCUR ANY EXPENSES IN CONNECTION WITH ITS PROVISION OF SERVICES HEREUNDER TO THE EXTENT THAT SUCH EXPENSES ARE NOT REIMBURSABLE BY LMC.

3. **RELATIONSHIP OF THE PARTIES.** LMT and LMC affirmatively state that they do not have the intention and are not forming a joint venture, partnership, association or other relationship for tax or any other purposes. The relationship between LMT and LMC created under this Agreement is that of an agent (LMT) contracting with a principal (LMC) as independent contractors.

4. **INDEMNIFICATION.**

(a) LMC agrees to indemnify and hold harmless LMT and its members, officers, employees and agents (collectively, the "LMT Indemnified Parties") from and against any and all losses, claims, damages, liabilities, costs and expenses (including reasonable attorneys' fees and expenses related to the defense of any claims) (a "Loss"), which may be asserted against any of the LMT Indemnified Parties as a result of the provision of services pursuant to this Agreement (including acts and omissions relating thereto), but only if such Loss has not been caused by the willful misconduct (including a willful breach of this Agreement) of LMT.

(b) LMT agrees to indemnify and hold harmless LMC and its members, officers, employees and agents (collectively, the "LMC Indemnified Parties") from and against all Losses which may be asserted against any of LMC Indemnified Parties as a result of the willful misconduct (including a willful breach of this Agreement) of LMT in connection with the performance by LMT of its duties hereunder or the exercise by LMT of its rights and powers hereunder if such Loss has not been caused by the gross negligence or willful misconduct (including a willful breach of this Agreement) of any of LMC Indemnified Parties.

3

(b) Upon the filing of a voluntary petition in bankruptcy or for reorganization under any bankruptcy law, or a petition for the appointment of a receiver for all or any substantial portion of the property of LMT;

3.3. Quarterly Payment. Royalties shall be paid to Licensor on a quarterly basis within twenty (20) days following the end of each calendar quarter.

3.4. Late Fees. In the event Licensee is late in making payments to Licensor under any provision of this Agreement, for each month (or portion thereof) that such payments are late, Licensee shall pay Licensor a late charge equal to the lesser of one and one-half percent (1.5%) of the late payment or the maximum rate permitted by law multiplied by the amount of the payment that is late (including any prior accumulated late charges).

3.5. Taxes. All payments due hereunder shall be paid without deduction for taxes, assessments, or other charges of any kind or description that may be imposed on Licensor by any government except the federal government of the United States with respect to any amounts payable to Licensor pursuant to this Agreement, and such taxes, assessments, and other charges shall be paid for and assumed by Licensee.

3.6. Currency. All payments specified in this Agreement shall be made in United States Dollars. Licensee shall pay all amounts owed to Licensor by wire transfer of immediately available funds unless otherwise agreed upon in writing between the parties.

3.7. Expiration of Patent. Licensee's obligation to pay royalties in respect of a Licensed Patent shall end upon the expiration of such Licensed Patent.

3.8. Royalty on Materials Not Sold Separately. The parties acknowledge that some of the Licensed Products will not be sold separately, but rather will be sold in combination with or as parts of other products or services. For example, some products sold by Licensee may be include in application projects which involve services, materials and other costs. In all such cases, where Licensed Products are not sold separately, but are sold in combination with or as parts of other products or services, the Net Sales Price of the Licensed Products so sold shall be calculated for the purpose of computing royalties due by determining the portion of the total Net Sales Price attributable to the Licensed Products as if the Licensed Products had been sold independently in similar quantities and terms.

3.9. **Sublicense Revenue.** Licensee shall pay to Licensor an amount equal to fifty percent (50%) of Sublicensing Revenues actually received by Licensee or any Affiliate of Licensee. Consideration received by Licensee in the form of equity or other securities shall be paid to Licensor in kind (provided that such a transfer of securities is permitted), and consideration received in the form of goods shall be paid to Licensor in cash based upon the fair market value of such goods actually received.

5

Article 4. REPORTS AND AUDITS

4.1. **Reports.** Licensee shall keep accurate and sufficient records to determine amounts owed to Licensor under this Agreement. Licensee shall make a written report detailing the basis for any computations to Licensor within thirty (30) days following each calendar quarter. Along with such reports, Licensee shall transmit payment for the royalty shown to be due. In the event no royalty is due, the report shall so state. Records necessary for the computation of amounts payable by Licensee under this Agreement shall be maintained by Licensee for a period of five (5) years following each accounting report due hereunder.

4.2. **Audits.** Such records of Licensee shall be open to inspection by an auditor selected by Licensor during regular business hours of Licensee. Such records shall only be used by Licensor or its agents to determine the accuracy of the royalties paid and reports submitted. Licensor shall bear the expenses of the auditor it selects, except Licensee shall reimburse Licensor for such expenses in the event the total underpayment of royalties identified during the audit exceeds the cost of the audit. If royalties due as determined by the audit are greater than royalties actually paid by Licensee, Licensee will be invoiced for the difference, along with interest at the rate specified in Section 3.5 (Late Fees) hereof.

6

Article 5. NO WARRANTIES

EXCEPT FOR THE SPECIFIC PROVISIONS OF THIS AGREEMENT, EACH PARTY EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES REGARDING THE TECHNOLOGY LICENSED HEREUNDER, WHETHER EXPRESS, IMPLIED, STATUTORY, OR ARISING OUT OF CUSTOM OR TRADE USAGE, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. THE PARTIES MAKE NO WARRANTIES WITH RESPECT TO FREEDOM FROM ALLEGED INFRINGEMENT OF THIRD PARTY PATENTS OR FREEDOM FROM THIRD PARTY INFRINGERS, AND LICENSOR IS NOT UNDER ANY OBLIGATION TO HOLD LICENSEE HARMLESS AGAINST SUCH ALLEGED INFRINGEMENT OF THIRD PARTY PATENTS NOR TO ENFORCE ITS PATENT PROPERTIES AGAINST ALLEGED INFRINGERS. NOTHING IN THIS AGREEMENT SHALL BE DEEMED TO BE A REPRESENTATION OR WARRANTY BY LICENSOR OF THE ACCURACY, SAFETY, OR USEFULNESS FOR ANY PURPOSE OF ANY TECHNICAL INFORMATION, TECHNIQUES, OR PRACTICES AT ANY TIME MADE AVAILABLE BY LICENSOR. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY LICENSOR OR LICENSOR'S AUTHORIZED REPRESENTATIVES SHALL CREATE A WARRANTY OR REPRESENTATION. THIS SECTION SHALL BE ENFORCEABLE TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

LMC shall likewise promptly inform LMT as to any proposal to remove from the market any such as described above on account of suspected nonconformity with applicable product quality or safety standards, improper labeling, possibility of consumer harm, and/or violation of any law or regulation.
- (f) LMC shall be permitted to sublicense the Trademark to any third party that complies with the usage conditions and restrictions set forth in this Section 6.1, including without limitation that the sublicensee may only use the Trademark in connection with the marketing and sale of the products and services in LMC's Coatings Business. LMC shall cause any such sublicense to comply with the terms, conditions, and restrictions of this Section 6.1.

Article 7. TECHNICAL ASSISTANCE AND SUPPORT

The right of a party to terminate this Agreement shall be in addition to and not in lieu of any other right or remedy that the terminating party may have at law or in equity.
- (b) **Bankruptcy.** This Agreement may be terminated immediately by a party in the event the other party becomes insolvent, files or has filed against it a petition under any chapter of the United States Bankruptcy Code (or any similar petition under the insolvency law of an applicable jurisdiction) and such petition is not dismissed within thirty (30) days, proposes any dissolution, liquidation, financial reorganization, or re-capitalization with creditors, or makes an assignment or trust

8

mortgage for the benefit of creditors, or if a receiver, trustee, custodian, or similar agent is appointed or takes possession of any property or business of such other party.

(c) **Patent Expiration.** The grant of rights in the LMT Licensed Patents shall terminate upon the expiration of the last to expire of the LMT Licensed Patents. The grant of rights in the LMC Licensed Patents shall terminate upon the expiration of the last to expire of the LMC Licensed Patents.

Article 9.
CONFIDENTIALITY

9.1. **Terms of Agreement.** Each party agrees not to disclose any terms of this Agreement to any third party without the consent of the other party; provided, however, that disclosures may be made as required by securities or other applicable laws; or by either party to its accountants, attorneys, and other professional advisors. Neither party shall release any publicity or information concerning this Agreement without the other party's prior written approval, which shall not be unreasonably withheld or delayed, provided that the parties agree to issue a jointly-written press release following the execution of this Agreement.

9.2. **Restrictions on Disclosure and Use.**

(a) **Restrictions and Covenants.** Except as otherwise provided herein, each party agrees that, in its capacity as the Recipient of Confidential Information, it will (i) hold the Discloser's Confidential Information in strict confidence, use a high degree of care in safeguarding the Discloser's Confidential Information, and take all precautions necessary to protect the Discloser's Confidential Information including, at a minimum, all precautions the Recipient normally employs with respect to its own Confidential Information, (ii) not divulge any of the Discloser's Confidential Information or any information derived therefrom (including results of tests on material samples) to any other person (except as set forth in Section 9.2(b) (Disclosure to Representatives) hereof), (iii) not make any use whatsoever at any time of the Discloser's Confidential Information except as is necessary in the performance of Recipient's specific duties under this Agreement, (iv) not copy, reverse engineer, alter, modify, break down, melt down, disassemble or transmit any of the Discloser's Confidential Information, (v) not, within the meaning of United States or other export control laws or regulations, export or re-export, directly or indirectly, including but not limited to export on the Internet or other network service, any of the Discloser's Confidential Information, (vi) notify the Discloser in writing immediately upon discovery by the Recipient or its Representatives of any unauthorized use or disclosure of the Discloser's Confidential Information, and (vii) upon the termination or expiration of this Agreement, immediately return to the Discloser or destroy (at the option of the Recipient) all such Confidential Information, including all originals, copies and extracts.

9

(b) **Disclosure to Representatives.** The Recipient may only disseminate the Discloser's Confidential Information to its Representatives who have been informed of the Recipient's obligations under this Agreement and are bound by an obligation of confidentiality and non-use with respect to the Discloser's Confidential Information at least as broad in scope as the Recipient's obligations under this Agreement. The Recipient agrees to reasonably restrict disclosure of the Discloser's Confidential Information to the smallest number of the Recipient's Representatives which have a need to know the Confidential Information. The Recipient shall be responsible for enforcing this Agreement as to the Recipient's Representatives and shall take such action (legal or otherwise) to the extent necessary to cause them to comply with this Agreement.

(c) **Trade Secrets.** Any trade secrets of the Discloser will also be entitled to all of the protections and benefits of applicable trade secret law, and the Recipient agrees to be bound by all applicable trade secret laws, unfair competition laws, and any other similar laws with respect to the Discloser's Confidential Information. If any Confidential Information that the Discloser deems to be a trade secret is found by a court of competent jurisdiction not be a trade secret under applicable law, such Confidential Information will nevertheless still be protected by this Agreement.

(d) **Protection of Licensed Technical Information by Licensee.** Licensee acknowledges and agrees that the Licensed Technical Information derives economic value from not being generally known to other persons who can obtain economic value from its disclosure or use. Therefore, without the express written consent of Licensor, Licensee covenants and agrees that it, its employees, contractors, representatives, successors, assigns, affiliates, parents, subsidiaries, officers, directors, and the like will (1) hold the Licensed Technical Information in strict confidence, use a high degree of care in safeguarding the Licensed Technical Information, and take all precautions reasonably necessary to protect the Licensed Technical Information including, without limitation, all precautions Licensee normally takes with respect to its own most sensitive and confidential information, (2) not divulge any of the Licensed Technical Information or any information derived therefrom to any person other than Licensor, (3) not make any use whatsoever at any time of the Licensed Technical Information except in furtherance of Licensee's obligations to Licensor and as necessary to produce Licensed Products in accordance with the license granted under this Agreement, (4) not, within the meaning of United States or other export control laws or regulations, export or re-export, directly or indirectly, including but not limited to export on the Internet or other network service, any of the Licensed Technical Information, and (5) notify Licensor in writing immediately upon discovery of any unauthorized use or disclosure of the Licensed Technical Information by Licensee or its employees or any third party.

(e) **Enforcement.** Licensee acknowledges and agrees that due to the unique nature of the Licensed Technical Information and other Confidential Information of Licensor, there can be no adequate remedy at law for any breach of its obligations hereunder, which breach may result in irreparable harm to Licensor, and therefore, that upon any such breach or any threat thereof, Licensor shall be entitled to appropriate equitable relief, including injunction, without the requirement of posting a bond, in addition to whatever remedies it might have at law.

(f) **Exceptions.** The restrictions on the Recipient's disclosure and use of the Discloser's Confidential Information under this Section 9.2 will not apply to the extent of any Confidential Information:

(i) that becomes publicly known without breach of the Recipient's or its Representatives' obligations under this Agreement;

10

(ii) that is rightfully acquired by Recipient from a third party which is not subject to any restriction or obligation (whether contractual, fiduciary, or otherwise) on disclosure or use of such Confidential Information;

(iii) that is independently developed by employees of the Recipient without knowledge of or reference to such Confidential Information, as evidenced by written documentation or other tangible evidence of Recipient;

(iv) that is required to be disclosed by law or by court order or government order, provided that the Recipient (a) promptly notifies the Discloser of any such disclosure requirement so that the Discloser may seek an appropriate protective order (or other appropriate protections), and (b) provides reasonable assistance (at no cost to the Recipient) in obtaining such protective order or other form of protection; or

(v) as to which and to the extent to which the Recipient has received express written consent from an authorized officer of the Discloser to disclose or use.

9.3. **Third Party Information.** Each party represents and warrants to the other that it is free to divulge, without any obligation to or violation of the rights of any third party, any and all information which it will demonstrate, divulge, or in any other manner make known to the other pursuant to this Agreement. Each party shall indemnify and hold harmless the other from and against any and all liability, loss, cost, expense, damage, claim or demand for actual violation of the rights of any third party in any trade secret, proprietary know-how, or other confidential information by reason of the other party's receipt of information disclosed hereunder. The foregoing provision shall not be construed to affect or diminish the obligations of confidentiality and non-disclosure of the parties as provided in this Article 9 (Confidentiality).

Article 10.

- 10.7. **Governing Law.** This Agreement, the legal relations between the parties, and any action, whether contractual or non-contractual, instituted by any party with respect to matters arising under or growing out of or in connection with or in respect of this Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware (U.S.A.), excluding any choice of law rules that may direct the application of the laws of another jurisdiction, and except that questions affecting the construction and effect of any Patent shall be determined by the law of the country in which the Patent has been granted.
10.8. **Resolution of Disputes.** The parties irrevocably agree that any legal actions or proceedings brought by or against them with respect to this Agreement shall be brought exclusively in the state or federal courts in and for Orange County, California, and by execution and delivery hereof, the parties irrevocably submit to such jurisdiction and hereby irrevocably waive any and all objections which they may have with respect to venue in any of the above courts. 10.10. **Entire Agreement.** This Agreement sets forth the complete agreement of the parties concerning the subject matter hereof. No claimed oral agreement in respect thereto shall be considered as any part hereof. Form of Promissory Note for Upward Purchase Price Adjustment

PROMISSORY NOTE

\$155,298.00 Effective as of _____, 2007

FOR VALUE RECEIVED, the undersigned LIQUIDMETAL COATINGS, LLC ("Maker"), promises to pay to the order of LIQUIDMETAL TECHNOLOGIES, INC. ("Holder") or any subsequent holder of this Promissory Note (this "Note"), at 30452 Esperanza, Rancho Santa Margarita, CA 92688 or at such other place as Holder may designate, the principal sum of the Upward Purchase Price Adjustment, as that term is defined in the Asset Purchase and Contribution Agreement between Maker and Holder, or One Hundred Fifty Five Thousand Two Hundred Ninety Eight Dollars (\$155,298.00), together with any accrued interest thereon, which shall be due and payable upon the following terms and conditions contained in this Note.

- 1. The outstanding principal balance of this Note shall be due and payable on the date that is forty-five (45) calendar days after the date hereof. This Note may be prepaid, either in whole or in part, at any time without penalty.
2. The outstanding principal amount of this Note shall bear interest at a rate equal to the Prime Rate (as defined below) plus .5%, calculated on a 360-day year basis. The "Prime Rate," as used in this Note, shall mean that rate of interest announced from time to time by Bank of America, N.A. as its "prime rate," it being understood and agreed that such rate shall not necessarily be the lowest rate then offered by Bank of America, N.A. to its most

creditworthy borrowers. Any change in the Prime Rate shall be effective as of the beginning of the day on which such change is announced to become effective.

3. The remedies under this Note shall be cumulative. Failure of the Holder to exercise any of its rights and remedies under this Note shall not constitute a waiver of the right to exercise the same at that or any other time. All rights and remedies of the Holder for default under this Note shall be cumulative to the greatest extent permitted by law. If there is any default under this Note, and this Note is placed in the hands of an attorney for collection or is collected through any court, including any bankruptcy court, Maker promises to pay to the Holder the Holder's reasonable attorneys' fees and court costs incurred in collecting or attempting to collect this Note or enforcing the Holder's rights hereunder.

4. This Note shall be governed by and construed in accordance with the laws of the State of Delaware, without reference to principles of choice of law thereunder. The venue for any judicial or arbitration proceedings arising out of this Note or the obligations hereunder shall be in the state courts of the State of Texas. As it is the intent of all parties to this transaction to abide by the interest limitations of any applicable usury law, it is expressly agreed, anything herein to the contrary notwithstanding, that the Holder shall not be allowed or entitled to collect any interest (or any sum which is considered interest by law) which is in excess of any legal rate

applicable hereto. Should any amount be collected hereunder which would cause the interest to exceed said lawful rate, such part of said amount in excess of the lawful rate shall automatically be credited to principal, or, if all principal amounts have been paid, shall be refunded to the Maker. The provisions of this Note are hereby modified to the extent necessary to conform with the limitations and provisions of this paragraph. This paragraph shall govern over all other provisions in any document or agreement now or hereafter existing. Maker shall pay all documentary stamp taxes on this Note. EACH OF THE PARTIES HERETO IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING (INCLUDING ANY COUNTERCLAIM) ARISING OUT OF OR BASED UPON THIS NOTE.

The decision of a majority of the three appraisers shall be binding on all the parties and the Company shall bear all appraisal costs.

(b) Upon the receipt of any Put Notice by the Company, the Company will be obligated to purchase all Put Equity requested to be repurchased in the Put Notice, at a mutually agreeable time and place which will in no event be later than 90 days after the date of the Company's receipt of the Put Notice (the "**Put Closing**").

(c) At the Put Closing, the Purchasers selling Put Equity shall deliver to the Company certificates representing the Put Equity held by such Purchasers and the Company shall deliver to such holder the product of (i) the Put Price multiplied by (ii) the number of units of Put Equity owned by such holder by cashier's or certified check or wire transfer of immediately available funds payable to such Purchasers. The Company will undertake Diligent Efforts (as defined below) during the 90-day period immediately following the receipt of the Put Notice to finance the payment of the Put Price in accordance with this Section so that the Put Price may be paid in full in cash, but only to the extent such financing can be obtained on commercially reasonable terms. Such

17

diligent efforts ("**Diligent Efforts**") shall include, but shall not be limited to, pursuing private or public offerings of equity or debt securities, restructuring of the Company's debt and other recapitalizations. In the event that, notwithstanding such Diligent Efforts, the Company is unable to purchase all of the Put Equity at a Put Closing in cash within such 90-day period, the Company will at such Put Closing pay the maximum portion of the Put Price which it is legally able to pay in cash and pay the remaining portion of the Put Price which it is not able to pay in cash by issuing to the holders of Put Equity promissory notes (the "**Put Notes**") accruing interest at an annual rate equal to 12% per annum (but in no event greater than the highest rate permitted under the SBIC Regulations) (payable quarterly) and payable on demand, and such Put Notes shall be subordinate in right of payment to the Senior Debt (if any Senior Debt is then outstanding) on terms and conditions no less favorable than the contained in the Note; provided, that the interest on a Put Note shall increase by one additional percentage point up to 19% per annum (but in no event greater than the highest rate permitted under the SBIC Regulations) for each 90-day period after the Put Closing at which such Put Note was issued. In no event shall the term of the Put Notes exceed twenty-four (24) months. After a Put Closing, the Company will continuously undertake Diligent Efforts to arrange debt and/or equity financing in order to retire Put Notes for cash and will provide to the holders of such Put Notes any information regarding the Company's efforts to obtain such financing as is reasonably requested by any such holder of Put Notes. For the avoidance of doubt, Put Notes shall be deemed to be "notes issued in exchange for Securities" and as a result the provisions of this Agreement applicable to the same shall apply in all circumstances to all Put Notes.

(d) The Company shall not be required to pay cash or property to repurchase Put Equity to the extent the sole reason for not doing so is that it is prohibited from doing so under applicable law due to a lack of surplus; provided, that the Company will take all reasonable steps necessary to make such payments under this Section, including without limitation reducing its capital and/or increasing its net assets (by re-appraisal or otherwise). The Company shall deliver an Officer's Certificate to the Purchaser that specifies the provision of law on account of which the Company is so precluded from making such payment and the action that the Company is taking to remedy the same.

(e) Notwithstanding anything contained herein to the contrary, if the Company is not able to pay the Put Price in full in cash within 90 days after the delivery of a Put Notice, the Purchasers may rescind the exercise of the put option at such Purchaser's election by delivering written notice to the Company within 30 days after the Company notifies each such electing Purchaser that it will be unable to pay the Put Price in full in cash. If the Company fails to satisfy its obligations pursuant to this Section the Purchasers may pursue any and all rights and remedies at law or in equity.

Each Purchaser possesses all requisite company power and authority and all licenses, certifications, permits and authorizations necessary to own and operate its properties, to carry on its businesses as now conducted and presently proposed to be conducted and to carry out the transactions contemplated by the Investment Documents.

7.2 Due Authorizations.

Transactions have been duly and validly authorized by all necessary action on the part of each Purchaser. This Agreement has been, and each of the other Investment Documents when executed, will be, duly executed and delivered by Purchaser and constitute legal, valid and binding obligations of Purchaser enforceable in accordance with their respective terms, except as such enforcement may be limited by (i) bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting the rights and remedies of creditors, and (ii) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law).

7.3 Purchaser's Investment Representations.

Each Purchaser, severally and not jointly, hereby represents that:

- (a) Purchase Entirely for Own Account. This Agreement is made with such Purchaser in reliance upon such Purchaser's representation to the Company, which by such Purchaser's execution of this Agreement, such Purchaser hereby confirms, that the Securities purchased hereby will be acquired for investment for such Purchaser's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that such Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same.
- (b) Reliance upon Purchaser's Representations. Such Purchaser understands that the Securities are not registered under the Securities Act on the ground that the sale provided for in this Agreement and the issuance of the Securities hereunder is exempt from registration under the Securities Act pursuant to Section 4(2) thereof, and that the Company's reliance on such exemption is predicated on such Purchaser's representations set forth herein.
- (c) Investment Experience; Economic Risk. Such Purchaser understands that the Company has a limited financial and operating history and that an investment in the Company involves substantial risks. Such Purchaser is experienced in evaluating and investing in private placement transactions of securities of companies in a similar stage of development to that of the Company and acknowledges that such Purchaser is able to fend for himself, herself or itself. Such Purchaser has such knowledge and experience in financial and business matters that such Purchaser is capable of evaluating the merits and risks of the investment in the Securities. Such Purchaser can bear the economic risk of such Purchaser's investment and is able, without impairing such Purchaser's financial condition, to hold the Securities for an indefinite period of time and to suffer a complete loss of such Purchaser's investment.
- (d) Accredited Purchaser. Such Purchaser is an "accredited investor" as defined in Rule 501(a) of Regulation D promulgated under the Securities Act.
- (e) Restricted Securities. Such Purchaser understands that the Securities are characterized as "restricted securities" under the federal securities laws inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that under such federal securities laws and applicable regulations such

Securities may be resold without registration under the Securities Act only in certain limited circumstances. In this connection, such Purchaser represents that it is aware of the provisions of Rule 144 promulgated under the Securities Act which permit limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things, the existence of a public market for the shares, the availability of certain current public information about the Company, the resale occurring not less than one year after a party has purchased and paid for the security to be sold, the sale being effected through a "broker's transaction" or in transactions directly with a "market maker" and the number of shares being sold during any three-month period not exceeding specified limitations.

7.4 Purchaser's Reliance.

Each Purchaser acknowledges that, except as expressly set forth in the Company's and LMCS's representations and warranties in Section 6, it is consummating the Transaction without any representation or warranty, express or implied, at law or in equity, by the Company, or any of the Company's officers, directors, employees, Affiliates or advisors, including with respect to (i) merchantability or fitness for any particular purpose, (ii) the operation of the business of the Company and LMCS after the Closing in any manner, or (iii) the probable success or profitability of the business of the Company and LMCS after the Closing. With respect to any projection or forecast delivered by or on behalf of the Company and LMCS to Purchasers, Purchasers acknowledge that (x) there are uncertainties inherent in attempting to make such projections and forecasts, (y) the accuracy and correctness of such projections and forecasts may be affected by information which may become available through discovery or otherwise after the date of such projections and forecasts and (z) it is familiar with each of the foregoing. Purchasers have no knowledge of any facts and/or circumstances that would make any of the representations and warranties of the Company contained in Section 6 untrue or misleading.

7.5 Permitted SBIC Investment. To Purchasers' knowledge, the Purchasers' investment in the Securities is permitted by the SBIC Act and SBIC regulations.

This Agreement, those documents expressly referred to herein, and the other documents of even date herewith delivered or executed in connection with the transactions contemplated hereby embody the complete agreement and understanding among the parties and supersede any prior agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof in any way.

9.15 Indemnification.

In consideration of the Purchasers' execution and delivery of this Agreement and the purchase of the Securities hereunder and in addition to all of the Company's other obligations under this Agreement and in addition to all other rights and remedies available at law or in equity, the Company shall defend, protect and indemnify the Purchasers and each other holder of Securities or any other equity for which Securities are exchanged or converted and all of their officers, managers, directors, stockholders, members, partners, limited partners, Affiliates, employees, agents, representatives, successors and assigns (including those retained in connection with the transactions contemplated by this Agreement) (collectively, the "Indemnitees"), and save and hold each of them harmless from and against, and pay on behalf of or reimburse such part, on demand as and when incurred, any and all actions, causes of action, suits, claims, losses (including diminutions in value and consequential damages), costs, penalties, fees, liabilities and damages and expenses in connection therewith (irrespective of whether any such Indemnitee is a party to the action for which indemnification hereunder is sought), including reasonable attorneys' fees and disbursements, interest and penalties and all amounts paid in investigation, defense or settlement of any of the foregoing and claims relating to any of the foregoing (the "Liabilities"), incurred by the Indemnitees or any of them as a result of, or arising out of, or relating to: (a) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of the issuance of the Securities; (b) the execution, delivery, performance or enforcement of the Investment Documents, any Governing Documents of the Company and any other instrument, document or agreement executed pursuant hereto or thereto of the Company by any of the Indemnitees, except to the extent any such Liabilities are caused by Purchaser's breach of an Investment Document or by the particular Indemnitee's gross negligence or willful misconduct; and (c) the past, present or future environmental condition of any property owned, operated or used by the Company, its predecessors or successors or of any offsite treatment, storage or disposal location associated therewith, including, without limitation, the presence on or under, or the escape, seepage, leakage, spillage, discharge, emission, release or threatened release into, onto or from, any such property or location of any toxic, chemical or hazardous substance, material or waste (including, without limitation, any losses, liabilities, damages, injuries, penalties, fees, costs, expenses or claims asserted or arising under any Environmental and Safety Requirement) regardless of whether caused by, or within the control of, the Company. 9.16 Payment Set Aside.

To the extent that any payment or payments is made to any Purchaser hereunder or under the Securities, any notes issued in exchange for any Securities or any Membership Units for which Securities are exchanged or converted or such Purchaser enforces its rights or exercises its right of setoff hereunder or thereunder, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to such payor, a trustee, receiver or any other Person under any law, statute, rule or regulation (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

9.17 Jurisdiction and Venue.

Each of the parties: (a) submits to the jurisdiction of any state or federal court sitting in Kansas City, Missouri in any legal suit, action or proceeding arising out of or relating to this Agreement, the Securities or any Membership Units for which Securities are exchanged or converted; (b) agrees that all claims in respect of the action or proceeding may be heard or determined in any such court; and (c) agrees not to bring any action or proceeding arising out of or relating to this Agreement, the Securities, any notes issued in exchange for any Securities or any Membership Units for which Securities are exchanged or converted in any other court. Each of the parties waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety or other security that might be required of any other party with respect thereto.

9.18 Waiver of Right to Jury Trial.

THE COMPANY AND EACH HOLDER OF SECURITIES AND MEMBERSHIP UNITS FOR WHICH SECURITIES ARE EXCHANGED OR CONVERTED HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY LITIGATION IN ANY COURT WITH RESPECT TO, IN CONNECTION WITH, OR ARISING OUT OF THIS AGREEMENT, THE SECURITIES, ANY NOTES ISSUED IN EXCHANGE FOR ANY SECURITIES OR ANY MEMBERSHIP UNITS FOR WHICH SECURITIES ARE EXCHANGED OR CONVERTED OR THE VALIDITY, PROTECTION, INTERPRETATION, COLLECTION OR ENFORCEMENT THEREOF. 14% SUBORDINATED NOTE

July 24, 2007

\$3,770,000

Liquidmetal Coatings, LLC, a Delaware limited liability company ("LMC"), and Liquidmetal Coatings Solutions, LLC, a Delaware limited liability company ("LMCS," hereinafter jointly and severally with LMC, "**Borrowers**" and each individually, "**Borrower**") hereby jointly and severally promise to pay to the order of C₃ Capital Partners, L.P., a Delaware limited partnership ("**C₃ Capital**"), the principal amount of \$3,770,000 ("**Principal Amount**"), together with interest thereon calculated from the date hereof in accordance with the provisions of this Note.

This Note is issued pursuant to a Securities Purchase Agreement, dated as of July 24, 2007 (as amended and modified from time to time, the "Purchase Agreement"), among Borrowers, C₃ Capital and C₃ Capital Partners II, L.P. This Note is one of the "Notes" referred to in the Purchase Agreement. The Purchase Agreement contains terms governing the rights of the holder of this Note, and all provisions of the Purchase Agreement are hereby incorporated herein in full by reference. Unless otherwise indicated herein, capitalized terms used in this Note have the same meanings set forth in the Purchase Agreement.

1. Payment of Interest. Except as otherwise expressly provided in the Purchase Agreement,

(a) In-Kind Interest. Interest shall accrue at a rate of 2% per annum (the "In-Kind Interest," which shall be computed on the basis of a 360-day year for the actual number of days elapsed in any year) on the unpaid Principal Amount, applied on a monthly basis to the Principal Amount, and paid, together with the Principal Amount in accordance with Section 2, or Section 4(c), as the case may be.

(b) Paid Interest. Interest shall accrue at a rate of 12% per annum ("Paid Interest," which shall be computed on the basis of a 360-day year for the actual number of days elapsed in any year) on the unpaid Principal Amount of this Note and shall be paid on the first day of each calendar month beginning September 1, 2007. Unless prohibited under applicable law, any amount of accrued interest which is not paid pursuant to this Section 1(b) on the date on which it is due and payable shall bear interest at a rate of 12% per annum, or as otherwise specified in the Purchase Agreement, until such interest is paid to the holder of this Note. Any accrued interest which for any reason has not theretofore been paid during the term of this Note shall be paid in full on the date on which the final payment of the Principal Amount is made. (In-Kind Interest and Paid Interest, collectively, shall be referred to herein as "**Combined Interest**".)

(c) Form of Interest Payment. Payments of Combined Interest shall be made in lawful money of the United States of America and in immediately available

1

funds by automatic bank draft pursuant to the instructions attached hereto as Schedule A, or at such other place as the holder of this Note (the "**Holder**") may specify in writing.

2. Payment of the Principal Amount on the Note.

(a) Schedule of Principal Payments. Borrowers shall pay the unpaid Principal Amount to the Holder on July 20, 2012 ("**Maturity Date**"), together with all accrued and unpaid Combined Interest on the Principal Amount being repaid.

(b) Form of Principal Payments. Payments of principal and interest shall be made in lawful money of the United States of America and in immediately available funds by automatic bank draft pursuant to the instructions attached hereto as Schedule A, or at such other place as the Holder may specify in writing.

3. Default. The occurrence of any one or more of the Events of Default (as defined in the Purchase Agreement) shall constitute an Event of Default hereunder.

(a) Default Rate. Upon the occurrence and during the continuance of a default or an Event of Default by Borrowers under this Note or the Purchase Agreement, all amounts due and owing under the Note shall bear interest at a rate equal to three percent (3%) per annum greater than the then existing applicable Combined Interest rate on this Note ("**Default Rate**").

(b) Insolvency or Regulatory Default. If any Event of Default contemplated by Section 8.1(d) or 8.1(n) of the Purchase Agreement shall occur for any reason, then in any such event, in addition to all rights and remedies of the Holder under the Purchase Agreement, applicable law or otherwise, all such rights and remedies being cumulative, not exclusive and enforceable alternatively, successively and concurrently, the Holder may, at its option, declare any or all of Borrowers' obligations, liabilities and indebtedness owing to the Holder under the Purchase Agreement and all amounts owing under this Note, to be due and payable, whereupon the then unpaid balance hereof, together with all Combined Interest accrued thereon, shall forthwith become due and payable, together with interest accruing thereafter at the then applicable interest rate stated above until the indebtedness evidenced by this Note is paid in full, plus the costs and expenses of collection hereof, including, but not limited to, reasonable attorneys' fees and legal expenses.

(c) Waiver. Each Borrower (i) waives diligence, demand, presentment, protest and notice of any kind, (ii) agrees that it will not be necessary for the Holder to first institute suit in order to enforce payment of this Note and (iii) consents to any one or more extensions or postponements of time of payment, release, surrender or substitution of collateral security, or forbearance or other indulgence, without notice or consent. The pleading of any statute of limitations as a defense to any demand against any Borrower is hereby expressly waived by such Borrower.

endorsees hereof in such order and manner as the Holder may choose. None of the rights of the Holder shall be waived or diminished by any failure or delay in the exercise thereof.

4. Covenants. Borrowers covenant and agree that, so long as this Note is outstanding and unpaid, Borrowers will punctually pay or cause to be paid the Principal Amount, premium, if any, and Combined Interest on this Note at the dates and places and in the manner specified herein. Any sums required to be withheld from any payment of principal, premium, if any, or Combined Interest on this Note by operation of law or pursuant to any order, judgment, execution, treaty, rule or regulation may be withheld by Borrowers and paid over in accordance therewith.

5. Usury Laws. It is the intention of Borrowers and the Holder to conform strictly to all applicable usury laws now or hereafter in force, and any interest payable under this Note shall be subject to reduction to the amount not in excess of the maximum legal amount allowed under the applicable usury laws as now or hereafter construed by the courts having jurisdiction over such matters. If the maturity of this Note is accelerated by reason of an election by the Holder resulting from an Event of Default, voluntary prepayment by Borrowers or otherwise, then earned interest may never include more than the maximum amount permitted by law, statute, rule or regulation, computed from the date hereof until payment, and any interest in excess of the maximum amount permitted by law, statute, rule or regulation shall be canceled automatically and, if theretofore paid, shall at the option of the Holder hereof either be rebated to Borrowers or credited on the principal amount of this Note, or if this Note has been paid, then the excess shall be rebated to Borrowers. The aggregate amount of all interest (whether designated as In-Kind Interest, Paid Interest, service charges, points or otherwise) contracted for, chargeable, or receivable under this Note shall under no circumstances exceed the maximum legal rate upon the unpaid Principal Amount of this Note remaining unpaid from time to time.

6. Prepayment.

(a) Optional Prepayment. All or any portion of the outstanding Note may be prepaid by Borrowers in accordance with the terms hereof ("**Optional Prepayment**").

(b) Mandatory Prepayment. Upon the occurrence of a Triggering Event (as defined below), the Holder, in its sole discretion, may require mandatory prepayment of the Note in full including the Principal Amount and unpaid interest at the Default Rate ("**Mandatory Prepayment**"). For purposes of this Note, a "**Triggering Event**" shall be defined as (i) a Change in Control of LMC (as defined in the Purchase Agreement); (ii) the sale of all or substantially all of LMC or its assets; (iii) an underwritten public offering of LMC's securities registered under the Securities Act of 1933, as amended, pursuant to which the aggregate gross proceeds to LMC are at least \$15,000,000; or (iv) the occurrence and continuation of an Event of Default as specifically provided for the Purchase Agreement.

(c) Prepayment. Borrowers may prepay the Principal Amount and unpaid In-Kind Interest at any time and from time to time, without premium or penalty; provided however, that (i) prior to the first anniversary of the execution and delivery of this Note, the prepayment price shall equal the outstanding Principal Amount being repaid, together with accrued but unpaid Paid Interest, plus a prepayment penalty of three percent (3%) of the outstanding Principal Amount, or (ii) prior to the second anniversary of the execution and delivery of this Note, the prepayment price shall equal the outstanding Principal Amount being repaid, together with accrued but unpaid Paid Interest, plus a prepayment penalty of two percent (2%) of the outstanding Principal Amount (the "Prepayment Price").

(d) Prepayment Notice. At least 30 days but not more than 60 days before a prepayment date, Borrowers shall mail a notice of prepayment to the Holder. The notice shall state (i) the prepayment date, (ii) the Prepayment Price, (iii) that the Note must be surrendered to Borrowers to collect the Prepayment Price and (iv) that interest on the Note called for prepayment ceases to accrue on and after the prepayment date. Once notice of prepayment is mailed, the Note called for prepayment becomes due and payable on the prepayment date.

7. Maturity.

To the extent this Note is not prepaid by Borrowers as provided in Section 6 hereof, the Principal Amount, together with accrued but unpaid Combined Interest, shall be due and payable on demand on the Maturity Date.

8. Other Provisions Relating to Rights of the Holder of this Note.

(a) Rights of the Holder of this Note. Except as otherwise provided by Sections 2.1 and 4.2 of the Purchase Agreement, this Note shall not entitle the Holder to any of the rights of a Member or Manager of any Borrower, including, without limitation, the right to vote, to receive distributions (except as specifically provided herein), or to receive any notice of, or to attend, meetings of Members of Managers or any other proceedings of any Borrower.

(b) Lost, Stolen, Mutilated or Destroyed Note. If this Note shall be mutilated, lost, stolen, or destroyed, Borrowers shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated Note, or in lieu of or in substitution for a lost, stolen, or destroyed Note, a new Note for the principal amount of this Note so mutilated, lost, stolen, or destroyed but only upon receipt of evidence (which may consist of a signed affidavit of the Holder), of such loss, theft, or destruction of such Note, and of the ownership thereof, and indemnity, if requested, all reasonably satisfactory to Borrowers.

9. Other Matters.

(a) Binding Effect; Assignment. The provisions of this Note shall be binding upon and inure to the benefit of the Holder, Borrowers and their respective successors and assigns.

(b) Further Actions. At any time and from time to time, Borrowers and the Holder agree, without further consideration, to take such actions and to execute and deliver such documents as the other may reasonably request to consummate the transactions contemplated in this Note, including without limitation, the due execution of the Purchase Agreement and the execution and filing of financing statements with the appropriate filing offices resulting in perfected security interests.

(c) Modification; Waiver. This Note and the Purchase Agreement set forth the entire understanding of Borrowers and the Holder with respect to the subject matter hereof and supersede all existing agreements between them concerning such subject matter. This Note may be amended, modified, superseded, canceled, renewed or extended, and the terms hereof may be waived, only by a written instrument signed by Borrowers and the Holder. Any waiver by Borrowers or the Holder of a breach of any provision of this Note shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Note. The failure of Borrowers or the Holder to insist upon strict adherence to any term of this Note on one or more occasions shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Note. No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof or hereof, nor shall any waiver on the part of any party of any right, power or privilege hereunder preclude any other or further exercise hereof or the exercise of any other right, power or privilege hereunder. Any waiver must be in writing. The rights and remedies provided herein are cumulative and are not exclusive of any rights or remedies which any party may otherwise have at law or in equity.

(d) Notices. All notices, demands or other communications to be given or delivered under or by reason of the provisions of this Note shall be in writing and shall be deemed to have been given when delivered personally to the recipient, sent to the recipient by reputable overnight courier service (charges prepaid), mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid or sent via facsimile to the number set forth below with a copy mailed to the recipient as set forth above. (b) Mandatory Prepayment. Upon the occurrence of a Triggering Event (as defined below), the Holder, in its sole discretion, may require mandatory prepayment of the Note in full including the Principal Amount and unpaid interest at the Default Rate ("**Mandatory Prepayment**"). For purposes of this Note, a "**Triggering Event**" shall be defined as (i) a Change in Control of LMC (as defined in the Purchase Agreement); (ii) the sale of all or substantially all of LMC or its assets; (iii) an underwritten public offering of the LMC's securities registered under the Securities Act of 1933, as amended, pursuant to which the aggregate gross proceeds to LMC are at least \$15,000,000; or (iv) the occurrence and continuation of an Event of Default as specifically provided for the Purchase Agreement.

3

(c) Prepayment. Borrowers may prepay the Principal Amount and unpaid In-Kind Interest at any time and from time to time, without premium or penalty; provided however, that (i) prior to the first anniversary of the execution and delivery of this Note, the prepayment price shall equal the outstanding Principal Amount being repaid, together with accrued but unpaid Paid Interest, plus a prepayment penalty of three percent (3%) of the outstanding Principal Amount, or (ii) prior to the second anniversary of the execution and delivery of this Note, the prepayment price shall equal the outstanding Principal Amount being repaid, together with accrued but unpaid Paid Interest, plus a prepayment penalty of two percent (2%) of the outstanding Principal Amount (the "Prepayment Price").

(d) Prepayment Notice. At least 30 days but not more than 60 days before a prepayment date, Borrowers shall mail a notice of prepayment to the Holder. The notice shall state (i) the prepayment date, (ii) the Prepayment Price, (iii) that the Note must be surrendered to Borrowers to collect the Prepayment Price and (iv) that interest on the Note called for prepayment ceases to accrue on and after the prepayment date. Once notice of prepayment is mailed, the Note called for prepayment becomes due and payable on the prepayment date.

7. Maturity.

To the extent this Note is not prepaid by Borrowers as provided in Section 6 hereof, the Principal Amount, together with accrued but unpaid Combined Interest, shall be due and payable on demand on the Maturity Date.

8. Other Provisions Relating to Rights of the Holder of this Note.

(a) Rights of the Holder of this Note. Except as otherwise provided by Sections 2.1 and 4.2 of the Purchase Agreement, this Note shall not entitle the Holder to any of the rights of a Member or Manager of any Borrower, including, without limitation, the right to vote, to receive distributions (except as specifically provided herein), or to receive any notice of, or to attend, meetings of Members of Managers or any other proceedings of any Borrower.

(b) Lost, Stolen, Mutilated or Destroyed Note. If this Note shall be mutilated, lost, stolen, or destroyed, Borrowers shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated Note, or in lieu of or in substitution for a lost, stolen, or destroyed Note, a new Note for the principal amount of this Note so mutilated, lost, stolen, or destroyed but only upon receipt of evidence (which may consist of a signed affidavit of the Holder), of such loss, theft, or destruction of such Note, and of the ownership thereof, and indemnity, if requested, all reasonably satisfactory to the Borrower.

9. Other Matters.

(a) Binding Effect; Assignment. The provisions of this Note shall be binding upon and inure to the benefit of the Holder, Borrowers and their respective successors and assigns.

4

(b) Further Actions. At any time and from time to time, Borrowers and the Holder agree, without further consideration, to take such actions and to execute and deliver such documents as the other may reasonably request to consummate the transactions contemplated in this Note, including without limitation, the due execution of the Purchase Agreement and the execution and filing of financing statements with the appropriate filing offices resulting in perfected security interests.

(c) Modification; Waiver. This Note and the Purchase Agreement set forth the entire understanding of Borrowers and the Holder with respect to the subject matter hereof and supersede all existing agreements between them concerning such subject matter. This Note may be amended, modified, superseded, canceled, renewed or extended, and the terms hereof may be waived, only by a written instrument signed by Borrowers and the Holder. Any waiver by Borrowers or the Holder of a breach of any provision of this Note shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Note. The failure of Borrowers or the Holder to insist upon strict adherence to any term of this Note on one or more occasions shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Note. No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof or hereof, nor shall any waiver on the part of any party of any right, power or privilege hereunder preclude any other or further exercise hereof or the exercise of any other right, power or privilege hereunder. Any waiver must be in writing. The rights and remedies provided herein are cumulative and are not exclusive of any rights or remedies which any party may otherwise have at law or in equity.

AND CAPITAL ACCOUNTS**

Section 3.1 INITIAL CONTRIBUTIONS. The Members have previously contributed, or shall contribute simultaneously with the execution hereof, capital to the Company in accordance with the schedule attached hereto as Exhibit “A” (the “Initial Capital Contributions”) in exchange for their respective Membership Units.

Until the dissolution and liquidation of the Company, no Member shall have the right to demand or receive any part of the Member’s capital contribution and there is no right given to any Member to demand and receive property other than cash in return for the Member’s capital contribution.

Section 3.4 CAPITAL ACCOUNTS. An individual Capital Account shall be maintained for each Member in accordance with Section 704(b) of the Code, paragraph 1.704-1(b)(2)(iv) of the accompanying Treasury Regulations, and the following rules:

(a) **Computation of Capital Account Balance.** The Capital Account of a Member shall consist of the amount of money and the fair market value of any property (other than money) comprising the Member's proportionate share of the Initial Capital Contribution pursuant to Section 3.1 hereof, as increased by: (i) the amount of money and the fair market value of any property (other than money) comprising any additional capital contributions made by the Member, (ii) any amount credited to the Capital Account of a Member pursuant to Section 4.9 hereof as a result of any Company income, profits or gains

2

allocated to the Member (and as adjusted pursuant to Section 1.704-1(b)(2)(iv) of the Treasury Regulations), and (iii) the amount of any Company liabilities assumed by the Member or that are secured by any Company property distributed to that Member, and decreased by: (i) the amount of money and the fair market value of any property (other than money) comprising any distributions to the Member pursuant to Article V hereof, (ii) any amount debited to the Capital Account of a Member pursuant to Section 4.9 hereof as a result of any Company expenses, deductions, losses and credits allocated to the Member (and as adjusted pursuant to Section 1.704-1(b)(2)(iv) of the Treasury Regulations), and (iii) the amount of any liabilities of such Member that are assumed by the Company or that are secured by any property contributed by that Member to the Company.

(b) **Built-In Gain or Loss.** The Capital Account of a Member shall not be increased or decreased, as the case may be, with regard to any built-in gain or loss allocated to the Member pursuant to Section 4.5 hereof.

(c) **Transferee's Capital Account.** In the event of a transfer of any Membership Units, the transferee shall assume the Capital Account balance of the transferor.

(d) **Interest.** No interest shall be paid on any present or future Capital Account balance.

(e) **Conformance with Regulations.** The provisions of this Section 3.4 are intended to comply with Treasury Regulation Section 1.704-1(b) regarding the maintenance of the Capital Accounts of the Members and this Section 3.4 shall be interpreted and applied in a manner consistent with such Treasury Regulations. In the event that the Board of Managers shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto, are computed in order to comply with such Treasury Regulations, the Board of Managers may make such modifications, provided that it is not likely to have a material effect on any amounts distributable to any Member upon the dissolution of the Company. The Board of Managers shall also make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Treasury Regulation Section 1.704-1(b).

Section 3.5 CAPITAL STRUCTURES AND PERCENTAGE INTERESTS

(a) **Capital Structure.** Ownership rights in the Company are divided into and represented by membership units ("**Membership Units**"). The Membership Units are further divided into three classes: (i) Class A Units; (ii) Class B Units; and (iii) Class C Units.

(b) **Initial Percentage Interest.** Upon their admission to the Company, the Members shall own the number and class of Membership Units and the corresponding Percentage Interests in the Company as set forth on Exhibit "A" attached hereto.

(c) **Adjustments to Percentage Interests.** In the event of the issuance of any additional Membership Units to an existing Member(s), including the admission of an additional member(s), each Member's Percentage Interest in the Company shall be deemed to be equal to a fraction, the numerator of which is the number of Membership Units issued and outstanding to the Member, and the denominator of which is the number of Membership Units then issued and outstanding to all Members. All adjustments to a Member's

3

Percentage Interest in the Company shall be permanent and shall not otherwise be altered except as provided in this Agreement.

(d) **Effect of Percentage Interests.** The Percentage Interests of the Members, as determined and adjusted pursuant to this Section 3.5, are maintained solely for the purposes of determining the amount of certain allocations of taxable profits and losses and cash distributions allocable to the Members pursuant to Articles IV and V hereof, and for other purposes set forth in this Agreement. The Percentage Interest of a Member shall not reflect that Member's proportionate interest in the capital of the Company at any time.

Section 3.6 LOANS BY MEMBERS. A Member may at any time lend funds to the Company as may be agreed upon by the Board of Managers. Such funds shall represent a debt, payable on demand, unless otherwise specifically provided, from the Company to the Member making the loan, and interest, at a rate agreed upon by the Board of Managers, shall be paid thereon and charged as an expense to the Company.

Section 3.7 PROFITS INTEREST OF CLASS C HOLDERS. The Class C Holders shall own a percentage of the profits of the Company equal to the right to receive their respective percentage interest as shown on Exhibit "A", attached hereto, of the available cash distributed among the Members pursuant to Section 5.2 and Section 5.3. In addition, taxable income shall be allocated to the Class C Holders equal to their respective percentage interest as shown on Exhibit "A", attached hereto, of the Net Profits allocated among the Members pursuant to Section 4.3(a)(ii).

It is the agreement of the Members that the rights of the Class C Holders under this Section 3.7 shall be limited to receiving allocations of taxable income and distributions of cash as described herein, but that the Class C Holders shall not receive any other rights in and shall not participate in any other allocations of taxable income, loss, credit, deduction, gain, or other tax items or distributions of cash from the Company except as specifically provided in this Section 3.7.

ARTICLE IV ALLOCATIONS OF TAXABLE PROFITS AND LOSSES

Section 4.1 DETERMINATION OF PROFIT OR LOSS. The items of income, gains, expenses, deductions, losses and credits generated by the Company for federal income tax purposes shall be determined in accordance with a generally accepted method of accounting as soon as practicable after the close of the fiscal year of the Company.

Section 4.2 COSTS AND EXPENSES. The Company shall pay all expenses (which expenses shall be billed directly to the Company) of the Company which may include but are not limited to: (i) legal, audit, accounting, and other fees; (ii) expenses and taxes incurred in connection with the issuance, distribution and transfer of documents evidencing ownership of Membership Units in the Company or in connection with the business of the Company; (iii) expenses of organizing, revising, amending, converting, modifying or terminating the Company; (iv) expenses in connection with distributions made by the Company to, and communications and bookkeeping work necessary in maintaining relations with, the Members; and (v) costs of any accounting, statistical or bookkeeping equipment necessary for the maintenance of the books and records of the Company.

4

Section 4.3 ALLOCATION. The net profits, net gains and net losses generated by the Company for federal income tax purposes for a year shall be allocated among the Members as follows:

(a) **Profits.** Any net taxable income and gain (collectively, "**Net Profits**") of the Company for the year shall be allocated among the Members as follows:

(i) First, 100% of the Net Profits shall be allocated pro rata (relative to the entire amount to be allocated to all Members in that year pursuant to this Section 4.3(a)(i)) among the Members in an amount equal to the excess, if any, of (a) the cumulative Losses allocated pursuant to Section 4.3(b) hereinbelow for all prior years, over (b) the cumulative Profits allocated pursuant to this Section 4.3(a)(i) for all prior years, until such time as each Member has been allocated an aggregate amount of the Net Profits in all years pursuant to this Section 4.3(a)(i) equal to the aggregate amount of Losses allocated to the Member pursuant to Section 4.3(b) hereof in all prior years; and

(ii) Any remaining Net Profits shall be allocated among the Members according to their respective Percentage Interests in the Company at that time, as set forth in Section 3.5 hereof.

(b) **Losses.** Any net taxable losses and deductions (collectively, "**Losses**") of the Company for the year shall be allocated among the Members in the following order of priority:

(i) First, all Losses shall be allocated among the Members in proportion to the positive balances in their respective Capital Accounts at that time, after a reduction for any cash distributed from the Company to the Members pursuant to Article V in that year, until the balance of all Members' Capital Accounts have been reduced to zero (0); and

(ii) Any remaining Losses shall be allocated among the Members according to their respective Percentage Interests in the Company at that time, as set forth in Section 3.5 hereof.

Section 4.4 SPECIAL ALLOCATIONS. Notwithstanding any other provision of this Agreement to the contrary, the following special allocations shall be made in the following order:

(a) **Minimum Gain Chargeback.** Notwithstanding any other provision of this Section 4.4, if there is a net decrease in the Partnership Minimum Gain (as described in Article XVI hereof) during any Company fiscal year, each Member will be specially allocated, before any other allocation is made, items of income and gain for such year (and, if necessary, subsequent years) in an amount equal to that Member's share of the net decrease in Partnership Minimum Gain, determined as provided in Section 1.704-2(g)(2) of the Regulations.

Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be allocated shall be determined in accordance with Regulations Section 1.704-2(f), and this Section

5

4.4(a) is intended to comply with the minimum gain chargeback requirement in that Section of the Regulations and shall be interpreted consistently therewith.

(b) **Partner Minimum Gain Chargeback.** Notwithstanding any other provision of this Article IV except Section 4.4(a), above, if there is a net decrease in Partner Minimum Gain (as described in Article XVI hereof) attributable to a Partner Nonrecourse Debt (as described in Article XVI hereof) during any Company fiscal year, each Member who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt (determined as provided in Section 1.704-2(i)(5) of the Regulations) as of the beginning of the year shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to that Member's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, as provided in Section 1.704-2(i)(4) of the Regulations.

Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Section 1.704-2(i)(4) of the Regulations. This Section 4.4(b) is intended to comply with the minimum gain chargeback requirement in that Section of the Regulations and shall be interpreted consistently therewith.

(c) **Qualified Income Offset.** In the event any Member unexpectedly receives an adjustment, allocation or distribution of a nature described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), then each such Member will be specially allocated items of Company taxable income and gain in an amount and manner sufficient to eliminate, to the extent required by the Regulations, that Member's Deficit Capital Account Balance as quickly as possible; provided that an allocation pursuant to this Section 4.4(c) shall be made if and only to the extent that such Member would have a Deficit Capital Account Balance after all other allocations provided for in this Article IV have been tentatively made as if this Section 4.4(c) were not in this Agreement.

(d) **Partner Nonrecourse Deductions.** Any Partner Nonrecourse Deductions (as described in Article XVI hereof) for any fiscal year or other period shall be specially allocated to the Member who bears the economic risk of loss with respect to the Partner Nonrecourse Debt (as described in Article XVI hereof) to which such Partner Nonrecourse Deductions are attributable in accordance with Section 1.704-2(i)(2) of the Regulations.

(e) **Curative Allocations.** The allocations set forth in this Section 4.4 (the "**Regulatory Allocations**") are intended to comply with certain requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding any other provision of this Article IV (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating other items of profits, losses, income, gains and deductions among the Members so that, to the extent possible, the net amount of such allocations of other taxable items and the Regulatory Allocations to each Member shall be equal to the net amount which would have been allocated to each such Member if the Regulatory Allocations had not occurred. For purposes of applying the previous sentence:

(i) No allocations of Nonrecourse Deductions shall be made pursuant to this Section 4.4(e) with respect to Regulatory Allocations required pursuant to Section 4.4(a) hereof prior to the Company fiscal year during which there is a net

6

decrease in Partnership Minimum Gain, and then only to the extent necessary to avoid any potential economic distortions caused by such net decrease in Partnership Minimum Gain;

(ii) Allocations pursuant to this Section 4.4(e) shall be deferred with respect to allocations of Nonrecourse Deductions to the extent the Board of Managers determine that such allocations are likely to be offset by subsequent allocations pursuant to subsection (a) of Section 4.4 hereof;

(iii) No allocations of Partner Nonrecourse Deductions shall be made pursuant to this Section 4.4(e) with respect to Regulatory Allocations required under subsection (b) or (d) of this Section 4.4 prior to the Company fiscal year during which there is a net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, and then only to the extent necessary to avoid any potential economic distortions caused by such net decrease in Partner Minimum Gain; and

(iv) Allocations pursuant to this Section 4.4(e) shall be deferred with respect to allocations pursuant to subsection (d) of this Section 4.4 relating to a particular Partner Nonrecourse Debt to the extent the Board of Managers reasonably determine that such allocations are likely to be offset by subsequent allocations pursuant to subsection (b) of this Section 4.4.

Section 4.5 BUILT-IN GAIN OR LOSS. Notwithstanding any other provision of this Article IV, in accordance with Code Section 704(c) and the accompanying Treasury Regulations thereunder, income, gain, loss and deduction with respect to any property other than cash contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take into account any variation between (i) the adjusted basis of such property to the Company for federal income tax purposes on the date of contribution and (ii) the fair market value of such property on the date contributed to the Company, as determined by the Board of Managers.

Section 4.6 INCOME CHARACTERIZATION. For purposes of determining the character (as ordinary income or capital gain) of any taxable income of the Company allocated to the Members pursuant to this Article IV, such portion of the taxable income of the Company allocated pursuant to this Article IV which is treated as ordinary income attributable to the recapture of depreciation shall, to the extent possible, be allocated among the Members in the proportion which (i) the amount of depreciation previously allocated to each Member bears to (ii) the total of such depreciation allocated to all Members. This Section 4.6 shall not alter the amount of allocations among the Members pursuant to this Article IV, but merely the character of income so allocated.

Section 4.7 CREDITS. Tax credits shall be allocated among the Members in accordance with Section 4.3 hereof.

Section 4.8 CHANGE IN INTERESTS. Notwithstanding the foregoing, in the event of a change in the Members' Percentage Interests in the Company during a year, whether occasioned by admission of a new Member, additional contributions, assignments of Membership Units or otherwise, the allocation of items of income and expense shall be made so as to reflect the Members' varying Percentage Interests in the Company during the year. Profits and losses for the year shall be prorated on a daily basis and allocated among the Members based upon the period of time during which they held their respective Percentage Interests.

7

Section 4.9 CREDITING ACCOUNTS. Items of income, gains, expenses, deductions, losses and credits shall be credited or debited, as the case may be, to each Member's Capital Account created pursuant to Section 3.4 as provided in this Article.

ARTICLE V DISTRIBUTIONS

Section 5.1 DISTRIBUTABLE AMOUNTS. The Company may make distributions of any amounts in excess of its reasonable operating requirements as determined by the Board of Managers. The amounts available for distribution may be generated by operations of the Company through sale, condemnation, financing or refinancing of assets of the Company, by collection of amounts owed to the Company or by any other transaction. In the case of amounts attributable to a Capital Transaction, the net proceeds to be distributed hereunder shall be the net cash proceeds received by the Company after payment of, or provision for, all Company debts, obligations and reserves required or permitted to be paid upon, or incurred or established in connection with, the receipt by the Company of such proceeds (said reserves to be established in the reasonable discretion of the Board of Managers), and all expenses incurred by the Company in connection with the Capital Transaction giving rise to such proceeds. Notwithstanding the foregoing, no distribution shall be made unless after the distribution the Company retains assets sufficient to pay all its debts as they become due and such distribution, if made, would not cause the Company to otherwise become insolvent.

Section 5.2 ALLOCATION. Distributions of available cash pursuant to Section 5.1 hereof shall be made to the Members according to their respective Percentage Interests in the Company at that time.

Section 5.3 LIQUIDATING DISTRIBUTIONS. After giving effect to all Member contributions, distributions, allocations, and capital account adjustments for all taxable years of the Company (including the taxable year during which the Company is liquidated), the Company shall distribute the liquidation proceeds derived from the dissolution, winding-up, liquidation, and termination of the Company (plus any remaining assets of the Company that are to be distributed in kind to the Members) in the following priority and proportions:

(a) To pay in the order of priority required by the Act all the liabilities and obligations of the Company that are then due and payable to creditors (including Members), including all costs and expenses directly relating to the liquidation, winding-up, and termination of the Company, but excluding Capital Contributions and distributions payable to the Members; and then

(b) To establish any reasonable cash reserve that the Members may determine unanimously by resolution to be appropriate for any contingent, conditional, or unmatured liabilities or obligations of the Company and as an allowance for doubtful accounts receivable or the unrealized portion of any promissory note, installment obligation, or other deferred revenue payable to the Company; and then

(c) To the Members, *pro rata*, in accordance with the sum of their Initial Capital Contributions plus any additional Capital Contributions which have not yet been returned to the respective Member (the "**Unreturned Capital Contributions**"), in an amount equal to each Member's Unreturned Capital Contributions; and then

8

(d) To the Members, *pro rata*, in accordance with the Members' respective Percentage Interests at the time of such liquidation..

The Board of Managers shall use reasonable efforts to cause the proceeds from a liquidation of the Company to be distributed in the same fiscal year in which the sale of the Company's assets occurs.

Section 5.4 MANDATORY TAX DISTRIBUTIONS. In order to permit the Members to pay taxes on Company taxable income, the Company shall, to the extent of Available Cash, distribute cash at least annually and no later than 75 days after the end of a Fiscal Year, an amount which, at the time of such distribution, when added to all prior distributions pursuant to this Section 5.4, equals the cumulative maximum tax payable by an individual taxpayer at the highest combined marginal tax rates of federal and state income taxes imposed on resident individuals in the United States on the taxable income of the Company. Such distribution shall be made ratably to the Members in proportion to their respective Member Percentages.

ARTICLE VI DURATION OF BUSINESS; TERMINATION

Section 6.1 DURATION OF COMPANY. The Company shall continue until the earlier of:

(a) The decision of the Board of Managers to dissolve the Company;

(b) The expiration of the term of the Company set forth in Section 1.4 hereof; or

(c) The sale or other disposition of all Company Property and the distribution of all sales proceeds resulting therefrom to the Members in accordance with this Agreement.

Section 6.2 DEATH, ETC., OF MEMBER. The Company shall not be dissolved upon the death, insanity, total disability, bankruptcy, dissolution or withdrawal of any Member, or by the assignment by any Member of all of the Membership Units or Economic Interest in the Company.

Section 6.3 LIQUIDATION. In the event of termination of the Company:

- (a) The Board of Managers shall wind up the affairs of the Company, shall sell all the Company assets as promptly as is consistent with obtaining the fair value thereof, and shall apply and distribute the proceeds of liquidation in the following order of priority:
- (i) To the payment of debts and liabilities of the Company (including to Members to the extent otherwise permitted by law) and the expenses of liquidation; then
 - (ii) To the setting up of such reserves as the Board of Managers winding up the Company's affairs may reasonably deem necessary or appropriate for any dispute, contingent or unforeseen liabilities or obligations of the Company; then
 - (iii) The remainder to the Members in accordance with Section 5.3 above.

9

(b) Each Member shall look solely to the assets of the Company for the return of the Member's capital contribution, and if the Company Property remaining after payment or discharge of the debts and liabilities of the Company is insufficient to return the contributions of each Member, a Member shall have no recourse against any other Member(s).

(c) The proceeds of liquidation shall be distributed to the Members pursuant to Section 5.3 hereof.

(d) Upon the liquidation of the Company, if any Member has a Deficit Balance in the Member's Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including the year in which such liquidation occurs), that Member shall have no obligation to make any contributions to the capital of the Company with respect to such deficit and such deficit shall not be considered a debt owed to the Company or any other person or entity for any purpose whatsoever.

ARTICLE VII RIGHTS AND DUTIES OF MEMBERS

Section 7.1 LIABILITIES OF MEMBERS. No Member shall be obligated to make capital contributions to the Company except as provided in Article III. No Member shall have any personal liability with respect to the liabilities or obligations of the Company except as provided in Article III. Failure of the Company to observe any formalities or requirements relating to the exercise of its powers or the management of its business or affairs under this Agreement or the Act shall not be grounds for imposing personal liability on the Members for liabilities or obligations of the Company.

Section 7.2 LIMITATIONS ON POWERS OF MEMBERS. Except as expressly authorized by this Agreement, no Member may, directly or indirectly, (a) resign, retire or withdraw from the Company, (b) dissolve, terminate or liquidate the Company, (c) petition a court for the dissolution, termination or liquidation of the Company, or (d) cause any property of the Company to be subject to the authority of any court, trustee or receiver (including suits for partition and bankruptcy, insolvency, and similar proceedings).

Section 7.3 PROHIBITION AGAINST PARTITION. Each Member irrevocably waives any and all rights the Member may have to maintain an action for partition with respect to any property of the Company.

ARTICLE VIII MEETINGS OF MEMBERS

Section 8.1 ANNUAL MEETING. The annual meeting of the Members shall be held between January 1st and December 31st of each year, on such date and at such hour as may be specified in the Notice of Meeting or in a duly executed Waiver of Notice thereof, for the purpose of electing Managers to serve for the ensuing year and the transaction of such other business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday in the State of Texas, such meeting shall be held on the next succeeding business day.

10

Section 8.2 SPECIAL MEETING. Special meetings of the Members, for any purpose or purposes, may be called by the President or by a majority of the Board of Managers or by any Member owning Membership Units in the Company.

Section 8.3 PLACE OF MEETING. The Board of Managers may designate any place, either within or without the State of Delaware, unless otherwise prescribed by statute, as the place of meeting for any annual or special meeting of Members. If no designation is made by the Board of Managers, the place of meeting shall be the principal office of the Company in the State of Texas.

Section 8.4 NOTICE OF MEETING. Written or printed notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered to each Member of record entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting, either personally or by first-class mail, by or at the direction of the President or the Secretary or by the Members calling the meeting. If mailed, such notice shall be deemed to be delivered at the earliest date of the following: (a) when received; (b) five days after its deposit in the United States mail addressed to the Member at his address as it appears on the records of the Company, with the postage thereon prepaid; or (c) on the date shown on the return receipt if sent by registered or certified mail, return receipt requested.

Section 8.5 WAIVER OF NOTICE. Members may waive notice of a meeting before or after the date and time specified in the written notice of meeting. All waivers of notice must be in writing, be signed by the Member entitled to the notice and be delivered to the Company for inclusion in the appropriate records. None of the business to be transacted at, nor the purpose of, a Members' meeting must be specified in a written waiver of notice. Attendance of a Member at a meeting shall constitute a waiver of notice of the meeting, unless the Member at the beginning of the meeting objects to holding the meeting or transacting business at the meeting.

Section 8.6 FIXING OF RECORD DATE. The Board of Managers may fix a date, not less than ten (10) nor more than sixty (60) days before the date set for any meeting of the Members, as the record date as of which the Members of record entitled to notice of and to vote at such meeting and any adjournment thereof shall be determined.

Section 8.7 QUORUM. A majority of the Membership Units of the Company, represented in person or by proxy, shall constitute a quorum at a meeting of the Members. When a meeting is adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken, and any business may be transacted at the adjourned meeting that might have been transacted at the original date of the meeting. If, however, after the adjournment, the Board of Managers fix a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given in compliance with Section 8.4 to each Member of record on the new record date entitled to vote at such meeting. After a quorum has been established at a Members' meeting, the subsequent withdrawal of Members, so as to reduce the Membership Units entitled to vote at the meeting below the percentage required for a quorum, shall not affect the validity of any action taken at the meeting or any adjournment thereof.

Section 8.8 PROXIES. Every Member entitled to vote at a meeting of Members or to express consent or dissent without a meeting, or his duly authorized attorney-in-fact, may authorize another person or persons to act for him by proxy. The proxy must be executed in writing by the Member or his duly authorized attorney-in-fact. Such proxy shall be filed with the Company before

11

or at the time of such meeting or at the time of expressing such consent or dissent without a meeting. No proxy shall be valid after the expiration of eleven (11) months after the date thereof unless provided otherwise in the proxy.

Section 8.9 VOTING OF MEMBERSHIP UNITS. Except as provided in Section 9.6, each Member shall be entitled to one (1) vote per one (1) Membership Unit (and a corresponding fractional vote for each fraction of a Membership Unit) upon each matter submitted to a vote at a meeting of the Members. If a quorum is present, the affirmative vote of the Members owning a majority of the Membership Units represented at the meeting and entitled to vote on the subject matter shall be the act of the Members unless a greater percentage is required by the Delaware Statutes, this Agreement or the Company's Certificate of Formation.

Section 8.10 VOTING OF MEMBERSHIP UNITS BY CERTAIN HOLDERS. Membership Units standing in the name of a corporation may be voted by the officer, agent or proxy designated by the bylaws of the corporate Member or, in the absence of any applicable bylaws, by such person as the managers of the corporate Member may designate. Proof of such designation may be made by presentation of a certified copy of the bylaws or other instrument of the corporate Member. In the absence of any such designation or, in case of conflicting designation by the corporate Member, the chairman of the board, the president, any vice president, the secretary, and the treasurer of the corporate Member shall be presumed to possess, in that order, authority to vote such Membership Units.

Membership Units held by an administrator, executor, guardian or conservator may be voted by him, either in person or by proxy, without a transfer of such Membership Units into his name.

Membership Units standing in the name of a trustee may be voted by him, either in person or by proxy, but no trustee shall be entitled to vote Membership Units held by him without a transfer of such Membership Units into his name.

Membership Units standing in the name of a receiver may be voted by such receiver, and Membership Units held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his name, if authority so to do be contained in an appropriate order of the court by which such receiver was appointed.

A Member whose Membership Units are pledged shall be entitled to vote such Membership Units until the Membership Units have been transferred into the name of the pledgee, and thereafter the pledgee or his nominee shall be entitled to vote the Membership Units so transferred only in the event the pledgee becomes a Substituted Member (as defined in Section 12.3 hereinbelow).

Section 8.11 ACTION BY WRITTEN CONSENT OR TELEPHONE CONFERENCE

(a) Any action required or permitted to be taken at any meeting of Members may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by Members having not less than the minimum number of Membership Units necessary to authorize or take such action at a meeting at which all Members entitled to vote were present and voted. A telegram,

Members without a meeting by less than unanimous written consent shall be given to those Members who did not consent in writing to the action.

(b) The record date for determining Members entitled to consent to action in writing without a meeting shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company by delivery to its registered office, its principal place of business or the Board of Managers.

(c) Members may participate in and hold a meeting by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can speak to and hear each other. Participation in such meeting shall constitute attendance and presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 8.12 **ANNUAL REPORTS, ETC.** The Company shall file any necessary reports with the State of Delaware and pay the annual tax for Limited Liability Companies to the State of Delaware.

ARTICLE IX BOARD OF MANAGERS

Section 9.1 **MANAGEMENT AND CONTROL.** The management and control of the Company shall be vested in the Board of Managers. The Board of Managers shall have, except as specifically limited in this Agreement, full and exclusive authority in the management and control of the Company, and shall have all the rights and powers which are otherwise conferred by law or are necessary or advisable for the discharge of their duties and the management of the business and affairs of the Company.

Section 9.2 **NUMBER AND ELECTION.** The Board of Managers shall consist of three Managers (unless it has only two Managers as a result of the last two sentences of this paragraph). Managers shall be elected as follows: Members holding Class A Units shall have the right to elect one Manager, Members holding Class B Units shall have the right to elect one Manager, and Larry Buffington shall serve as a Manager. In the event of the death, resignation or removal of a Manager, the Member who elected such Manager may elect a successor Manager. Notwithstanding the foregoing, in the event that Larry Buffington ceases to be actively employed by the Company on a full-time basis as the Company's principal executive officer, then as of the date of such cessation, he shall cease to serve as a Manager, and the size of the Board of Managers will thereupon be reduced to two Managers. In addition, Larry Buffington shall not have the right to serve as a Manager during any period of time during which he is serving as an officer or employee of Liquidmetal Technologies, Inc. ("LMT"). The Member holding Class A Units hereby elects John Kang to serve as an initial Manager, and the Members holding Class B Units hereby elect Robert Smith to serve as an initial Manager.

Section 9.3 **RESIGNATION.** A Manager may resign at any time by delivering written notice to the Board of Managers or to the Company. A resignation is effective when notice is delivered unless the notice specifies a later effective date.

Section 9.4 **REMOVAL OF MANAGER.** Each Member may remove its elected Manager, with or without cause, at any time.

Section 9.5 **EXPRESSLY AUTHORIZED RIGHTS AND POWERS.** Without limiting the generality of Section 9.1, but subject to the provisions of Section 9.6, the Board of Managers are expressly authorized on behalf of the Company to:

- (a) elect officers to manage the day-to-day operations of the Company;
- (b) procure and maintain with responsible companies such insurance as may be advisable in such amounts and covering such risks as are deemed appropriate by the Board of Managers;
- (c) take and hold any assets of the Company in the Company name, or in the name of a nominee of the Company;
- (d) execute and deliver on behalf of and in the name of the Company, or in the name of a nominee of the Company, all instruments necessary or incidental to the conduct of the Company's business;
- (e) protect and preserve the assets of the Company and incur indebtedness;
- (f) sell, dispose of, trade, exchange, convey, quitclaim, surrender, release or abandon, upon terms and conditions which the Board of Managers may negotiate and deem appropriate, personal property of the Company;
- (g) execute and deliver documents and instruments on behalf of the Company in connection with the acquisition and disposition of its assets, and to execute, terminate, modify, enforce, continue or otherwise deal with any Company indebtedness and security interests, to sell Company assets, and to take any other action with respect to agreements made between the Company and a lender or any affiliate thereof, all subject to the limitations of Section 9.6;
- (h) open Company bank accounts in which all Company funds shall be deposited and from which payments shall be made; and
- (i) invest Company funds and working capital reserves.

Section 9.6 **CERTAIN LIMITATIONS.** Notwithstanding the generality of the foregoing, and in addition to other acts expressly prohibited by this Agreement or by law, the Board of Managers, without the prior written consent or approval of the Members holding a Supermajority (as defined in Article XVI) of the issued and outstanding Membership Units, may not cause the Company to do any of the following:

- (a) amend or restate the Certificate of Formation;
- (b) sell, lease, exchange or otherwise dispose of all or substantially all the Company's property and assets;

- (c) be a party to (i) a merger, (ii) interest exchange or (iii) other transaction affecting the ownership or structure of the Company;
- (d) do any act in contravention of this Agreement;
- (e) do any act which would make it impossible to carry on the ordinary business of the Company, except as expressly provided in this Agreement;
- (f) confess a judgment against the Company;
- (g) file a bankruptcy petition on behalf of the Company;
- (h) execute or deliver any general assignment for the benefit of the creditors of the Company;
- (i) Convert the Company to a Corporation pursuant to Article XIII;
- (j) assign rights in specific Company property for other than a Company purpose; or
- (k) knowingly or willingly do any act (except an act expressly required by this Agreement) which would cause the Company to become an association taxable as a corporation.

Section 9.7 **MEETINGS OF MANAGERS.**

(a) **Following Annual Meeting of Members.** In connection with any annual meeting of Members at which Managers were appointed, the Board of Managers may, if a quorum is present, hold its first meeting for the transaction of business immediately after and at the same place as such annual meeting of the Members. Notice of such meeting at such time and place shall not be required.

(b) **Regular Meetings.** Regular meetings of the Board of Managers shall be held at such times and places as shall be designated from time to time by resolution of the Board of Managers. Notice of such regular meetings shall not be required after the initial notice of the schedule of meetings.

(c) **Special Meetings.** Special meetings of the Board of Managers may be called by the President or by any Manager on at least forty-eight (48) hours notice to each Manager. Such notice shall state the purpose or purposes of, or the business to be transacted at, such meeting.

(d) **Attendance and Place of Meeting.** Meetings of the Board of Managers may be held at such place or places as shall be determined from time to time by resolution of the Board of Managers. The chair of the Board of Managers, if one has been designated by the Board of Managers, shall preside when present at meetings of the Board of Managers. Attendance of a Manager at a meeting shall be presumed to constitute a waiver of notice of such meeting, except where a Manager attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened or unless he or she shall file a written objection to such action with the Person

acting as secretary of the meeting before the adjournment thereof on the ground that the meeting is not lawfully called or convened.

(e) **Quorum and Action.** A quorum for the transaction of business of the Board of Managers shall require the presence of a majority of the number of Managers fixed pursuant to Section 9.2 of this Article. At all meetings of the Board of Managers, business shall be transacted in such order as shall from time to time be determined by resolution of the Board of Managers. The act of the majority of the Managers present at a meeting at which a quorum is present shall be the act of the Board of Managers. A Manager who is present at a meeting of the Board of Managers at which action on any Company matter is taken shall be presumed to have assented to the action unless he or she shall either voice his or her dissent at the meeting or unless he or she shall file a written dissent to such action with the person acting as secretary of the meeting before the adjournment thereof. Such right to dissent shall not apply to a Manager who voted in favor of such action.

(f) **Action by Written Consent or Telephone Conference.** Any action permitted or required to be taken at a meeting of the Board of Managers or of any committee designated by the Board of Managers may be taken without a meeting, without prior notice and without a vote if a consent or consents in writing, setting forth the action so taken, is signed by a quorum of the Managers as set forth in Section 9.7(e). Such consent shall have the same force and effect as a vote taken at a meeting and may be stated as such in any document or instrument filed with the Secretary of State of Delaware, and the execution of such consent or consents shall constitute attendance or presence in person at a meeting of the Board of Managers or any such committee, as the case may be. A telegram, telex, cablegram or similar transmission by a person, or a photographic, photostatic, facsimile or similar reproduction of a writing signed by a person, shall be regarded as signed by that person for the purposes of this Section 9.7(f).

Subject to the requirements of the Act, the Certificate of Formation or this Agreement, the Board of Managers, or members of any committee designated by the Board of Managers, may participate in and hold a meeting of the Managers or any committee of Managers, as the case may be, by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can speak to and hear each other, and participation in such meeting shall constitute attendance and presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 9.8 COMPENSATION. If approved by the Board of Managers and the Members, one or more Managers, or members of any committee designated by the Board of Managers, may be reasonably compensated for services rendered. Each Manager and members of any committee designated by the Board of Managers shall be reimbursed for actual expenses incurred in attending meetings.

ARTICLE X OFFICERS

Section 10.1 NUMBER. The Officers of the Company shall be the President, a Secretary and a Treasurer, each of whom shall be elected by the Board of Managers. Such other Officers and

16

assistant Officers and agents as may be deemed necessary may be elected or appointed by the Board of Managers. Any two (2) or more offices may be held by the same person. The Board of Managers hereby elects Larry Buffington as the initial President and Chief Executive Officer of the Company to serve until his successor is duly elected or until his earlier resignation or removal.

Section 10.2 ELECTION AND TERM OF OFFICE. The Officers of the Company shall be elected annually by the Board of Managers at the regular meeting of the Managers held after each annual meeting of the Members. If the election of Officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Each Officer shall hold office until his successor shall have been duly elected and shall have qualified or until his earlier resignation, removal from office or death.

Section 10.3 REMOVAL AND RESIGNATION. Any Officer or agent elected or appointed by the Board of Managers may be removed by the Board of Managers with or without cause, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an Officer or agent shall not of itself create contract rights. Any Officer of the Company may resign at any time by giving written notice to the Board of Managers. Any such resignation shall take effect after time specified therein, or, if the time is not specified therein, upon its acceptance by the Board of Managers.

Section 10.4 VACANCIES. A vacancy, however occurring, in any office may be filled by the Board of Managers for the unexpired portion of the term.

Section 10.5 CHAIR. The Chair of the Board of Managers, if one is elected or appointed, shall preside at all meetings of the Board of Managers and shall have such other powers and duties as may from time to time be prescribed by the Board of Managers, upon written directions given to him or her pursuant to resolutions duly adopted by the Board of Managers.

Section 10.6 PRESIDENT. The President shall be the principal executive Officer of the Company and, subject to the control of the Board of Managers, shall in general supervise and control all of the business affairs of the Company. The President shall, when present, preside at all meetings of the Members and of the Board of Managers, unless the Board of Managers has elected a Chair of the Board of Managers and the Chair is present at such meeting. The President may sign deeds, mortgages, bonds, contracts, or other instruments which the Board of Managers has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Managers or by this Agreement to some other Officer or agent of the Company, or shall be required by law to be otherwise signed or executed; and in general shall perform all duties as from time to time may be assigned to him by the Board of Managers.

Section 10.7 VICE PRESIDENTS. If a Vice-President is elected or appointed, in the absence of the President or in the event of his death, inability or refusal to act, the Vice-President shall have the duties of the President, and when so acting, shall have all the powers of, and be subject to all the restrictions upon, the President. The Vice-President shall perform such other duties as from time to time may be assigned to him by the President or the Board of Managers.

Section 10.8 SECRETARY. The Secretary shall: (a) keep the minutes of all the meetings of the Members and the Board of Managers in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of this Agreement or as required by law; (c) be custodian of the Company records; (d) keep a register of the post office address of each

17

Member; (e) have general charge of the Membership Unit transfer books of the Company, if the Company issues certificates representing such Membership Units; and (f) in general perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned to him by the President or by the Board of Managers.

Section 10.9 TREASURER. The Treasurer shall: (a) have charge and custody of and be responsible for all funds and securities of the Company; receive and give receipts for moneys due and payable to the Company from any source whatsoever, and deposit all such moneys in the name of the Company in such banks, trust companies or other depositories as shall be selected by the Board of Managers; and (b) in general perform all of the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to him by the President or by the Board of Managers. If required by the Board of Managers, the Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Managers shall determine.

Section 10.10 SALARIES. The salaries of the Officers shall be fixed from time to time by the Board of Managers and no Officer shall be prevented from receiving such salary by reason of the fact that he is also a Manager of the Company.

ARTICLE XI INDEMNIFICATION OF MEMBERS, MANAGERS AND DIRECTORS

Section 11.1 RIGHT TO INDEMNIFICATION. The Company shall indemnify the Members, Managers and Officers to the fullest extent allowed by law from all claims brought by third parties relating to or arising out of the Company's business. The Company shall indemnify and hold harmless the Members, Managers and Officers to the fullest extent permitted or authorized by the Act or future legislation or by current or future judicial or administrative decision (but, in the case of future legislation or decision, only to the extent that it permits the Company to provide broader indemnification rights than permitted prior to the legislation or decision), against all fines, liabilities, settlements, losses, damages, costs and expenses, including attorneys' fees, asserted against the Member, Manager and/or Officer or incurred by any of them in their capacity as Member, Manager and/or Officer or arising out of their status as Member, Manager and/or Officer, as the case may be. The foregoing right of indemnification shall not be exclusive of other rights to which those seeking indemnification may be entitled. The Company may maintain insurance, at its expense, to protect itself and the indemnified persons against all fines, liabilities, costs and expenses, including attorneys' fees, whether or not the Company would have the legal power to indemnify him directly against such liability.

Section 11.2 ADVANCES. Costs, charges and expenses (including attorneys' fees) incurred by a person referred to in Section 11.1 in defending a civil or criminal suit, action or proceeding shall be paid by the Company in advance of the final disposition thereof upon receipt of an undertaking to repay all amounts advanced if it is ultimately determined that the person is not entitled to be indemnified by the Company as authorized by this Article.

Section 11.3 SAVINGS CLAUSE. If this Article XI or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless the Members, Managers, Officers or any other person indemnified pursuant to this Article XI as to costs, charges and expenses (including attorneys' fee), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding.

18

whether civil, criminal, administrative or investigative to the full extent permitted by any applicable portion of this Article XI that shall not have been invalidated and to the fullest extent permitted by applicable law.

ARTICLE XII ASSIGNMENT OF MEMBERSHIP UNITS

Section 12.1 GENERAL RESTRICTION ON ASSIGNMENT. Except as expressly permitted hereunder, no Member or Economic Interest Owner may Transfer all or any portion of, or any interest or rights in, their Membership Units or Economic Interest without the prior written consent of the Board of Managers (excluding Managers who are Affiliates of the transferring Member) (the "Non-Affiliated Managers") or, if there are no Non-Affiliated Managers, then the consent of all of the Members other than the transferring Member (the "Non-Affiliated Members"). Each Member hereby acknowledges the reasonableness of this prohibition in view of the purposes of the Company and the relationship of the Members.

The Transfer of any Membership Units or Economic Interests in violation of the prohibition contained in this Section 12.1 shall be deemed invalid, null and void, and of no force and effect. Any Person to whom Membership Units are attempted to be Transferred in violation of this Section 12.1 shall not be entitled to vote on matters coming before the Members, participate in the management of the Company, act as an agent of the Company, receive distributions from the Company or have any other rights in or with respect to the Membership Units. Any person to whom an Economic Interest is attempted to be transferred in violation of this Section 12.1 shall not be entitled to receive distributions from the Company or have any other rights in or with respect to the Economic Interest.

For purposes of this Agreement, the term "Transfer", or "Transferred", when used in this Agreement with respect to the Membership Units or Economic Interests, includes a sale, assignment, gift, pledge, encumbrance or any other disposition, whether voluntary, by operation of law or otherwise, and "transferee" and "transferor" have corresponding meanings. Further, any such proposed Transfer must be accomplished by written instrument satisfactory in form and content to the Non-Affiliated Managers or Non-Affiliated Members (as the case may be), accompanied by such assurances of genuineness and effectiveness of signatures and the obtaining of any governmental approvals or legal opinions as the Non-Affiliated Managers or Non-Affiliated Members (as the case may be) may reasonably require and payment of any reasonable costs of transfer as the Non-Affiliated Managers or Non-Affiliated Members (as the case may be) may require and all transfer taxes as may be imposed.

In the event of a "change of control" (as defined hereinbelow) of the Class A Holder, the Class C Holder shall be deemed to have made an offer to sell all of his Membership Units and Economic Interests to the Company immediately prior to the effectuation of the change of control in accordance with the terms of Section 12.2 hereinbelow; provided, however, that for purposes of this provision, the per Membership Unit purchase price for the Offered Interest shall be the Fair Market Value (as defined in Article XVI hereinbelow) of the Offered Interest and the terms of payment shall be the payment terms set forth in Section 12.2(d) below. For purposes of this provision, the term "change of control" shall mean a transaction or series of transactions (related or unrelated) which result in the Class A Holder no longer owning, immediately after such transaction or series of transactions, in excess of fifty percent (50%) (determined by vote and value) of the issued and outstanding equity securities or beneficial interests of the Company.

19

Section 12.2 RIGHT OF FIRST REFUSAL. In addition to the general restrictions contained in Section 12.1 above, no Member or Economic Interest Owner may voluntarily Transfer any right, title or interest in its Membership Units or Economic Interest, or any part thereof, to any Person, unless the Member or Economic Interest Owner desiring to make the transfer, hereinafter referred to as the "Transferor", shall (a) have received a *bona fide* written offer to purchase such interest in the Company by an unrelated third party (the "Proposed Transferee") and (b) have made an offer to tender to the Company for redemption all of the Transferor's interest in the Company which the Transferor desires to sell, give or otherwise transfer to the Proposed Transferee (the "Offered Interest") in the manner hereinafter described in this Section 12.2, and the offer shall not have been accepted.

(a) **Offer by Transferor.** The offer by a Transferor shall be given in writing to the Company and shall be accompanied by a copy of the written offer, proposal or contract, between the Transferor and the Proposed Transferee (hereinafter referred to as the "Written Offer"), and shall set forth the nature of the transaction (whether sale, gift, or other transfer), the name and address of the Proposed Transferee and the terms of the transaction, including an identification of the interest involved, the number of Membership Units involved, the purchase price, and the payment terms (hereinafter referred to as the "Proposed Transaction"). The offer by the Transferor shall consist of an offer to tender to the Company for redemption all of the Offered Interest at the price and upon the terms set forth in this Section 12.2 below.

(b) **Exercise of Option.** Within fifteen (15) days after the receipt of the offer, the Company shall have the option, but not the duty, to redeem all or any portion of the Offered Interest; provided, however, that the Company's decision to accept or reject the offer shall be made by a vote of a majority of the Non-Affiliated Managers or, if there are no Non-Affiliated Managers, then by a Majority Vote of the Non-Affiliated Members. The election to redeem shall be exercised by the giving of notice thereof to the Transferor.

The notice of exercise of option shall specify a date for the closing of the redemption of the Offered Interest (hereinafter referred to as the "Closing" or the "Closing Date"), which shall not be less than thirty (30) days nor more than sixty (60) days after the expiration of the time within which the Company may exercise its option.

(c) **Redemption/Purchase Price.** If the Company elects to redeem all of the Offered Interest, the price for each Membership Unit of the Offered Interest shall be the price per Membership Unit set forth in the Written Offer.

(d) **Payment of Redemption/Purchase Price.** Upon any redemption under this Section 12.2, the redemption price shall be paid in accordance with the terms provided in the Written Offer.

(e) **Closing.** The Closing of a purchase under this Section 12.2 shall take place at the principal office of the Company on a date specified in writing in the written acceptance by the Company to the Transferor, unless the Transferor and the Company otherwise mutually agree on another place or date. At the Closing, the Transferor shall deliver, in exchange for the total purchase price, whether in cash or partially in cash and partially by promissory notes, as the case may be, the certificate, if any, representing the Offered Interest

20

being transferred, duly endorsed, and such other documents as shall be necessary and reasonably required to conclude the transfer.

(f) **Release from Restriction.** If the Transferor's offer to tender or sell is not accepted by the Company as to the entire interest of the Transferor, the Transferor may make a transfer to the prospective *bona fide* transferee of the entire Offered Interest, the transfer to be made only in strict accordance with the terms of the Written Offer. If the Transferor shall fail to make the transfer within thirty (30) days following the expiration of the time hereinabove provided for the exercise of the election to purchase by the Company, the Membership Units of the Transferor shall again be subject to all the restrictions of this Agreement.

(g) **Continuance of Restrictions Upon Subsequent Owners.** In the event the Transferor makes a *bona fide* transfer of the Offered Interest under the provisions of this Section 12.2, then the Offered Interest transferred to the Proposed Transferee shall be subject to all the provisions of this Agreement. No Membership Units or Economic Interest shall be transferred on the books of the Company and no certificate evidencing such Membership Units or Economic Interest shall be issued to the Proposed Transferee unless and until the Proposed Transferee has executed a counterpart to this Agreement, the original of which shall be retained as part of the Company's records. Failure of the Proposed Transferee to execute a counterpart to this Agreement, however, shall not affect the applicability of this Agreement to the Offered Interest, it being the intention of each Member and the Company that any and all subsequent owners of Membership Units and Economic Interests voluntarily transferred shall only receive and own the Membership Unit or Economic Interest subject to the same restrictions upon transfer and encumbrance as set forth in this Agreement, to which the Transferor was subject, including, without limitation, all of the provisions of this Article XII.

Section 12.3 INVOLUNTARY TRANSFER. In the event any Membership Units or Economic Interest are the subject of an involuntary Transfer, whether due to bankruptcy, assignment for benefit of creditors, judicial order, legal process, divorce, execution, attachment, enforcement of a pledge or other encumbrance, or otherwise (hereinafter referred to as the "Affected Interest"), the Member or Economic Interest Owner owning the Affected Interest shall be deemed to have made, immediately prior to such involuntary transfer, an offer first to tender to the Company for redemption all of the Affected Interest in the manner hereinafter described in this Section 12.3. There shall be no obligation or requirement that the Company redeem any of the Affected Interest under this Section 12.3, any redemption of the Affected Interest being solely upon election to do so. The Company may redeem all or any portion of the Affected Interest.

(a) **Exercise of Option.** If the Company elects to redeem all or any portion of the Affected Interest in accordance with this Section 12.3, the Company shall serve notice in writing of its election upon the Member owning the Affected Interest and the creditor(s) of the Member, spouse (in the event of a divorce) or other person or entity who is to be the recipient of the Affected Interest (hereinafter referred to collectively as the "Transferor") within ninety (90) days after the Board of Managers shall have received actual notice of the involuntary transfer. The Company's decision to accept or reject the offer shall be made by a majority vote of the Non-Affiliated Managers or, if there are no Non-Affiliated Managers, then by a Majority Vote of the Non-Affiliated Members.

21

The notice of exercise of option shall specify a date for the closing of the redemption of the Affected Interest (hereinafter referred to as the "Closing" or the "Closing Date"), which shall not be less than thirty (30) days nor more than ninety (90) days after the expiration of the time within which the Company may exercise its option.

(b) **Redemption/Purchase Price.** If the Company elects to redeem all or any portion of the Affected Interest, the price for each Membership Unit of the Affected Interest shall be the lesser of: (i) the Fair Market Value (as defined in Article XVI hereinbelow) of the Affected Interest, or (ii) the total amount, including acquisition costs, if any, which had been due to the creditor of the Member who was to be the recipient of the Affected Interest.

(c) **Payment of Redemption/Purchase Price.** Upon any redemption under this Section 12.3, the redemption price shall be paid in the same manner provided in Section 12.2(d) above.

(d) **Closing.** The closing of a purchase under this Section 12.3 shall take place at the principal office of the Company on a date specified in writing in the written acceptance by the Company to the Transferor, unless the Transferor and the Company otherwise mutually agree on another place or date. At the Closing, the Transferor shall deliver, in exchange for the total purchase price, whether in cash or partially in cash and partially by promissory notes, as the case may be, the certificate, if any, representing the Affected Interest being transferred, duly endorsed, and such other documents as shall be necessary and reasonably required to conclude the transfer.

(e) **Continuance of Restrictions Upon Transferor.** In the event the "deemed offer" of the Transferor is not accepted by the Company as to all of the Affected Interest, then the portion of the Affected Interest not redeemed under this Section 12.3 may be transferred to the transferee/creditor subject to all of the provisions of this Agreement. The transferee/creditor shall execute a counterpart of this Agreement, the original of which shall be retained as part of the Company's records. The failure of the transferee/creditor to execute a counterpart to this Agreement shall not affect the applicability of this Agreement to the Affected Interest, it being the intention of each Member and the Company that any and all subsequent owners of Membership Units or Economic Interests acquired pursuant to an involuntary transfer shall only receive and own the Membership Units or Economic Interests subject to the restrictions upon transfer and encumbrance as set forth in this Agreement to which the Original Member was subject.

Section 12.4 TERMINATION OF EMPLOYMENT. In the event that Larry Buffington's ("Buffington") employment with the Company is terminated for any reason (including but not limited to death, voluntary severance or permanent disability) (the "Terminating Event"), then the Company may redeem, within six (6) months after the Terminating Event, all of the Class C Units in the Company owned by Buffington on the following terms:

(a) For twenty-percent (20%) of the Fair Market Value (as defined in Article XVI hereinbelow) of the Class C Units owned by Buffington if the Terminating Event occurs within one year of the effective date of this Agreement;

22

(b) For forty-percent (40%) of the Fair Market Value (as defined in Article XVI hereinafter) of the Class C Units owned by Buffington if the Terminating Event occurs within the second year after the effective date of this Agreement;

(c) For sixty-percent (60%) of the Fair Market Value (as defined in Article XVI hereinafter) of the Class C Units owned by Buffington if the Terminating Event occurs within the third year after the effective date of this Agreement;

(d) For eighty-percent (80%) of the Fair Market Value (as defined in Article XVI hereinafter) of the Class C Units owned by Buffington if the Terminating Event occurs within the fourth year after the effective date of this Agreement.

(e) For the Fair Market Value (as defined in Article XVI hereinafter) of the Class C Units owned by Buffington if the Terminating Event occurs within or after the fifth year after the effective date of this Agreement.

The redemption price shall be paid within ninety (90) days after the Company notifies Buffington or his successor of the election to redeem his Class C Units. The redemption price shall be paid in cash to the extent it will not impair the operations of the Company, and the balance shall be paid by a promissory note payable on the first anniversary of the Termination Event with interest at Prime Rate published in the *Wall Street Journal*, adjusted quarterly.

Section 12.5 **WITHDRAWALS.** No Member may withdraw from the Company, except upon the prior written consent of the Board of Managers.

Section 12.6 **RIGHTS OF ASSIGNEE OF MEMBERSHIP UNITS.** Unless the assignee of a Membership Unit is admitted as a Substituted Member as provided in Section 12.7, the assignee will be merely an Economic Interest Owner, and the assignee's rights shall be limited to sharing in the profits to which the assignor would otherwise have been entitled and to receiving the assignor's share of any proceeds and an accounting upon dissolution. The assignee shall have no right to vote on Company matters, exercise any purchase rights granted to Members hereunder, inspect Company books and records or otherwise participate in Company affairs and the interest of the assignee shall be disregarded for purposes of determining whether Members owning the required Membership Units have voted on any matter requiring a vote of the Members or in determining the total of the Membership Units outstanding for voting purposes. For example, in the event a judgment creditor obtains a charge against a Member's Membership Unit, pursuant to Section 608.433(4) of the Act, or any successor provision, then unless the judgment creditor is admitted as a Substituted Member, the judgment creditor will be merely an Economic Interest Owner and will not acquire any other rights of a Member. All remaining rights and interest in the Membership Units which were owned by the Transferring Member immediately prior to the Transfer and that were associated with the assigned Economic Interest (including, without limitation, the rights of the Transferring Member to participate in the management and affairs of the Company) shall immediately lapse until the Managers, in their sole discretion, reinstate such rights to the Economic Interest Owner or to a successor or transferee of such Economic Interest Owner.

Section 12.7 **SUBSTITUTED MEMBER.** An assignee of the whole or any portion of a Member's Membership Interests in the Company, validly assigned under this Article XII, may become a Substituted Member in the place of his assignor(s), to the extent of the Membership Interests validly assigned, if all of the following conditions are satisfied:

23

(a) A fully executed and acknowledged written instrument of assignment has been filed with the Company which sets forth the intention of the assignor(s) that the assignee become a Substituted Member in his/her place, to the extent of the Membership Interests assigned.

(b) The assignee executes, acknowledges and delivers to the Managers a written acceptance and adoption of the provisions of this Agreement, in form and substance acceptable to the Managers in their sole discretion.

(c) The assignee pays a transfer fee to the Company in an amount sufficient to cover all reasonable expenses connected with the admission of such person as a Substituted Member.

Section 12.8 **SECURITIES LAWS.** The Membership Units have not been registered under the Federal or state securities laws of any state and, therefore, may not be resold unless appropriate Federal and state securities laws, as well as the other provisions of this Article XII have been complied with.

Section 12.9 **INVALID TRANSFER.** No Transfer of a Membership Unit or Economic Interest that is in violation of this Article XII shall be valid or effective, and the Company shall not recognize any improper transfer for the purposes of making allocations, payments of profits, return of capital contributions or other distributions with respect to such Membership Unit or Economic Interest. The Company may enforce the provisions of this Article XII either directly or indirectly or through its agents by entering an appropriate stop transfer order on its books or otherwise refusing to register or transfer or permit the registration or transfer on its books of any proposed transfers not in accordance with this Article XII.

Section 12.10 **DISTRIBUTIONS AND ALLOCATIONS IN RESPECT OF A TRANSFERRED INTEREST.** If any Member Transfers any part of a Membership Unit or Economic Interest in the Company during any accounting period in compliance with the provisions of this Article XII, Company income, gain, deductions and losses attributable to such interest for the respective period shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during the applicable accounting period in accordance with Code section 706(d), using the daily proration method. All Company distributions on or before the effective date of such transfer shall be made to the transferor and all such Company distributions thereafter shall be made to the transferee. Solely for purposes of making Company tax allocations and distributions, the Company shall recognize a transfer on the day following the day of transfer. Neither the Company nor any Member shall incur any liability for making Company allocations and distributions in accordance with the provisions of this Section 12.10.

Section 12.11 **DRAG-ALONG RIGHTS(a)** . Notwithstanding anything in this Agreement to the contrary, in the event that either the Class A Holders or the Class B Holders elect to sell all of their Membership Units in a single transaction to a bona fide third party purchaser, either the Class A Holders or the Class B Holders, as the case may be, may require all of the other Members (the "Affected Members") to sell all of their Membership Units for the same price and on the same terms as those to be received by either the Class A Holders or the Class B Holders, as the case may be. In such case, the provisions of Sections 12.1 and 12.2 hereof shall not apply to such Transfer and the Affected Members shall be deemed to have made an offer to sell all of their Membership Units on such terms and conditions as those under which

24

either the Class A Holder or the Class B Holder, as the case may be, will sell its Membership Units; provided, however, that the Affected Members shall have no liability regarding any representations made by either the Class A Holder or the Class B Holder, as the case may be, except representations relating to the Affected Members' ownership of the Membership Units, their ability to deliver marketable title to such Membership Units and similar representations.

(b) Notwithstanding anything in this Agreement to the contrary, in the event that either the Class A Holders or the Class B Holders elect to sell all of their Membership Units in a single transaction to a bona fide third party purchaser, either the Class A Holders or the Class B Holders, as the case may be, shall require the bona fide third party purchaser to offer to the Affected Members to purchase all their Membership Units for the same price and on the same terms as those to be received by either the Class A or the Class B Holders, as the case may be. If the third party purchaser will not make such offer to the Affected Members, then the Class A Holders or the Class B Holders, as the case may be, shall not be allowed to sell their Membership Units to such third party purchaser.

Section 12.12 **APPLICABILITY OF PROVISIONS TO CLASS A HOLDERS(a)** The provisions of Sections 12.1 and 12.2 shall not apply to the Membership Units owned by any Class A Holder, and any Class A Holder may transfer any or all of its Membership Units without the consent of the Board of Managers or the Members, subject to the provisions of Section 12.12(b) below.

(b) At any time a Class A Holder reasonably anticipates that it has a good faith desire to sell some or all of its Membership Units, such Class A Holder shall notify the Class B Holders of that desire and determine whether the Class B Holders have an interest in purchasing all the Membership Units owned by such Holders (the "Offered Units"). If the Class B Holders, or any of them, have such an interest, they shall make an offer to purchase the Offered Units, and the parties will negotiate in good faith to enter into a definitive purchase agreement with respect thereto. If the parties have not entered into a definitive purchase agreement within ninety (90) days after the original notice from the Class A Holder, the Class A Holder may offer and sell the Offered Units to a third party purchaser (the "Third Party Purchaser"). If the Class A Holder shall fail to locate a Third Party Purchaser to purchase the Offered Units within one hundred eighty (180) days following the expiration of the time hereinabove provided for, the Offered Units shall again be subject to all the restrictions of this Agreement.

(c) **Continuance of Restrictions Upon Subsequent Owners.** In the event a Class A Holder sells the Offered Units to a Third Party Purchaser under the provisions of this Section 12.12, then the Offered Units transferred to the Third Party Purchaser shall be subject to all the provisions of this Agreement. No Membership Units or Economic Interest shall be transferred on the books of the Company and no certificate evidencing such Membership Units or Economic Interest shall be issued to the Third Party Purchaser unless and until the Third Party Purchaser has executed a counterpart to this Agreement, the original of which shall be retained as part of the Company's records. Failure of the Third Party Purchaser to execute a counterpart of this Agreement, however, shall not affect the applicability of this Agreement to the Offered Units, it being the intention of each Member and the Company that any and all subsequent owners of Membership Units and Economic Interests voluntarily transferred shall only receive and own the Membership Units or Economic Interests subject

25

to the same restrictions upon transfer and encumbrance as set forth in this Agreement, to which the Class A Holder was subject, including the applicable provisions of this Article XII.

(d) With the exception of the application of Sections 12.1 and 12.2 to any Class A Holder, any transfer by any Class A Holder of any or all of its Membership Units shall be subject to the remaining Sections of this Article XII.

ARTICLE XIII CONVERSION TO CORPORATE SOLUTION

Subject to Section 9.6, the Board of Managers shall have the power and authority to effect the conversion of the Company's business form from a limited liability company to a corporation (for any reason whatsoever, including without limitation, a public offering of the Company's Capital Securities) or the merger of the Company with or into a new or previously-established but dormant corporation having no assets or liabilities, debts or other obligations of any kind whatsoever other than those associated with its formation and initial capitalization (such a conversion or merger is referred to as a "Conversion" and such corporation is referred to as "Newco").

Upon the consummation of a Conversion, the Units held by each holder thereof shall thereupon be converted into a number of shares of Newco's Capital Securities containing the economic and other terms and rights relative to each other holder of Units as the Board of Managers shall determine to be as nearly as practicable in all material respects the same as such holder's Units as provided herein. The Board of Managers' determination of the class (and the terms thereof and rights associated therewith) and number of shares of Newco Capital Securities that each Member receives upon a Conversion shall be final and binding on the holders of Units absent manifest arithmetic error.

In connection with a Conversion, each Member hereby covenants and agrees to take any and all such action and execute and deliver any and all such instruments and other documents as the Board of Managers may reasonably request in order to effect or evidence such Conversion. Without limiting the generality of the foregoing, no Member shall have or be entitled to exercise any dissenter's rights, appraisal rights or other similar rights in connection with such

**ARTICLE XIV
BOOKS AND RECORDS**

Section 14.1 BOOKS AND RECORDS. The Board of Managers shall keep or cause to be kept complete books and records of the Company and supporting documentation of the transactions with respect to the conduct of the Company's business. These and all other records of the Company, including information relating to the Company's activities, information with respect to the sale by a Member or any Affiliate of goods or services to the Company, and a list of the names and business addresses of all Members shall be kept at the offices of the Company, or at such other location as may be determined by the Board of Managers, and shall be available for examination there by any Member, or his duly authorized representative, at reasonable times upon reasonable notice. Any Member, or his duly authorized representative, upon paying the costs of collection, duplication and mailing, shall be entitled to a copy of the list of names and addresses of the Members. The books and records shall be maintained in accordance with sound accounting practices.

26

The Company will also cause Liquidmetal Coatings Solutions, LLC, a Delaware limited liability company ("LMCS"), its wholly owned subsidiary, to keep complete books and records in the same manner as required above.

Section 14.2 CUSTODY OF MEMBER FUNDS; BANK ACCOUNTS.

(a) The Board of Managers shall have fiduciary responsibility for the safekeeping and use of all funds and assets of the Company, whether or not in the immediate possession or control of the Board of Managers. The funds of the Company shall not be commingled with the funds of any other person and the Board of Managers shall not employ, or permit any other person to employ, such funds in any manner except for the benefit of the Company.

(b) All funds of the Company not otherwise invested shall be deposited in one or more accounts maintained in such banking institutions as the Board of Managers shall determine, and withdrawals shall be made only in the regular course of Company business on such signature or signatures as the Board of Managers may, from time to time, determine.

Section 14.3 ACCOUNTANTS. The accountants for the Company shall be such certified public accountants as shall be selected by the Board of Managers.

Section 14.4 SECTION 754 ELECTION. In the event of a distribution of Company Property (other than money) to a Member or upon a transfer of all or any part of the Membership Units of a Member, the Board of Managers may in their sole and absolute discretion, upon the written request of the Member receiving the distribution or the transferee of the Membership Units, as the case may be (the "Electing Member"), elect pursuant to Section 754 of the Code, to adjust the basis of the Company's property in the manner provided in Sections 734 and 743 thereof, respectively. Each Member agrees to furnish the Company with all information necessary to give effect to such election. The election will be filed with the Company information tax return for the first taxable year to which the election applies. If the Board of Managers decide to make the Section 754 election, the Electing Member will be responsible for all additional accounting costs incurred by the Company as a result of the Electing Member's request to make the election under Code Section 754.

Section 14.5 FISCAL YEAR. The fiscal year of the Company shall be the calendar year.

Section 14.6 TAX MATTERS PARTNER. LMT shall be the "Tax Matters Partner" of the Company for purposes of Section 6231(a)(7) of the Code. The Tax Matters Partner shall have the power and authority, subject to the review and control of the Board of Managers, to manage and control, on behalf of the Company, any administrative proceeding at the Company level with the Internal Revenue Service relating to the determination of any item of Company income, gain, loss, deduction or credit for federal income tax purposes. The Tax Matters Partner may be removed, and a new Tax Matters Partner appointed, by the Board of Managers in accordance with the Code and the Treasury Regulations.

Section 14.7 ANNUAL FINANCIAL STATEMENTS AND TAX RETURN INFORMATION. The Company shall provide to C³ Capital Partners, L.P. ("C³"), and C³ Capital Partners II, L.P. ("C³ II"), as soon as available, and, in any event, within one hundred and twenty (120) days after the end of each fiscal year of the Company, beginning with the fiscal year ending December 31, 2007, a copy of the annual consolidated financial statements of the Company and

27

LMCS for such fiscal year containing balance sheets, statements of income, retained earnings and cash flows at the end of such fiscal year, in each, except for the fiscal year ending December 31, 2007, setting forth in comparative form the figures for the preceding fiscal year (if any), all in reasonable detail and audited and certified by independent certified public accountants of recognized standing reasonably acceptable to C³ and C³ II, to the effect that such report has been prepared in accordance with GAAP. Within ninety (90) days after the end of each Tax year, Company shall provide sufficient information with respect to the Company for such Tax year necessary for C³ and C³ II to prepare their federal, state and local income Tax Returns. The Company shall provide copies of the federal, state and local income Tax Returns of the Company for each Tax year promptly after the filing thereof.

Section 14.8 MONTHLY FINANCIAL STATEMENTS. The Company shall provide to C³ and C³ II, as soon as available and, in any event, within thirty (30) days after the end of each month, a copy of an unaudited consolidated financial report of the Company and LMCS as of the end of such month and for the portion of the fiscal year then ended, including balance sheets, statements of income, retained earnings and cash flows, setting forth in each case comparisons to the Company's and LMCS's Annual Budget and to the corresponding period in the preceding fiscal year and a brief narrative explaining the results of the Company's and LMCS's operations for such period; all such statements shall have been prepared in accordance with GAAP (absent footnotes and customary year-end adjustments) and fairly present the financial condition and results of operations of the Company and LMCS at the date and for the periods indicated therein.

Section 14.9 INSPECTION RIGHTS. At any reasonable time and from time to time, the Company shall permit representatives of C³ and C³ II to examine, copy and make extracts from its books and records, to visit and inspect the Company's and LMCS's properties, and to discuss Company's and LMCS's business, operations, and financial condition with Company's or LMCS's officers, employees and independent certified public accountants, provided that C³ and C³ II agree to keep such information confidential and to use such information solely in connection with its investment in the Membership Units.

**ARTICLE XV
EMPLOYMENT AGREEMENTS**

The Company shall neither (i) modify, amend or terminate the confidentiality, nonsolicitation and noncompetition agreements between the Company and Larry Buffington (the "Employment Agreements") without the prior written consent of C³ and C³ II, which consent shall not be unreasonably withheld or delayed nor (ii) provide any employee, who is a party to the Employment Agreements, with any compensation, benefit or reimbursement for any expenses related to the performance of such employee's duties as contemplated by such employee's Employment Agreements, except as provided by the Employment Agreements.

ARTICLE VII **DURATION, LIQUIDATION, AND TERMINATION**

7.1 DURATION OF COMPANY. The Company shall continue in existence until the Manager, in the Member's sole discretion, determines to dissolve the Company. In the event there should at any time be no Members of the Company, the Company shall not be dissolved and the successor-in-interest (or the personal or other legal representative of the last remaining Member) shall have the option to either dissolve the Company or agree in writing to continue the Company and to the admission of the successor-in-interest (or personal or other legal representative of the last remaining Member) or its nominee or designee to the Company as a Member, effective as of the occurrence of the event that terminated the continued membership of the last remaining Member.

7.2 LIQUIDATION. In the event of dissolution of the Company, the Manager shall wind up the affairs of the Company and shall distribute the money and other property of the Company in the following order of priority:

(a) To creditors, including a Member who is a creditor, to the extent permitted by law in satisfaction of the Company's debts and liabilities whether by payment or establishment of reserves, other than liabilities for distributions to the Member under Sections 18-601 and 18-604 of the Act; then

(b) The remainder, if any, to the Member or to the Member's successors, heirs or assigns.

7.3 ARTICLES OF DISSOLUTION. In the event the Company is dissolved, Articles of Dissolution shall be promptly filed with the Delaware Secretary of State.

ARTICLE VIII **MANAGEMENT**

The management and control of the Company shall be vested solely in the Manager. The Manager shall have full and exclusive authority in the management and control of the Company, and shall have all the rights and powers to make all decisions with respect thereto and to do or cause to be done any and all acts or things deemed by the Manager to be necessary, appropriate or desirable to carry out or further the business and affairs of the Company.

The Manager may appoint such officers as the Manager may desire from time to time and delegate to such officers certain duties and obligations with regard to the day-to-day operations of the Company. The Manager shall appoint such officers in writing signed by the Manager, and any officer so appointed may be removed by the Manager, with or without cause, at any time immediately upon notice to such officer. Any officer may resign upon giving written notice to the Manager. Any officers of the Company shall have the duties, authorities and powers

4

customarily granted to such officer positions. The Manager hereby appoints Larry Buffington to serve as the initial President and Chief Executive Officer of the Company.

ARTICLE IX **LIMITATION OF LIABILITY AND INDEMNIFICATION**

9.1 LIMITATION OF LIABILITY. Except as otherwise provided by the Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and neither the Member nor the Manager shall be obligated personally for any such debt, obligation or liability of the Company, solely by reason of being a Member and/or Manager. The failure of the Company to observe any formalities or requirements relating to the exercise of its powers or the management of its business or affairs under this Agreement or the Act shall not be grounds for imposing personal liability on the Member or Manager for any debts, liabilities or obligations of the Company. Except as otherwise expressly required by law, the Member, in the Member's capacity as such, shall have no liability in excess of (a) the amount of such Member's Capital Contributions, (b) such Member's share of any assets and undistributed profits of the Company, and (c) the amount of any distributions required to be returned pursuant to Section 18-607(b) or Section 18-804(c) of the Act.

9.2 INDEMNIFICATION. The Company (including any receiver or trustee of the Company), shall, to the fullest extent provided or allowed by law, indemnify, save harmless and pay all judgments and claims against the Member and/or Manager and each of the Member's and/or Managers agents, affiliates, heirs, legal representatives, successors and assigns (each hereinafter individually referred to as an "Indemnified Party") from, against and in respect of any and all liability, loss, claim, damage, obligation, penalty, action, judgment, suit, proceeding, cost, disbursement and expense of any kind or nature whatsoever incurred or sustained by the Indemnified Party in connection with the business of the Company or by reason of any act performed or omitted to be performed in connection with the activities of the Company or in dealing with third parties on behalf of the Company, including costs and attorneys' fees before and at trial and at all appellate levels, whether or not suit is instituted (which attorneys' fees may be paid as incurred), and any amounts expended in the settlement of any claims of liability, loss or damage, provided that the act or omission of the Indemnified Party does not constitute fraud or willful misconduct by such Indemnified Party. The Company shall not pay for any insurance covering liability of the Member and/or Manager or the Member's and/or Manager's agents, affiliates, heirs, legal representatives, successors and assigns for actions or omissions for which indemnification is not permitted hereunder; provided, however, that nothing contained herein shall preclude the Company from purchasing and paying for such types of insurance, including extended coverage liability and casualty and worker's compensation, as would be customary for any Person owning, managing and/or operating comparable property and engaged in a similar business or from naming the Member and/or Manager and any of the Member's and/or Manager's agents, affiliates, heirs, legal representatives, successors or assigns, or any Indemnified Party as additional insured parties thereunder.

9.3 NON-EXCLUSIVE RIGHT. The provisions of this Article IX shall be in addition to and not in limitation of any other rights of indemnification or reimbursement or limitations of liability to which Indemnified Party may be entitled under the Act, common law,

5

or otherwise. Notwithstanding any repeal of this Article IX or other amendment hereof, its provisions shall be binding upon the Company (subject only to the exceptions above set forth) as to any claim, loss, expense, liability, action or damage due to or arising out of matters which occur during or relate to the period prior to any such repeal or amendment of this Article IX.

ARTICLE X **TRANSFER OF INTEREST AND ADDITIONAL MEMBERS**

10.1 TRANSFERS. The Member may sell, hypothecate, pledge, assign, or otherwise transfer all, or any portion, of its Membership Rights to one or more Persons.

10.2 RIGHTS OF ASSIGNEE. In the event of any transfer of all or any part of the Member's Membership Rights to a successor, the successor shall thereupon become a Member and the Company shall continue in existence. In the event a judgment creditor obtains a charge against the Member's Membership Interest pursuant to Section 18-703 of the Act, the judgment creditor shall have only the rights of an assignee and shall not become a Member and shall not have any other Membership Rights.

10.3 ADDITIONAL MEMBERS. The Manager may, in the Manager's sole discretion, determine to admit additional Members.

ARTICLE XI **BOOKS, RECORDS AND ACCOUNTING**

11.1 **BOOKS AND RECORDS.** The books and records of the Company, if any, shall be maintained on a cash or accrual basis as determined by the Manager, in the Manager's sole discretion, in accordance with a generally accepted method of accounting, consistently applied. These and all other records of the Company required to be kept pursuant to the Act shall be kept at the registered office of the Company.

11.2 **CUSTODY OF FUNDS.** The Manager shall have fiduciary responsibility for the safekeeping and use of all funds and assets of the Company, whether or not in the immediate possession or control of the Manager. The funds of the Company shall not be commingled with the funds of any other Person and the Manager shall not employ, or permit any other Person to employ, such funds in any manner except for the benefit of the Company. All funds of the Company not otherwise invested shall be deposited in one or more accounts maintained in such banking institutions as the Manager shall determine, and withdrawals shall be made only in the regular course of Company business.

11.3 **FISCAL YEAR.** The fiscal year of the Company shall be the calendar year.

11.4 **ANNUAL REPORT.** The Company shall file an annual report with the Delaware Secretary of State each year in the form provided by the Secretary of State.

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT (this "Agreement") is made and entered into effective as of July 24, 2007 (the "Effective Date"), by and between LIQUIDMETAL COATINGS, LLC, a Delaware limited liability company (the "Company"), and LARRY BUFFINGTON, an individual residing in the State of Texas (the "Employee").

RECITALS

WHEREAS, the Employee desires to be employed by the Company upon the terms and conditions set forth in this Agreement; and

WHEREAS, the Company desires to assure itself of the Employee's continued employment in the capacities set forth herein.

NOW, THEREFORE, in consideration of the foregoing recitals and for other good and valuable consideration, the parties hereto covenant and agree as follows:

1. **Employment.** The Company hereby employs Employee, and the Employee hereby accepts such employment, upon the terms and conditions set forth in this Agreement.

2. **Term.** Subject to the terms and conditions of this Agreement, including, but not limited to, the provisions for termination set forth in Section 5 hereof, the employment of the Employee under this Agreement shall commence on the Effective Date and shall continue through the close of business on fifth (5th) anniversary of the Effective Date (the "**Initial Term**"). Upon the expiration of the Initial Term, the Employee's employment with the Company will continue on an "at-will" basis and may be terminated by Employee or the Company for any reason and at any time, provided that the terminating party shall provide at least ninety (90) days prior written notice of the termination to the other party (unless the termination is for Cause as defined in this Agreement, in which case the Employee's employment may be terminated immediately). Notwithstanding the expiration or termination of Employee's employment, the provisions of this Agreement other than those of Sections 2, 4, and 5 shall remain in full force and effect. All other provisions of this Agreement, including but without limitation, Sections 1, 6, and 7, shall survive the expiration of the Initial Term. Notwithstanding the expiration of the this Agreement or the termination of employment by any means by any party, Sections 2, 6, and 7 of this Agreement shall survive and remain fully enforceable.

3. **Duties.** Employee will initially serve as President and Chief Executive Officer of the Company and report to the Board of Managers of the Company. Employee will be based at the Company's principal executive offices located in or around Houston, Texas. Employee will devote the necessary business time, attention, skill, and energy to the business of the Company, will use the Employee's best efforts to promote the success of the Company's business, and will cooperate fully with the Board of Managers in the advancement of the best interests of the Company. Furthermore, the Employee shall assume and competently perform such reasonable responsibilities and duties as may be assigned to the Employee from time to time by the Board of Managers of the Company or their designee. To the extent that the Company shall have any parent company, subsidiaries, affiliated corporations, partnerships, or joint ventures other than

Liquidmetal Technologies, Inc. (collectively "Related Entities"), the Employee shall perform such duties to promote these entities and to promote and protect their respective interests to the same extent as the interests of the Company without additional compensation. In addition, Employee may, upon the agreement of Liquidmetal Technologies, Inc., continue to serve as President and Chief Executive Officer of Liquidmetal Technologies, Inc.

4. **Compensation.**

(a) **Annual Base Salary.** As compensation for Employee's services and in consideration for the Employee's covenants contained in this Agreement, the Company shall pay the Employee an annual base salary of \$250,000.00. The annual base salary may be adjusted upward (but not downward) in the sole discretion of the Board of Managers of the Company. For purposes of this Agreement, the term "**Salary Year**" means the one year, 365-day period (or 366 day period for a leap year) that begins on the Effective Date and each successive one year period thereafter.

(b) **Bonuses.** In addition to the Employee's annual base compensation, during each fiscal year during the term of the Employee's employment hereunder, the Employee shall be entitled to an annual performance bonus upon terms and conditions more particularly established by the Board of Managers of the Company. The annual performance bonus will be in an amount up to 50% of Employee's base salary (the "**Maximum Bonus Amount**"), payable as follows: (i) 25% of the Maximum Bonus Amount will be paid if the Company meets its EBITDA target (as established by the Board of Managers) for the applicable fiscal year, (ii) an additional 25% of the Maximum Bonus Amount will be paid if the Company meets its debt repayment target (as established by the Board of Managers) for the applicable fiscal year, and (iii) the remaining Maximum Bonus Amount (or any portion thereof) will be paid only at the discretion of the Board of Managers based on any factor or consideration that the Board of Managers, in its sole discretion, deems relevant.

(c) **Reimbursement of Expenses.** The Employee shall be reimbursed for all reasonable and customary travel and other business expenses incurred by Employee in the performance of Employee's duties hereunder, provided that such reimbursement shall be subject to, and in accordance with, any expense reimbursement policies and/or expense documentation requirements of the Company that may be in effect from time to time.

(d) **Other Benefits.** During the term of the Employee's employment hereunder, the Employee shall be eligible to participate in a health insurance plan selected by the Company. The Company shall pay 100 % of the premium of such health insurance plan. Also, Employee will, during his employment hereunder, be entitled to an automobile allowance in the amount of \$800.00 per month.

(e) **Vacation.** The Employee shall be entitled to four (4) weeks paid vacation during each Salary Year during the term of the Employee's employment hereunder. Vacation shall be taken at such times and with such notice so as to not disrupt or interfere with the business of the Company. Unused vacation from a particular Salary Year will carry over to succeeding Salary Years, but only up to a maximum of four (4) weeks may be carried into any succeeding Salary Year.

2

5. **Termination.**

(a) **Death.** The Employee's employment under this Agreement shall terminate immediately upon Employee's death. In the event of a termination pursuant to this Section 5(a), the Employee's estate shall be entitled to receive any unpaid base salary, bonuses or benefits owing to Employee up through and including the date of the Employee's death.

(b) **Disability.** If, during the term of the Employee's employment hereunder, the Employee becomes physically or mentally disabled in the determination of a physician appointed or selected by the Company, or, if due to any physical or mental condition, the Employee becomes unable for a period of more than sixty (60) days during any six-month period to perform Employee's duties hereunder on substantially a full-time basis as determined by a physician selected by the Company, the Company may, at its option, terminate the Employee's employment upon not less than thirty (30) days written notice. In the event of a termination pursuant to this Section 5(b), the Employee shall be entitled to receive any unpaid base salary, bonuses or benefits owing to Employee up through and including the effective date of termination.

(c) **Termination By Company With Cause.** The Company may terminate the Employee's employment at any time with Cause. As used in this Agreement, "Cause" shall include the following: (1) the Employee's failure or inability to perform Employee's duties under this Agreement; (2) dishonesty or other serious misconduct; (3) the commission of an unlawful act material to Employee's employment; (4) a material violation of the Company's policies or practices which reasonably justifies immediate termination; (5) committing, pleading guilty, nolo contendere or no contest (or their equivalent) to, entering into a pretrial intervention or diversion program regarding, or conviction of, a felony or any crime or act involving moral turpitude, fraud, dishonesty, or misrepresentation; (6) the commission by the Employee of any act which could reasonably affect or impact to a material degree the interests of the Company or Related Entities or in some manner injure the reputation, business, or business relationships of the Company or Related Entities; (7) the Employee's inability to perform an essential function of Employee's position; or (8) any material breach by Employee of this Agreement. The Company may terminate this Agreement for Cause at any time without notice. In the event of a termination for Cause, the Company shall be relieved of all its obligations to the Employee provided for by this Agreement as of the effective date of termination, and all payments to the Employee hereunder shall immediately cease and terminate as of such date, except that Employee shall be entitled to receive any unpaid base salary, bonuses or benefits owing to Employee up to and including the effective date of termination, provided, however, that the Employee's obligations under Sections 6 and 7 shall survive such a termination for Cause and any liabilities or obligations which have accrued and are owed by the Employee to the Company shall not be extinguished or released thereby.

(d) **Termination By Company Without Cause.** In addition to the other termination provisions of this Agreement, the Company may terminate the Employee's employment at any time and for any reason and without cause (a "Termination Without Cause"). In the event of a Termination Without Cause, the Employee shall continue to receive the Employee's base salary (as then in effect) through the later of one year after the date of the

3

Termination Without Cause or the end of the Initial Term (the "Severance Period"). In addition to the severance pay described in the preceding sentence, the Employee shall continue to receive, during the Severance Period, all employee health and welfare benefits that Employee would have received during the Severance Period in the absence of such termination, but only to the extent that the Company is permitted to continue providing such benefits after termination in accordance with the applicable employee benefit plans. Employee agrees and acknowledges, however, that Employee will forfeit the right to receive base salary and benefits during the Severance Period immediately upon the Employee's breach of any covenant set forth in Section 6 of this Agreement. The Employee will also forfeit the right to salary and benefits during the Severance Period upon accepting employment with another employer with comparable salary and benefits hereunder shall be forfeited and shall cease upon the Employee becoming eligible for benefits from the Employee's new employer. Notwithstanding the foregoing, the termination of the Employee's employment pursuant to the second sentence of Section 2 of this Agreement shall not constitute a Termination Without Cause and shall not give rise to any severance payment or other benefits pursuant to this Section 5(d).

6. **Noncompetition, Nonsolicitation, and Nondisclosure Covenants.**

(a) **Rationale for Restrictions.** Employee acknowledges that Employee's services hereunder are of a special, unique, and extraordinary character, and Employee's position with the Company places Employee in a position of confidence and trust with customers, suppliers, and other persons and entities with whom the Company and its Related Entities have a business relationship. The Employee further acknowledges that the rendering of services under this Agreement will require the disclosure to Employee of Confidential Information (as defined below) including Trade Secrets of the Company relating to the Company and/or Related Entities, and the Company hereby agrees to provide such Confidential Information. As a consequence, the Employee agrees that it is reasonable and necessary for the protection of the goodwill and legitimate business interests of the Company and Related Entities that the Employee make the covenants contained in this Section 6, that such covenants are a material inducement for the Company to employ the Employee and to enter into this Agreement, and that the covenants are given as an integral part of and incident to this Agreement.

(b) **Noncompetition and Nonsolicitation Covenants.** As used herein, the term "Restrictive Period" means the time period commencing on the Effective Date of this Agreement and ending on the second (2nd) anniversary of the date on which the Employee's employment by the Company (or any Related Entity) expires or is terminated for any reason, including both a termination by the Company for Cause and a Termination Without Cause. In

addition, the term "Covered Business" means any business which is the same as, or similar to, any business conducted by the Company or any of the Related Entities at any time during the Restrictive Period. The Employee agrees that the Employee will not engage in any of the following acts anywhere in the world during the Restrictive Period:

- (i) directly or indirectly engage or invest in; own, manage, operate, finance, control, or participate in the ownership, management, operation, financing, or control of; be employed by, associated with, or in any manner connected with; lend the Employee's name or any similar name to; lend

4

Employee's credit to; or render services or advice to, any business which competes with, is engaged in, or carries on any aspect of a Covered Business;

- (ii) directly or indirectly assist, promote or encourage any existing or potential employees, customers, clients, or vendors of the Company or any Related Entity, as well as any other parties which have a business relationship with the Company or a Related Entity, to terminate, discontinue, or reduce the extent of their relationship with the Company or a Related Entity;
- (iii) directly or indirectly solicit business of the same or similar type as a Covered Business, from any person or entity known by the Employee to be a customer or client of the Company, whether or not the Employee had contact with such person or entity during the Employee's employment with the Company;
- (iv) disparage the Company, any Related Entities, and/or any shareholder, director, officer, employee, or agent of the Company or any Related Entity; and/or
- (v) engage in any practice the purpose of which is to evade the provisions of this Section 6 or commit any act which adversely affects the Company, any Related Entity, or their respective businesses.

Employee acknowledges that Employee's services hereunder are of a special, unique, and extraordinary character, and Employee's position with the Company places Employee in a position of confidence and trust with customers, suppliers, and other persons and entities with whom the Company and its Related Entities have a business relationship. The Employee further acknowledges that the rendering of services under this Agreement will likely require the disclosure to Employee of Confidential Information (as defined below) and Trade Secrets (as defined below) of the Company relating to the Company and/or Related Entities. As a consequence, the Employee agrees that it is reasonable and necessary for the protection of the goodwill and legitimate business interests of the Company and Related Entities that the Employee make the covenants contained in this Section 6, that such covenants are a material inducement for the Company to employ the Employee and to enter into this Agreement, and that the covenants are given as an integral part of and incident to this Agreement. Accordingly, the Employee agrees that the geographic scope of the above covenants is a reasonable means of protecting the Company's (and the Related Entities') legitimate business interests. Notwithstanding the foregoing covenants, nothing set forth in this Agreement shall prohibit the Employee from owning the securities of (i) corporations which are listed on a national securities exchange or traded in the national over-the-counter market in an amount which shall not exceed 5% of the outstanding shares of any such corporation or (ii) any corporation, partnership, firm or other form of business organization which does not compete with, is not engaged in, and does not carry on any aspect of, either directly or indirectly through a subsidiary or otherwise, any Covered Business.

5

(c) **Disclosure of Confidential Information.** The Employee acknowledges that the inventions, innovations, software, Trade Secrets, business plans, financial strategies, finances, and all other confidential or proprietary information with respect to the business and operations of the Company and Related Entities are valuable, special, and unique assets of the Company. Accordingly, the Employee agrees not to, at any time whatsoever either during or after the Employee's term of employment with the Company, disclose, directly or indirectly, to any person or entity, or use or authorize any person or entity to use, any confidential or proprietary information with respect to the Company or Related Entities without the prior written consent of the Company, including, without limitation, information as to the financial condition, results of operations, identities of clients or prospective clients, products under development, acquisition strategies or acquisitions under consideration, pricing or cost information, marketing strategies, passwords or codes or any other information relating to the Company or any of the Related Entities which could be reasonably regarded as confidential (collectively referred to as "Confidential Information"). However, the term "Confidential Information" does not include any information which is or shall become generally available to the public other than as a result of disclosure by the Employee or by any person or entity which the Employee knows (or which the Employee reasonably should know) has a duty of confidentiality to the Company or a Related Entity with respect to such information. In addition to the foregoing, Company will be fully entitled to all of the protections and benefits afforded by the any applicable law. "Trade Secret" shall mean information, including a formula, pattern, compilation, program, device, method technique, or process that derives independent economic value, actual or potential, from being not generally known to, and not being readily ascertainable by proper means by, other persons who can derive economic value from its disclosure or use, including but not limited to the patented information and processes as well as the unpatented information and processes comprising, underlying, arising from, and associated with Liquidmetal Coatings sold by the Company.

(d) **Removal and Return of Proprietary Items.** The Employee will not remove from the Company's premises (except to the extent such removal is for purposes of the performance of the Employee's duties at home or while traveling, and under such conditions and restrictions as are specifically authorized and/or required by the Company) or transmit by any means, electronic or otherwise, any document, record, notebook, plan, model, component, device, computer software or code, or Confidential Information or Trade Secret whether embodied in a disk or in any other form, including electronic form (collectively, the "Proprietary Items"). The Employee recognizes that, as between the Company and the Employee, all of the Proprietary Items, whether or not developed by the Employee, are the exclusive property of the Company. Upon termination of Employee's employment with the Company by either party (regardless of the reason for termination), or upon the request of the Company during the term of employment, the Employee will return to the Company all of the Proprietary Items in the Employee's possession or subject to the Employee's control, and the Employee shall not retain any copies, abstracts, sketches, or other physical embodiment of any of the Proprietary Items, Confidential Information, Trade Secret or any part thereof.

(e) **Enforcement and Remedies.** In the event of any breach of any of the covenants set forth in this Section 6, the Employee recognizes that the remedies at law will be inadequate and that in addition to any relief at law which may be available to the Company for

6

such violation or breach and regardless of any other provision contained in this Agreement, the Company shall be entitled to equitable remedies (including an injunction) and such other relief as a court may grant after considering the intent of this Section 6. Additionally, the period of time applicable to any covenant set forth in this Section 6 will be extended by the duration of any violation by Employee of such covenant. In the event a court of competent jurisdiction determines that any of the covenants set forth in this Section 6 are excessively broad as to duration, geographic scope, prohibited activities or otherwise, the parties agree that this covenant shall be reduced or curtailed to the extent, but only to the extent, necessary to render it enforceable.

7. **Employee Inventions.**

(a) **Definition.** For purposes of this Agreement, "Employee Invention" means any idea, invention, technique, modification, process, or improvement (whether patentable or not), any industrial design (whether registerable or not), any mask work, however fixed or encoded, that is suitable to be fixed, embedded or programmed in a semiconductor product (whether recordable or not), and any work of authorship (whether or not copyright protection may be obtained for it) created, conceived, or developed by the Employee, either solely or in conjunction with others, during the Employee's employment with the Company or during the ninety (90) day period following such employment, that relates in any way to, or is useful in any manner in, the businesses then being conducted or proposed to be conducted by the Company or any Related Entity.

(b) **Ownership of Employee Inventions.** Employee agrees and acknowledges that all Employee Inventions will belong exclusively to the Company and that all Employee Inventions are works made for hire and the property of the Company, including any copyrights, patents, semiconductor mask protection, or other intellectual property rights pertaining thereto. If it is determined that any such works are not works made for hire, the Employee hereby assigns to the Company all of the Company's right, title, and interest, including all rights of copyright, patent, semiconductor mask protection, and other intellectual property rights, to or in such Employee Inventions. The Employee covenants that the Employee will promptly:

- (i) disclose to the Company in writing any Employee Invention;
- (ii) assign to the Company or to a party designated by the Company, at the Company's request and without additional compensation, all of the Employee's right to the Employee Invention for the United States and all foreign jurisdictions;
- (iii) execute and deliver to the Company such applications, assignments, and other documents as the Company may request in order to apply for and obtain patents or other registrations with respect to any Employee Invention in the United States and any foreign jurisdictions;
- (iv) sign all other papers necessary to carry out the above obligations; and

7

- (v) give testimony and render any other assistance in support of the Company's rights to any Employee Invention.

8. **Essential and Independent Covenants.** The Employee's covenants in Sections 6 and 7 of this Agreement are independent covenants, and the existence of any claim by the Employee against the Company under this Agreement or otherwise will not excuse the Employee's breach of any covenant in Section 6 or 7. The covenants of Sections 6 and 7 shall survive the termination, extinguishment, or lapse of this Agreement under any circumstances, even if this Agreement is terminated by either party, whether for Cause or Not for Cause.

9. **Representations and Warranties by The Employee.** The Employee represents and warrants to the Company that the execution and delivery by the Employee of this Agreement do not, and the performance by the Employee of the Employee's obligations hereunder will not, with or without the giving of notice or the passage of time, or both: (a) violate any judgment, writ, injunction, or order of any court, arbitrator, or governmental agency applicable to the Employee, or (b) conflict with, result in the breach of any provisions of or the termination of, or constitute a default under, any agreement to which the Employee is a party or by which the Employee is or may be bound, including, without limitation, any noncompetition agreement or similar agreement. Employee further represents and warrants that he fully and completely understands this Agreement and that he has engaged in negotiations with the Company and has either consulted with an attorney of his choice or has had ample opportunity to do so and is fully satisfied with the opportunity he has had.

10. **Notices.** For purposes of this Agreement, notices and all other communications provided for herein shall be in writing and shall be deemed to have been duly given when hand-delivered, sent by facsimile transmission (as long as receipt is acknowledged), or mailed by United States certified or registered mail, return receipt requested, postage prepaid, addressed to the address or facsimile number for each party set forth on the signature page hereto, or to such other address or facsimile number as either party may have furnished to the other in writing in accordance herewith, except that a notice of change of address shall be effective only upon receipt.

11. **Miscellaneous.** No provision of this Agreement may be modified or waived unless such waiver or modification is agreed to in writing signed by both of the parties hereto. No waiver by any party hereto of any breach by any other party hereto shall be deemed a waiver of any similar or dissimilar term or condition at the same or at any prior or subsequent time. This Agreement is the entire agreement between the parties hereto with respect to the Employee's employment by the Company, and there are no agreements or representations, oral or otherwise, expressed or implied, with respect to or related to the employment of the Employee which are not set forth in this Agreement. This Agreement shall be binding upon, and inure to the benefit of, the Company, its respective successors and assigns, and the Employee and Employee's heirs, executors, administrators and legal representatives. The duties and covenants of the Employee under this Agreement, being personal, may not be delegated or assigned by the Employee without the prior written consent of the Company, and any attempted delegation or assignment without such prior written consent shall be null and void and without legal effect. The parties agree that if any provision of this Agreement shall under any circumstances be deemed invalid or

8

inoperative, the Agreement shall be construed with the invalid or inoperative provision deleted and the rights and obligations of the parties shall be construed and enforced accordingly. This Agreement may be assigned by the Company without the consent of the Employee, provided, however, that the Employee is given notice of the assignment.

12. **Governing Law; Resolution of Disputes.** The validity, interpretation, construction, and performance of this Agreement shall be governed by the laws of the State of Texas without regard to principles of choice of law or conflicts of law thereunder. Any action or proceeding seeking to enforce any provision of, or based on any right arising out of, this Agreement may be brought against either of the parties in the courts of the State of Texas, County of Harris or Montgomery, or, if it has or can acquire jurisdiction, in the federal courts located in, Harris County or Montgomery County, Texas, and each of the parties consents to the jurisdiction of such courts (and of the appropriate appellate courts) in any such action or proceeding and waives any objection to venue laid therein. Process in any action or proceeding referred to in the preceding sentence may be served on either party anywhere in the world. The parties hereto agree that having venue and jurisdiction solely in Texas is reasonable in that the headquarters for the Company will be in Harris County or Montgomery County, Texas and that site for litigation is the most central for such matters. THE PARTIES HEREBY WAIVE A JURY TRIAL IN ANY LITIGATION ARISING UNDER OR RELATING TO THIS AGREEMENT OR THE EMPLOYMENT OF THE EMPLOYEE WITH THE COMPANY. This Agreement shall not be construed against either party but shall be construed without regard to the participation of either party in the drafting of this Agreement or any part thereof.

13. **Counterparts; Facsimile Signatures.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement may be effective upon the execution and delivery by any party hereto of facsimile copies of signature pages hereto duly executed by such party; provided, however, that any party delivering a facsimile signature page covenants and agrees to deliver promptly after the date hereof two (2) original copies to the other party hereto.

14. **Modification By The Court.** In the event that any provision or Section of this Agreement violates any law of the state of Texas or is for some other reason unenforceable as written in the state of Texas, the Employee and the Company agree that the unenforceable provision or Section should not cause the entire Agreement to become unenforceable unless it is caused to fail in its essential purpose. In the event that any provision or Section of this Agreement violates any law of the state of Texas or is for some other reason unenforceable as written in the state of Texas, the Employee agrees that the provision should be reduced in scope or length or otherwise modified by the Court, if possible under the law, to cause the provision or Section of the Agreement to be legal and enforceable but to still provide to the Company the maximum protection available to it under the law.

2. Proceeds. The security interests granted to Lender in any proceeds or other property arising out of the disposition of the Collateral and anything contained herein or in any financing statement shall not be deemed permission or assent by Lender to any sale or disposition of the Collateral except to the extent expressly provided herein.

3. Indebtedness Secured. The security interest granted hereby is to secure payment in full of (a) any and all sums from time to time due from Debtor to Lender, any instruments evidencing the indebtedness of Debtor to Lender and the full and complete performance of all agreements and documents executed or delivered pursuant to any indebtedness due from Debtor to Lender, all as same may be amended, modified or extended from time to time, (b) any other indebtedness of Debtor, whether evidenced by instruments executed by Debtors or not, payable and owing to Lender as provided by the terms of any such instrument, (c) all advances made by Lender to discharge taxes or levies on, or made for repairs to, maintenance of, or insurance on, the Collateral, (d) all money or other credit heretofore and hereafter advanced by Lender to or for the account of Debtor, (e) all other present or future, direct or contingent, liabilities of Debtor to Lender of any nature whatsoever, and (f) all costs and expenses incurred in the collection of the

It is the true, clear, and express intention of Debtor that the continuing grant of this security interest remain as security for payment and performance of the Obligations, whether now existing, or which may hereinafter be incurred, or whether or not contemplated by the parties at the time of the granting of this security interest. The notice of the continuing grant of this security interest, therefore, shall not be required to be stated on the face of any document representing any Obligations, nor otherwise identify it as being secured hereby. Any Obligations shall be deemed to have been made pursuant to Section 400.9-204 of the Uniform Commercial Code of Missouri. This Security Agreement shall terminate, and the security interest and liens granted hereunder shall terminate, upon Debtor's repayment in full to Lender of the Obligations.

Debtor agrees to notify Lender in writing of any intended sale, mortgage or conveyance of any Real Property on which the Collateral is located and to give written notice of the terms and conditions of this Security Agreement to any prospective purchaser, mortgagee or grantee of said Real Property and a copy of such notice to Lender.

When any Collateral is in the possession of a third party, Debtor will join with Lender in notifying the third party of Lender's security interest and obtaining an acknowledgement from the third party that it is holding the Collateral for the benefit of Lender. Debtor will obtain control agreements in form satisfactory to Lender as deemed necessary by Lender for purposes of further perfecting or enforcing the security interests of Lender hereunder. Debtor shall not create any Chattel Paper or certificated Collateral without delivering same to Lender or placing a legend on the Chattel Paper acceptable to Lender indicating that Lender has a security interest in the Chattel Paper.

5. Collateral Use. The Collateral shall be kept in good order and repair and Debtor will not permit waste or do anything to impair the value of the Collateral or any part thereof, reasonable wear and tear excepted, or use or permit others to use the Collateral in violation of any insurance policy covering the Collateral or any statute, ordinance or state or federal regulation. Debtor shall give Lender immediate written notice of any damage, destruction, theft, loss or the occurrence of any event which materially impairs the value of the Collateral.

6. Adverse Security Interests and Liens. Debtor is, or, to the extent that the Collateral will be acquired after the date hereof, will be, the owner of the Collateral free from any and all liens, security interests or encumbrances other than the lien proposed to be granted pursuant to the Senior Revolving Credit Facility described in Section 3.10 of the Securities Purchase Agreement between Debtor and Lender entered into simultaneously herewith (the "SPA");

3

Debtor shall not transfer or assign any interest in this Security Agreement or the Collateral; and Debtor, at Debtor's expense, will defend the Collateral against all claims and demands of all other persons at any time claiming the same or an interest therein. With respect to the security interest of the Senior Lender described herein, Lender has agreed to subordinate its interest to those of the Senior Lender and shall enter into an Intercreditor Agreement on customary and reasonable terms acceptable to Lender.

7. Insurance. Debtor, at Debtor's sole cost, shall at all times keep the Collateral insured against physical loss or damage with coverage to be in special coverage form, plus earthquake, if the Collateral is located in California, flood, if the Collateral is located in a 100 year flood zone as determined by FEMA and other hazards in an amount not less than the greater of (a) the full replacement cost or (b) such other amount as may reasonably from time to time be required by Lender, with no co-insurance clauses or deductibles in excess of \$25,000.00 or \$50,000.00 in the case of a discontinued operations product liability policy in the policies of insurance unless Lender shall consent thereto in writing, in such form, for such periods and written by such companies as may be satisfactory to Lender, payable to and protecting Lender for not less than the total insured amount. Debtor will promptly provide Lender with evidence of such insurance. Such insurance shall require a minimum of thirty (30) days prior written notice to Lender of any cancellation thereof or any changes affecting coverage, and no act or omission by Company shall invalidate the obligation of the insurer to Lender. Debtor hereby assigns to Lender, its successors and assigns, the proceeds of all such insurance to the extent of the unpaid balance of the Obligations secured hereby; and appoints Lender as its attorney-in-fact to file claims under any such insurance policies, to receive, receipt and give acquittance for any payments that may be payable thereunder, and to execute any and all endorsements, receipts, releases, assignments, reassignments or other documents that may be necessary to effect the collection, compromise or settlement of any claims under any such insurance policies. In the event such insurance is cancelled, Lender or its successors or assigns shall receive the return premium, if any, therefor, and shall apply such return premium to the purchase of similar insurance or to the balance due on the Obligations secured hereby at its election.

8. Records. The records concerning the Collateral will be kept at the address of the chief executive office indicated in Section 4 hereof. Lender may inspect such records or the

4

Collateral at any time at any address during reasonable business hours upon request. Debtor will not remove any part of such records from said location without the prior written consent of Lender.

9. Financing Statement and Others Acts. Debtor irrevocably authorizes Lender at any time and from time to time to file financing or continuation statements and/or amendments thereto, without the signature of Debtor, and Debtor shall execute and deliver such other instruments and documents as may be requested by Lender to perfect, confirm and further evidence the security interest and assignments hereby granted and shall pay the fees incurred in filing all such financing statements or other instruments or documents. If any applicable law requires the registration of the Collateral or the issuance of a certificate of title therefor or both, Debtor agrees to promptly comply with such law(s) and shall cause notice of the security interest of Lender to be shown on any such certificate of title and will join in executing such application for the title forms as Lender shall require.

Upon request of Lender, Debtor will promptly do all other acts and things, and will execute and file all other instruments deemed necessary by Lender under applicable law to establish, maintain and continue Lender's perfected security interest in the Collateral and to effectuate the intent of this Security Agreement and will pay all reasonable costs and expenses of filing and recording or promptly reimburse Lender therefor if such costs and expenses are incurred by Lender, including the costs of any searches deemed necessary by Lender to establish, determine or maintain the validity and the priority of the security interest of Lender, and pay or otherwise satisfy all other claims and charges which in the opinion of Lender might prejudice, imperil or otherwise affect the Collateral or Lender's security interest therein. A photocopy of this Agreement shall be deemed an original for purposes of filing or recording.

10. Taxes and Assessments. Debtor will pay promptly when due all taxes, assessments and other charges levied or assessed upon the Collateral or for its use or operation or upon this Security Agreement or upon any or other documents evidencing the Obligations secured hereby.

11. Collateral Certificates and Schedules. Debtor shall furnish to Lender from time to time, upon request, written statements, certificates and schedules identifying and describing the Collateral and any additions thereto and substitutions therefor in such detail as Lender may require and certified as to accuracy by the Board of Managers of Debtor.

12. Collateral Disposition. Until default hereunder:

- (a) Debtor may have possession of the Collateral and use it in any lawful manner not inconsistent with this Agreement or with any policy of insurance thereon;
- (b) Debtor may sell the Inventory Collateral in the ordinary course of Debtor's business (excluding, however, transfers or dispositions on satisfaction of debt), and Debtor may use and consume raw materials or supplies, the use and consumption of which is necessary in order to carry on Debtor's business in the ordinary course; and
- (c) Debtor will, at its own expense, collect, as and when due, all amounts due under the Accounts Collateral, including the taking of such action with respect to such collection as Lender may reasonably request or, in the absence of such request, as Debtor

5

may deem advisable, and may grant, in the ordinary course of Debtor's business, to any party obligated on any of the Accounts Collateral, any rebate, refund or adjustment to which such party may be lawfully entitled, and may accept, in connection therewith, the lawful return of goods, the sale or lease of which shall have given rise to such Accounts Collateral. Lender may, however, at any time and at Debtor's expense, notify any parties obligated on any of the Accounts Collateral to make payment directly to Lender of any amounts due or to become due thereunder and enforce collection of any of the Accounts Collateral by suit or otherwise and surrender, release or exchange all or any part thereof, or compromise, extend or renew the same for any period.

13. **Undertakings by Lender.** Lender may from time to time, at its sole option, and without notice to Debtor, perform any undertaking of Debtor hereunder which Debtor shall fail to perform and take any other action which Lender deems necessary for the maintenance or preservation of any of the Collateral or the interest of Lender therein (including, without limitation, the discharge of taxes or liens of any kind against the Collateral or the procurement of insurance) and Debtor agrees to forthwith reimburse Lender, on demand, for all expenses of Lender in connection with the foregoing, together with interest thereon at a per annum rate equal to the highest rate of interest applicable to any of the Obligations secured hereby, until reimbursed by Debtor and all amounts not so reimbursed shall be added to and become a part of the Obligations secured hereby. Lender may, for the foregoing purposes, act in its own name or that of Debtor and may also act for the purpose of adjusting or settling any policy of insurance on the Collateral, or endorsing any draft received in connection therewith. For all of the foregoing purposes, Debtor hereby grants to any officer of Lender its power of attorney, irrevocable so long as any of the Obligations secured hereby shall be outstanding.

14. **Warranties Correct.** Debtor hereby warrants and represents that all financial statements, certificates and schedules heretofore and hereafter delivered to Lender by or on behalf of Debtor, and any statement and data submitted in writing to Lender in connection with this Security Agreement or any Obligations of Debtor to Lender fairly present the financial condition of Debtor for the periods involved.

15. **Identification of Collateral.** Upon request of Lender, Debtor will stamp on its records concerning the Collateral, a notation, in form satisfactory to Lender, of the security interest of Lender hereunder, and when requested by Lender, Debtor shall further affix to the Collateral such signs or labels as shall be satisfactory to Lender to indicate the security interest of Lender in the Collateral. Upon request of Lender at any time, Debtor will deliver to Lender lists or copies of all Collateral promptly and will deliver to Lender, promptly upon receipt, all proceeds of Collateral received by Debtor, including proceeds of the Accounts Collateral referred to above, in the exact form in which they are received. To protect Lender's rights hereunder, Debtor will assign or endorse proceeds to Lender as Lender may request, and hereby constitute any officer or employee of Lender its true and lawful attorney-in-fact, with full power to endorse the name of Debtor upon any invoice, freight or express bill or bill of lading relating to any such accounts, upon drafts against account debtors and assignments and verifications of accounts and notices to account debtors, upon any and every remittance or instrument of payment, including checks, drafts and money orders, and in whatever form received, and to do and perform all other acts and things reasonably necessary, proper and requisite to carry out the intent of this Security Agreement. The power herein granted shall be deemed to be coupled with an interest and shall

6

not be revoked by Debtor until Lender has been paid all sums due it, including all proper expenses, with interest. All such items received by Lender for the Collateral shall be deposited to the credit of Debtor in an account designated and controlled by Lender, as security for the payment of the Obligations. Lender may, from time to time, in its discretion, (a) apply all of the then existing balance representing collected funds in such deposit account, toward payment of all of any part of the Obligations secured hereby, whether or not then due, in such order of application as Lender, in its sole discretion, may determine, or (b) permit Debtor to use all or part of said account in the normal course of Debtor's business.

16. **Account Debtors.** With respect to the Accounts Collateral, Lender may, following an Event of Default (as defined below) and after giving prior written notice to Debtor, notify account debtors that the accounts have been assigned to Lender and shall be paid to Lender. Upon request of Lender, following and during the continuance of an Event of Default, Debtor will so notify such account debtors and will indicate on all invoices to such account debtors that the accounts are payable directly to Lender.

- (g) **ERISA Matters.** (i) With respect to any Pension Plan, a Prohibited Transaction occurs which in the reasonable determination of Lender could result in material liability to Debtor, (ii) with respect to any Title IV Plan, the filing of a notice to voluntarily terminate any such plan in a distress termination, (iii) with respect to any Multiemployer Plan, Debtor or any ERISA Affiliate shall incur any Withdrawal Liability, (iv) with respect to any Qualified Plan, Debtor or any ERISA Affiliate shall incur an accumulated funding deficiency or request a funding waiver from the IRS or (v) with respect to any Title IV Plan or Multiemployer Plan which has an ERISA Event not described in clauses (i) through (iv) hereof, in the reasonable determination of C₃ there is a reasonable likelihood for termination of any such plan by the PBGC; **provided**, that the events listed in clauses (i) through (iv) hereof shall constitute Events of Default only if the liability, deficiency or waiver request of Debtor or any ERISA Affiliate, whether or not assessed, could, in the opinion of Lender reasonably be expected to have a Material Adverse Effect;
- (h) **Commencement of Proceedings.** Debtor shall fail to discharge within a period of thirty (30) days after the commencement thereof any attachment, sequestration, or similar proceeding or proceedings involving an aggregate amount in excess of Fifty Thousand Dollars (\$50,000) against any of its assets or properties, except and to the extent Debtor has obtained surety bonds;
- (i) **Entry of Judgment.** A final judgment or judgments for the payment of money in excess of Fifty Thousand Dollars (\$50,000) in the aggregate shall be rendered by a court or courts against Debtor and the same shall not be discharged (or provision shall not be made for such discharge), or a stay of execution thereof shall not be procured, within forty-five (45) days from the date of entry thereof and Debtor shall not, within said period of forty-five (45) days, or such longer period during which execution of the same shall have been stayed, appeal therefrom and cause the execution thereof to be stayed during such appeal;
- (j) **Failure to Observe Other Obligations.** Debtor defaults in the payment when due, or in performance or observance of, any material obligation of, or condition agreed to by, Debtor with respect to any material purchase or lease of goods or services where such default, singly or in the aggregate with all other such defaults, could reasonably be expected to have a Material Adverse Effect;
- (k) **Receivership.** Debtor's assets are attached, seized, subjected to a writ or distress warrant, or are levied upon, or come within the possession of any receiver, trustee, custodian or assignee for the benefit of creditors in connection with any obligations or liabilities of Debtor and such attachment, seizure, warrant, levy or possession could reasonably be expected to have a Material Adverse Effect;
- (l) **Curtailment of Business Conduct.** The occurrence of any event that could cause the cessation or substantial curtailment of the conduct of business by Debtor, including Debtor being enjoined, restrained or prevented by any court or administrative agency from conducting any material part of its business.

9

- (m) **Change in Control.** A Change in Control (as defined in the SPA) shall occur; or

(n) **Regulatory Default.** Any (a) diversion by Debtor of the proceeds from the sale of the Notes and Membership Units from the purposes set forth in Section 2.4 of the SPA or (b) change in Debtor's business activity within the twelve (12) month period following the date of this Agreement that renders the investment by Lender into Debtor an ineligible investment for Debtor pursuant to Section 107.760 of Title 13 of the Code of Federal Regulations.

The foregoing shall constitute "Events of Default" whatever the reason or cause for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

18. **Remedies.** Upon the occurrence of any default under this Security Agreement, Lender may at its option, without notice or demand, declare all Obligations secured hereby immediately due and payable and Lender, upon the occurrence of any such default, may exercise any and all of the rights and remedies of a secured party under the Uniform Commercial Code of Missouri, then in effect, provided, however, that with regard to Section 17(f), Lender will provide written notice of the default and Debtor shall have fifteen (15) days to cure such default prior to Lender taking further action. Lender may take immediate possession of the Collateral or any part thereof wherever the same may be found, and for said purposes may, and is hereby appointed Debtor's agent and authorized by Debtor to, enter Debtor's premises for the purpose of removing, assembling or taking possession of the Collateral without liability for trespass or any other right of action by reason of taking possession of said Collateral. Whenever the Collateral is in Lender's possession, Lender may use and operate same as appropriate for the purpose of protecting Lender's interest with respect thereto. In addition, if any Collateral shall require rebuilding, repairing, maintenance, preparation, or is in process or other unfinished state, Lender shall have the right at its option to do such rebuilding, repairing preparation, processing or completion of manufacturing on or off Debtor's premises, for the purpose of putting the Collateral in such saleable form as Lender shall deem appropriate. Lender may require Debtor, at Debtor's expense, to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Debtor agrees to pay all costs of Lender in the collection of the Obligations and enforcement of rights hereunder, including reasonable attorney's fees and legal expense, and of any repairs to any realty or other property to which any of the Collateral may be affixed or be a part. Any notice of any sale, lease, or other disposition, or other intended action by Lender shall be deemed reasonable if it is in writing and deposited in the United States mail at least ten (10) days in advance of the intended disposition or other intended action or, with respect to a private sale, at least ten (10) days in advance of the date after which a private sale or sales shall occur, first class postage prepaid, addressed to Debtor at the address set forth in Section 22(e) hereof or to any other address of Debtor appearing on the records of Lender. At any sale, Lender may specifically disclaim any warranties including of title or the like. Lender may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered adversely to affect the commercial

10

reasonableness of any sale or disposition of the Collateral. Debtor waives all rights to require any marshalling of assets.

Lender shall also have the right to apply for and have a receiver appointed by a court of competent jurisdiction to enforce its rights and remedies hereunder in order to manage, protect and preserve the Collateral, continue the operation of the business of Debtor, and to collect all revenues and profits thereof and apply the same to the payment of (a) all expenses and other charges of such receivership, including the compensation of the receiver, and (b) the Obligations secured hereby until a sale or other disposition of such Collateral shall be finally made and consummated.

Lender may notify any and all parties obligated on any of the Collateral that the Collateral has been assigned to Lender and that all payments thereon are to be made directly to Lender. Lender may settle, compromise or release, on terms acceptable to Lender, in whole or in part, any amounts owing on such Collateral; sue to enforce payments and prosecute any action or proceeding with respect to the Collateral in its own name or the name of Debtor; and extend the time of payment, make allowance and adjustments, and issue credits in its own name or the name of Debtor.

The proceeds of any sale shall be applied in the following order: first, to pay all costs and expenses of every kind for care, safekeeping, collection, sale, delivery or otherwise (including expenses incurred in the protection of Lender's title to or lien upon or right in any such property, expenses for legal services of any kind in connection therewith or in making any such sale or sales, insurance, commission for sale and guaranty), then to interest on all Obligations of Debtor to Lender; then to the principal thereof, whether or not such Obligations are due or accrued. Any remaining surplus shall be paid to whomever shall be legally entitled thereto. Application of proceeds as between particular Obligations to Lender shall be in the absolute and sole discretion of Lender. If the proceeds of any such sales are insufficient to pay all Obligations of Debtor to Lender, Debtor shall remain liable for the deficiency.

19. **Inspection.** Lender or its nominee shall have the privilege at any time, upon request, of inspecting during reasonable business hours any of the business properties or premises of Debtor and the books and records of Debtor relating not only to the Collateral, or the processing or collecting thereof, but also those relating to its general business affairs and financial condition of Debtor. Debtor further agrees from time to time to furnish such other reports, data and financial statements, in respect of its business and financial condition, as Lender may reasonably require.

20. **Lender's Duties.** The powers conferred on Lender hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Unless otherwise required by law, Debtor has the risk of loss of the Collateral, and Lender shall have no duty as to any Collateral (other than storing and disposing of the Collateral in a commercially reasonable manner) or as to the taking of any necessary steps to preserve rights against other parties or any other rights pertaining to any Collateral.

11

21. **Miscellaneous.** Debtor and Lender further agree as follows:

(a) **Governing Law.** This Security Agreement shall be governed by and construed in accordance with the laws of the State of Missouri without regard to conflict of laws principles.

(b) **Non-Waiver.** Waiver of or acquiescence by Lender in any default by Debtor, or failure of Lender to insist upon strict performance by Debtor of any warranties, agreements or other obligations contained in this Security Agreement shall not constitute a waiver of any subsequent or other default, failure or waiver of strict performance, whether similar or dissimilar.

(c) **Modifications.** No modification of any provision of this Security Agreement, no approvals required from Lender and no consent by Lender to any departure therefrom by Debtor shall be effective unless such modification, approval or consent shall be in writing and signed by a duly authorized officer of Lender, and the same shall then be effective only for the period and on the conditions and for the specific instances and purposes specified in such writing. No notice to or demand on Debtor in any case shall entitle Debtor to any other or further notice or demand in similar or other circumstances.

(d) **Severability.** Wherever possible, each provision of this Security Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Security Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Security Agreement.

(e) **Notices.** All notices and other communications provided for herein shall, unless otherwise stated herein, be in writing and shall be personally delivered or sent by certified mail, postage prepaid, by prepaid overnight nationally recognized courier, or by facsimile, to the intended party at the address or facsimile number of such party set forth as follows:

(f) Rights and Remedies Cumulative. The rights and remedies of Lender under this Security Agreement are cumulative and are not in lieu of, but are in addition to any other rights or remedies which Lender shall have under this Security Agreement or any other instrument, or at law or in equity. No course of dealing between Lender and Debtor or any failure or delay on the part of Lender in exercising any rights or remedies hereunder shall operate as a waiver of any rights or remedies of Lender and no single or partial exercise of any rights or remedies hereunder shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder.

(g) Security Interest and Pledge Absolute. All rights, including the security interest of Lender granted hereunder, and all obligations of Debtor hereunder, shall be absolute and unconditional irrespective of:

13

- (i) any lack of validity or enforceability of the Obligations or any other agreement or instrument relating thereto;
- (ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Obligations or any agreement or instrument relating thereto; or
- (iii) any exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to departure from any guaranty, for any of the Obligations.

(h) Costs of Enforcement. In the event that Lender shall retain or engage an attorney or attorneys to collect or enforce or protect its interests with respect to this Security Agreement or any instrument or document delivered pursuant to this Security Agreement, including the representation of Lender in connection with any bankruptcy, reorganization, receivership or any other action affecting creditor's rights, and regardless of whether a suit or action is commenced, Debtor shall pay all of the costs and expenses of such collection, enforcement or protection, including reasonable attorneys' fees, and Lender may take judgment for all such amounts.

(i) Successors and Assigns. This Security Agreement shall be binding upon and inure to the benefit of Lender and its successors and assigns and Debtor and its heirs, successors and permitted assigns.

(j) Assignment; Sale of Interest. Debtor hereby consents to Lender's participation, sale, assignment, transfer or other disposition, at any time or times hereafter, of this Security Agreement, or of any portion hereof or thereof, including, without limitation, Lender's rights, title, interests, remedies, powers and duties hereunder subject to the approval of Debtor, and such approval shall not be unreasonably withheld.

(k) Fees and Expenses. Debtor shall pay all reasonable out-of-pocket costs and expenses, including reasonable attorneys' fees and expenses, incurred by Lender in connection with the preparation of this Security Agreement and any document or instrument delivered pursuant to or in connection with this Security Agreement and all related documentation, recording or filing fees. Debtor shall also pay all like reasonable costs and expenses incurred by Lender in connection with any amendments, waivers, renewals or modifications of or made pursuant to this Security Agreement or any document or instrument delivered pursuant to or in connection with this Security Agreement and all other related documentation.

(l) Reinstatement of Obligations. Debtor expressly agrees that to the extent a payment or payments to Lender, or any part thereof, are subsequently invalidated, declared to be void or voidable, set aside and are required to be repaid to a trustee, custodian, receiver or any other party under any bankruptcy act, state or federal law, common law or equitable cause, then to the extent of such payment or repayment, the obligation or part thereof intended to be satisfied and any collateral given therefore

14

including this Agreement shall be revived and continued in full force and effect as if said payment had not been made.

(m) Financing Statement. At the option of Lender, this Security Agreement, or a carbon, photographic or other reproduction of this Security Agreement or of any Uniform Commercial Code financing statement covering the Collateral or any portion thereof, shall be sufficient as a Uniform Commercial Code financing statement and may be filed as such.

(n) Capitalized Terms. Except as provided in Section 1, capitalized terms used and not defined herein shall have the meanings given to them in the SPA.

(o) Controlling Provisions. If any item of Collateral hereunder also constitutes collateral granted to Lender under any other mortgage, deed of trust, agreement or instrument, in the event of any conflict between the provisions under this Security Agreement and those under such other mortgage, agreement or instrument relating to such Collateral, the provision or provisions selected by Lender shall control with respect to such Collateral.

(p) Setoff. In addition to any rights now or hereafter granted under the provisions of any applicable law, rule or regulation and, not by way of limitation of any such rights, upon the occurrence of (i) any event of default after observing any applicable cure periods or (ii) any event after observing any applicable cure periods which with the lapse of time or the giving of notice, or both, would constitute an Event of Default, Lender is hereby authorized by Debtor, at any time or from time to time, without notice to Debtor or to any other person, any such notice being hereby expressly waived,

- (i) to setoff and to appropriate and to apply any and all deposits (general or special, time or demand, including, but not limited to, indebtedness evidenced by certificates of deposit, in each case whether matured or unmatured) and any other indebtedness at any time held or owing by Lender to or for the credit or account of Debtor against and on account of the obligations and liabilities of Debtor to Lender, including, but not limited to, all claims of any nature or description arising out of or connected with this Security Agreement or any instrument or document delivered in connection with or pursuant to this Security Agreement, irrespective of whether or not (1) Lender shall have made any demand under this Security Agreement or any instrument or document delivered in connection with or pursuant to this Security Agreement, or (2) Lender shall have declared the principal of and interest on amounts under this Security Agreement or any instrument or document delivered in connection with or pursuant to this Security Agreement to be due and payable as permitted pursuant to this Security Agreement or any instrument or document delivered in connection with or pursuant to this Security Agreement, and

15

although said obligations and liabilities, or any of them, shall be contingent or unmatured, and

- (ii) pending any such setoff or appropriation or application, to hold the amounts of all deposits as collateral and to return as unpaid any or all checks drawn against such deposits that are presented for payment as Lender in its sole discretion shall decide.

(q) Consent to Forum. DEBTOR HEREBY CONSENTS TO THE JURISDICTION OF ANY STATE COURT LOCATED WITHIN THE CITY OF KANSAS CITY OR JACKSON COUNTY, MISSOURI OR FEDERAL COURT IN THE WESTERN DISTRICT OF MISSOURI, WESTERN DIVISION. DEBTOR WAIVES ANY OBJECTION TO JURISDICTION AND VENUE OF ANY ACTION INSTITUTED AGAINST IT AS PROVIDED HEREIN AND AGREES NOT TO ASSERT ANY DEFENSE BASED ON LACK OF JURISDICTION OR VENUE. DEBTOR FURTHER AGREES NOT TO ASSERT AGAINST LENDER (EXCEPT BY WAY OF A DEFENSE OR COUNTERCLAIM IN A PROCEEDING INITIATED BY LENDER) ANY CLAIM OR OTHER ASSERTION OF LIABILITY WITH RESPECT TO THIS SECURITY AGREEMENT, LENDER'S CONDUCT OR OTHERWISE IN ANY JURISDICTION OTHER THAN THE FOREGOING JURISDICTIONS.

(r) Waiver of Jury Trial. DEBTOR HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY (WHICH LENDER ALSO WAIVES) IN ANY ACTION, SUIT, PROCEEDING OR COUNTERCLAIM OF ANY KIND ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT, THE OBLIGATIONS OF DEBTOR HEREUNDER OR LENDER'S CONDUCT IN RESPECT OF ANY OF THE FOREGOING.

(s) Mo. Rev. Stat. § 432.045 Statement. The following notice is given pursuant to Section 432.045 of the Missouri Revised Statutes; nothing contained in such notice shall be deemed to limit or modify the terms of this Agreement: "ORAL AGREEMENTS OR COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FOREBEAR FROM ENFORCING REPAYMENT OF A DEBT INCLUDING PROMISES TO EXTEND OR RENEW SUCH DEBT ARE NOT ENFORCEABLE. PATENT AND TRADEMARK SECURITY AGREEMENT

(Liquidmetal Coatings, LLC)

This Patent and Trademark Security Agreement ("**Agreement**"), dated as of July 24, 2007, is made by and between Liquidmetal Coatings, LLC, a Delaware limited liability company having a business location at the address set forth below next to its signature (the "**Debtor**"), C₃ Capital Partners, L.P., a Delaware limited partnership ("**C₃**") and C₃ Capital Partners II, L.P., a Delaware limited partnership ("**C₃ II**") together with C₃ shall hereinafter be referred to as the "**Secured Party**").

Recitals

The Debtor and the Secured Party are parties to a Securities Purchase Agreement dated of even date herewith (as the same may hereafter be amended, supplemented or restated from time to time, collectively the "**Purchase Agreement**") and Debtor has issued a 14% Subordinated Note dated of even date herewith to each of C₃ and C₃ II (as amended, supplemented, or restated from time to time, collectively, the "**Notes**") (the Purchase Agreement, Notes and any and all other related documents are collectively referred to as the "**Loan Documents**") both setting forth the terms on which the Secured Party may now or hereafter extend credit to or for the account of the Debtor.

The Debtor and Liquidmetal Technologies, Inc. ("**LMT**") have entered into an Asset Purchase and Contribution Agreement dated July 24, 2007 ("**APA**") wherein the Debtor is acquiring certain assets described in the APA from LMT.

As a condition to extending credit to or for the account of the Debtor, the Secured Party has required the execution and delivery of this Agreement by the Debtor.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. **Definitions.** All terms defined in the Recitals hereto or in the Purchase Agreement that are not otherwise defined herein shall have the meanings given to them therein. In addition, the following terms have the meanings set forth below:

"**Obligations**" means each and every debt, liability and obligation of every type and description arising under or in connection with any Loan Documents which the Debtor may now or at any time hereafter owe to the Secured Party, whether such debt, liability or obligation now exists or is hereafter created or incurred and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, independent, joint, several or joint and several, and including specifically, but not limited to, the Securities (as defined in the Purchase Agreement).

"**Patents**" means all of the Debtor's right, title and interest in and to patents or applications for patents, fees or royalties with respect to each, and including without limitation the right to sue for past infringement and damages therefor, and licenses

thereunder, all as presently existing or hereafter arising or acquired, including without limitation the patents listed on Exhibit A.

"**Security Interest**" has the meaning given in Section 2.

"**Trademarks**" means all of the Debtor's right, title and interest in and to: (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each, (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, (iv) and licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit B.

2. **Security Interest.** The Debtor hereby irrevocably pledges and assigns to, and grants the Secured Party a security interest (the "**Security Interest**"), with power of sale to the extent permitted by law, in the Patents and in the Trademarks to secure payment of the Obligations. As set forth in the Purchase Agreement and the Notes, the Security Interest is coupled with a security interest in substantially all of the personal property of the Debtor.

3. **Representations, Warranties and Agreements.** The Debtor represents, warrants and agrees as follows:

(a) **Existence; Authority.** The Debtor is a limited liability company duly organized, validly existing and in good standing under the laws of its state of organization, and this Agreement has been duly and validly authorized by all necessary action on the part of the Debtor.

(b) **Patents.** Exhibit A accurately lists all Patents owned or controlled by the Debtor as of the date hereof, or to which the Debtor has a right as of the date hereof to have assigned to it, and accurately reflects the existence and status of applications and letters patent pertaining to the Patents as of the date hereof. If after the date hereof, the Debtor owns, controls or has a right to have assigned to it any Patents not listed on Exhibit A, or if Exhibit A ceases to accurately reflect the existence and status of applications and letters patent pertaining to the Patents, then the Debtor shall within 60 days provide written notice to the Secured Party with a replacement Exhibit A, which upon acceptance by the Secured Party shall become part of this Agreement.

(c) **Trademarks.** Exhibit B accurately lists all Trademarks owned or controlled by the Debtor as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof; provided, however, that Exhibit B need not list common law marks (i.e., Trademarks for which there are no applications or registrations) which are not material to the Debtor's or any Affiliate's business(es). If after the date hereof, the Debtor owns or controls any Trademarks not listed on Exhibit B (other than common law marks which are not material to the Debtor's or any Affiliate's business(es)), or if Exhibit B ceases to accurately reflect the existence and status of applications and registrations pertaining to the Trademarks, then the Debtor shall within sixty (60) days promptly provide written

notice to the Secured Party with a replacement Exhibit B, which upon acceptance by the Secured Party shall become part of this Agreement.

(d) **Title.** The Debtor has absolute title to each Patent and each Trademark listed on Exhibits A and B, free and clear of all Liens except Permitted Liens. The Debtor (i) will have, at the time the Debtor acquires any rights in Patents or Trademarks hereafter arising, absolute title to each such Patent or Trademark free and clear of all Liens except Permitted Liens, and (ii) will keep all Patents and Trademarks free and clear of all Liens except Permitted Liens.

(e) **No Sale.** Except as permitted in the Purchase Agreement, the Debtor will not assign, transfer, encumber or otherwise dispose of the Patents or Trademarks, or any interest therein, without the Secured Party's prior written consent.

(f) **Defense.** The Debtor will at its own expense and using commercially reasonable efforts, protect and defend the Patents and Trademarks against all claims or demands of all Persons other than those holding Permitted Liens.

(g) **Maintenance.** The Debtor will at its own expense maintain the Patents and the Trademarks to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain letters patent or trademark registrations and all affidavits, maintenance fees, annuities, and renewals possible with respect to letters patent, trademark registrations and applications therefor. The Debtor covenants that it will not abandon nor fail to pay any maintenance fee or annuity due and payable on any Patent or Trademark, nor fail to file any required affidavit or renewal in support thereof, without first providing the Secured Party: (i) sufficient written notice, of at least 30 days, to allow the Secured Party to timely pay any such maintenance fees or annuities which may become due on any Patents or Trademarks, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable.

(h) **Secured Party's Right to Take Action.** If the Debtor fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of ten (10) calendar days after the Secured Party gives the Debtor written notice thereof (or, in the case of the agreements contained in subsection (h), immediately upon the occurrence of such failure, without notice or lapse of time), or if the Debtor notifies the Secured Party that it intends to abandon a Patent or Trademark, the Secured Party may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of the Debtor (or, at the Secured Party's option, in the Secured Party's own name) and may (but need not) take any and all other actions which the Secured Party may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(i) **Costs and Expenses.** Except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise

illegal under any applicable law, the Debtor shall pay the Secured Party on demand the amount of all moneys expended and all costs and expenses (including reasonable attorneys' fees and disbursements) incurred by the Secured Party in connection with or as a result of the Secured Party's taking action under subsection (i) or exercising its rights under Section 6, together with interest thereon from the date expended or incurred by the Secured Party at the Default Rate.

(j) **Power of Attorney.** To facilitate the Secured Party's taking action under subsection (i) and exercising its rights under Section 6, the Debtor hereby irrevocably appoints (which appointment is coupled with an interest) the Secured Party, or its delegate, as the attorney in fact of the Debtor with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of the Debtor, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by the Debtor under this Section 3, or, necessary for the Secured Party, after an Event of Default, to enforce or use the Patents or Trademarks or to grant or issue any exclusive or non exclusive license under the Patents or Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Patents or Trademarks to any third party. The Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall terminate upon the termination of the Purchase Agreement as provided therein and the payment and performance of all Obligations.

4. **Debtor's Use of the Patents and Trademarks.** The Debtor shall be permitted to control and manage the Patents and Trademarks, including the right to exclude others from making, using or selling items covered by the Patents and Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default occurs and remains uncured.

5. **Events of Default.** Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (a) an Event of Default, as defined in the Purchase Agreement, shall occur; or (b) the Debtor shall fail promptly to observe or perform any covenant or agreement herein binding on it which is not remedied within fifteen (15) calendar days after Debtor receives written notice thereof; or (c) any of the representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

6. **Remedies.** Upon the occurrence of an Event of Default and at any time thereafter, the Secured Party may, at its option, take any or all of the following actions:

- (a) The Secured Party may exercise any or all remedies available under the Purchase Agreement.
- (b) The Secured Party may sell, assign, transfer, pledge, encumber or otherwise dispose of the Patents and Trademarks.

(c) The Secured Party may enforce the Patents and Trademarks and any licenses thereunder, and if Secured Party shall commence any suit for such enforcement, the Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement.

7. **Miscellaneous.** This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by the Secured Party. A waiver signed by the Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of the Secured Party's rights or remedies. All rights and remedies of the Secured Party shall be cumulative and may be exercised singularly or concurrently, at the Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given to Debtor under this Agreement shall be given in the manner and with the effect provided in the Purchase Agreement. The Secured Party shall not be obligated to preserve any rights the Debtor may have against prior parties, to realize on the Patents and Trademarks at all or in any particular manner or order, or to apply any cash proceeds of Patents and Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of the Debtor and the Secured Party and their respective participants, successors and assigns and shall take effect when signed by the Debtor and delivered to the Secured Party, and the Debtor waives notice of the Secured Party's acceptance hereof. The Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of the Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by the Debtor shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of Missouri without regard to conflicts of law provisions. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations.

THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY

ACTION OR PROCEEDING BASED ON OR PERTAINING TO THIS AGREEMENT.

(Liquidmetal Technologies, Inc.)

This Membership Unit Pledge Agreement ("**Agreement**") is made as of this 24th day of July, 2007, by and among **Liquidmetal Technologies, Inc.**, a Delaware corporation, ("**Pledgor**"), **C₃ Capital Partners, L.P.**, a Delaware limited partnership ("**C₃**") and **C₃ Capital Partners II, L.P.**, ("**C₃ II**" and **C₃** and their successors and assigns shall hereinafter be referred to as the "**Lender**").

PRELIMINARY STATEMENTS:

(1) Upon the consummation of the transactions contemplated by that certain Securities Purchase Agreement, together with any and all other documentation related thereto (all as amended, restated, extended or otherwise modified from time to time, the "**SPA**") dated as of the date hereof by and among the Lender, **Liquidmetal Coatings, LLC**, a Delaware limited liability company (the "**Company**") and **Liquidmetal Coatings Solutions, LLC**, a Delaware limited liability company, Pledgor shall be the owner of 69.25% all of the issued and outstanding membership units ("**Membership Units**") of the Company.

- (2) The execution and delivery of this Agreement by Pledgor is a condition precedent to the SPA.
- (3) Capitalized terms, unless otherwise defined herein, shall have the meanings set forth in the SPA.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lender to enter into the SPA, the Pledgor hereby covenants to the Lender as follows:

SECTION 1. **Pledge.** The Pledgor hereby pledges to the Lender and grants to the Lender a security interest in all of the Pledgor's now owned or hereinafter acquired right, title and interest in and to the following (the "**Pledged Collateral**"):

- (a) the Membership Units;
- (b) the proceeds, if and when received, of the Membership Units and other instruments and documents representing the Membership Units, and all cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Membership Units;
- (c) the proceeds, if and when received, of all equity interests from time to time received or acquired by the Pledgor in any manner resulting from the acquisition or formation by the issuer of the Membership Units of a subsidiary, the certificates and other instruments and documents representing such equity interests and all cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such equity interests; and

(d) all other property hereafter delivered to the Lender in substitution for or in addition to any of the foregoing, all certificates, certificates of deposit, notes, instruments and documents representing or evidencing such property, and all cash, securities, interest, rights and other property at any time and from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all thereof.

SECTION 2. **Security for Obligations.** This Agreement secures the payment and performance of all the Company's obligations of every kind and nature under the SPA (the "**Obligations**"). For the purpose of this Agreement, the term "**Event of Default**" is defined as an Event of Default including any applicable cure periods under the SPA.

SECTION 3. **No Personal Liability of Pledgor.** Notwithstanding anything in this Agreement, with the exception of the Pledgor's pledge of the Pledged Collateral, Pledgor shall have no personal liability for the Company's obligations to Lender and Pledgor does not guaranty the Company's obligations to Lender.

SECTION 4. **Delivery of Pledged Collateral.** All instruments representing or evidencing the Pledged Collateral shall be delivered to and held by the Lender pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance satisfactory to the Lender. The Lender shall have the right, at any time after the occurrence of an Event of Default, in its discretion, to transfer to or to register in the name of the Lender or any of its nominees any or all of the Pledged Collateral. In addition, the Lender shall have the right at any time to exchange instruments representing or evidencing Pledged Collateral for instruments of smaller or larger denominations.

SECTION 5. **Representations and Warranties.** The Pledgor represents and warrants as follows:

- (a) The Membership Units have been duly authorized and validly issued and are fully paid and non-assessable.
- (b) The Pledgor is and will be at all times the legal and beneficial owner of the Membership Units and the Pledged Collateral free and clear of any lien, security interest, option or other charge or encumbrance, except for security interests created in favor of the Lender, the Senior Lender and security interests otherwise consented to in advance and in writing by the Lender.
- (c) The pledge pursuant to this Agreement of any Pledged Collateral creates or will create a valid and perfected security interest in the Pledged Collateral, securing the payment of the Obligations.
- (d) No authorization, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required either (i) for the pledge by the Pledgor of the Pledged Collateral pursuant to this Agreement or for the execution, delivery or performance of this Agreement by the Pledgor or (ii) for the exercise by the Lender of the rights

provided for in this Agreement or the remedies in respect of the Pledged Collateral pursuant to this Agreement (except as may be required in connection with such disposition by laws affecting the foreclosure of security interests generally).

SECTION 6. Further Assurances. The Pledgor agrees that at any time and from time to time, at the expense of the Pledgor, promptly execute and deliver all further instruments, certificates and documents and take all further action that may be reasonably necessary or desirable or that the Lender may reasonably request in order to perfect and protect any security interest granted or purported to be granted hereby or to enable the Lender to exercise and enforce its rights and remedies hereunder with respect to any Pledged Collateral.

SECTION 7. Pledgor's Rights; Distributions; Etc.

(a) So long as no Event of Default shall have occurred and be continuing:

(i) The Pledgor shall be entitled to exercise any rights pertaining to the Pledged Collateral or any part thereof for any purpose not inconsistent with the terms of this Agreement including the right to vote the Membership Units for any purpose allowed under the Company's Certificate of Formation, Operating Agreement or applicable law.

(ii) The Pledgor shall be entitled to receive and retain any and all interest and distributions in respect of the Pledged Collateral; provided, however, that any and all:

(A) proceeds, interest and distributions paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Pledged Collateral;

(B) proceeds and distributions paid or payable in cash in respect of any Pledged Collateral in connection with a partial or total liquidation or dissolution; and

(C) cash paid, payable or otherwise distributed in respect of principal of, or in redemption of, or in exchange for the Membership Units or any Pledged Collateral,

shall be, and shall be forthwith delivered to the Lender to hold as, Pledged Collateral and shall, if and when received by the Pledgor, be received in trust for the benefit of the Lender, be segregated from the other property or funds of the Pledgor, and be forthwith delivered to the Lender as Pledged Collateral in the same form as so received (with any necessary endorsement).

(b) Upon the occurrence and during the continuance of an Event of Default:

(i) All rights of the Pledgor to receive the interest and distributions on the Pledged Collateral which Pledgor would otherwise be authorized to receive and retain

3

pursuant to Section 6(a)(ii) shall cease, and all such rights shall thereupon become vested in the Lender which shall thereupon have the sole right to receive and hold as Pledged Collateral such interest, distributions and payments.

(ii) All interest, distributions and payments which are received by the Pledgor contrary to the provisions of paragraph (i) of this Section 6(b) shall be received in trust for the benefit of the Lender, shall be segregated from other funds of the Pledgor and shall be forthwith paid over to the Lender as Pledged Collateral in the same form as so received (with any necessary endorsement).

SECTION 8. Transfers and Other Liens; Notice to Prior Secured Party. The Pledgor agrees that Pledgor will not create or permit to exist any lien, security interest, or other charge or encumbrance upon or with respect to the Membership Units or any of the Pledged Collateral, except for the security interest under this Agreement.

SECTION 9. Lender Appointed Attorney-in-Fact. Upon the occurrence of an Event of Default, the Pledgor hereby irrevocably appoints the Lender the Pledgor's attorney-in-fact, with full authority in the place and stead of the Pledgor and in the name of the Pledgor or otherwise, from time to time in the Lender's discretion, to take any action and to execute any instrument which the Lender may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, to demand, receive, endorse, hold and collect all instruments made payable to the Pledgor representing any distribution in respect of the Pledged Collateral or any part thereof and to give full discharge for the same.

SECTION 10. Lender May Perform. If the Pledgor fails to perform any agreement contained herein, the Lender may itself perform, or cause performance of, such agreement, and the reasonable expenses of the Lender incurred in connection therewith shall be payable by the Pledgor in accordance with Section 13.

SECTION 11. Reasonable Care. The Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if the Pledged Collateral is accorded treatment substantially equal to that which the Lender accords its own property.

SECTION 12. Remedies. If any Event of Default shall have occurred and be continuing:

(a) The Lender may exercise in respect of the Pledged Collateral, in addition to other rights and remedies provided for herein and as otherwise available to it at law or in equity, all the rights and remedies of a secured party on default under the Uniform Commercial Code in effect in the State of Missouri at that time, and the Lender may also, without notice as specified below, execute upon and apply (for itself or any designee it elects) the Pledged Collateral directly toward the payment of the Obligations, and sell the Pledged Collateral or any portion thereof at public or private sale, at any exchange, broker's board or at any of the Lender's offices or elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Lender may deem commercially reasonable. The

4

Pledgor agrees that, to the extent notice of sale shall be required by law, at least twenty-five (25) days' notice to the Pledgor of the time and place of any public sale and one publication in a local newspaper, or at least twenty-five (25) days' notice of the time after which any private sale is to be made, shall constitute reasonable notification. The Lender shall not be obligated to make any sale of Pledged Collateral regardless of notice of sale having been given. The Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefore, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Any cash held by the Lender as Pledged Collateral and all cash proceeds received by the Lender in respect of any sale of, collection from, or other realization upon all or any part of the Pledged Collateral may, in the discretion of the Lender, be held by the Lender as collateral for, and then or at any time thereafter applied (after payment of any amounts payable to the Lender pursuant to Section 13) in whole or in part by the Lender against, all or any part of the Obligations in such order as the Lender shall elect. Any surplus of such cash or cash proceeds held by the Lender and remaining after payment in full of all the Obligations shall be paid over to the Pledgor or to whomsoever may be lawfully entitled to receive such surplus.

SECTION 13. Indemnification. Neither the Lender, nor any partner, officer, agent or employee of the Lender, shall be liable for any action taken or omitted to be taken by it or them hereunder or in connection therewith, except for its or their own gross negligence or willful misconduct.

SECTION 14. Expenses. The Pledgor will, upon demand, pay to the Lender the amount of any and all reasonable expenses, including the reasonable fees and expenses of its counsel and of any experts and agents, which the Lender may incur in connection with (a) the custody or preservation of, or the sale of, collection from, or other realization upon, any of the Pledged Collateral, (b) the exercise or enforcement of any of the rights of the Lender hereunder, or (c) the failure by Pledgor to perform or observe any of the provisions hereof.

SECTION 15. Security Interest Absolute.

(a) All rights of the Lender and security interests hereunder, and all obligations of the Pledgor hereunder, shall be absolute and unconditional irrespective of:

(i) any lack of validity or enforceability of the SPA;

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the SPA;

(iii) any exchange, release or non-perfection of any other collateral, or any release of any of the Obligations; or

5

(iv) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Pledgor or any other pledgor or any guarantor or co maker in respect of the Obligations or the Pledgor in respect of this Agreement.

(b) The Lender may, from time to time, whether before or after any of the Obligations shall become due and payable, without notice to the Pledgor, take all or any of the following actions:

(i) retain or obtain a security interest in any property, in addition to the Pledged Collateral, to secure any of the Obligations,

(ii) retain or obtain the primary or secondary liability of any party or parties with respect to any of the Obligations,

(iii) extend or renew for any period (whether or not longer than the original period) or exchange any of the Obligations or release or compromise any obligation of any nature of any party with respect thereto,

(iv) surrender, release or exchange all or any part of any property, in addition to the Pledged Collateral, securing any of the Obligations, or compromise or extend or renew for any period (whether or not longer than the original period) any obligations of any nature of any party with respect to any such property, and

(v) resort to the Pledged Collateral for payment of any of the Obligations whether or not it shall have resorted to any other property securing the Obligations or shall have proceeded against any party primarily or secondarily liable on any of the Obligations.

SECTION 16. Amendments; Etc. No amendment or waiver of any provision of this Agreement nor consent to any departure by the Pledgor herefrom shall in any event be effective unless the same shall be in writing and signed by the Lender, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

The Pledgor agrees that, to the extent notice of sale shall be required by law, at least twenty-five (25) days' notice to the Pledgor of the time and place of any public sale and one publication in a local

4

newspaper, or at least twenty-five (25) days' notice of the time after which any private sale is to be made, shall constitute reasonable notification. The Lender shall not be obligated to make any sale of Pledged Collateral regardless of notice of sale having been given. The Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefore, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Any cash held by the Lender as Pledged Collateral and all cash proceeds received by the Lender in respect of any sale of, collection from, or other realization upon all or any part of the Pledged Collateral may, in the discretion of the Lender, be held by the Lender as collateral for, and then or at any time thereafter applied (after payment of any amounts payable to the Lender pursuant to Section 13) in whole or in part by the Lender against, all or any part of the Obligations in such order as the Lender shall elect. Any surplus of such cash or cash proceeds held by the Lender and remaining after payment in full of all the Obligations shall be paid over to the Pledgor or to whomsoever may be lawfully entitled to receive such surplus.

SECTION 12. Indemnification. Neither the Lender, nor any partner, officer, agent or employee of the Lender, shall be liable for any action taken or omitted to be taken by it or them hereunder or in connection therewith, except for its or their own gross negligence or willful misconduct.

SECTION 13. Expenses. hereunder, or (c) the failure by Pledgor to perform or observe any of the provisions hereof.

SECTION 14. Security Interest Absolute.

(a) All rights of the Lender and security interests hereunder, and all obligations of the Pledgor hereunder, shall be absolute and unconditional irrespective of:

- (i) any lack of validity or enforceability of the SPA;
- (ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the SPA;
- (iii) any exchange, release or non-perfection of any other collateral, or any release of any of the Obligations; or

WHEREAS, the Company, LIQUIDMETAL COATINGS SOLUTIONS, LLC, a Delaware limited liability company, C3 CAPITAL PARTNERS, L.P., a Delaware limited partnership ("C3 Capital") and CAPITAL PARTNERS II, L.P., a Delaware limited partnership ("C3 Capital II," together with C3 Capital shall hereinafter be referred to as "C3") are parties to a certain Securities Purchase Agreement dated as of July 24, 2007 (hereinafter, as at any time amended, modified or supplemented, the "SPA"); and

WHEREAS, C3 has required, as a condition to Closing under the SPA, that the Company assign to C3 all of the Company's rights and remedies under the Agreement and all of the Company's right, title and interest in and to any and all sums due from Seller under the Agreement in order to secure the Company's obligations to C3 pursuant to the SPA; and

WHEREAS, capitalized terms, unless otherwise defined herein, shall have the meanings set forth in the SPA.

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00), the premises set forth herein and for other good and valuable consideration, the Company agrees as follows:

SOLVENCY CERTIFICATE

Furnished pursuant to Section 3.13(p) of the Securities Purchase Agreement dated as of July 24, 2007 by and among Liquidmetal Coatings, LLC (the "Company"), Liquidmetal Coatings Solutions, LLC ("LMCS"), C3 Capital Partners, L.P. The undersigned hereby certifies that he is the _____ of the Company and that, as such, he is authorized to execute this Solvency Certificate on behalf of the Company and the undersigned further certifies that, on the date hereof and based on the financial information delivered pursuant to Section 6.5 of the Purchase Agreement, after giving effect to the transactions contemplated by the Investment Documents:

- (a) the fair salable value of the assets of the Company is greater than the total amount of the liabilities of the Company (including contingent, subordinated, unmatured and unliquidated liabilities, whether or not includable on its balance sheet in accordance with GAAP);
- (b) to the undersigned's knowledge, the present fair salable value of the assets of the Company is greater than the amount that will be required to pay the probable liabilities of the Company as they become absolute and matured;
- (c) to the undersigned's knowledge, the Company will be able to realize upon its assets, or will have sufficient cash flow, to enable the Company to pay its debts, other liabilities, contingent obligations and other commitments as they mature in the ordinary course of business; and

Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement. For purposes of the foregoing, the "fair salable value" of any asset or investment was determined on the basis of the amount which may be realized within a reasonable time, either through collection or sale of such asset or investment at its regular market value, conceiving the latter as the amount which could be obtained therefor within such period by a capable and diligent businessman from an interested buyer who is willing to purchase under ordinary selling conditions.

IN WITNESS WHEREOF, the undersigned has hereunto set his hand on behalf of the Company on this 24th day of July, 2007.
